How to Draw Drums — Free Practice Sheets

REFERENCE / CASE 1

drums: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

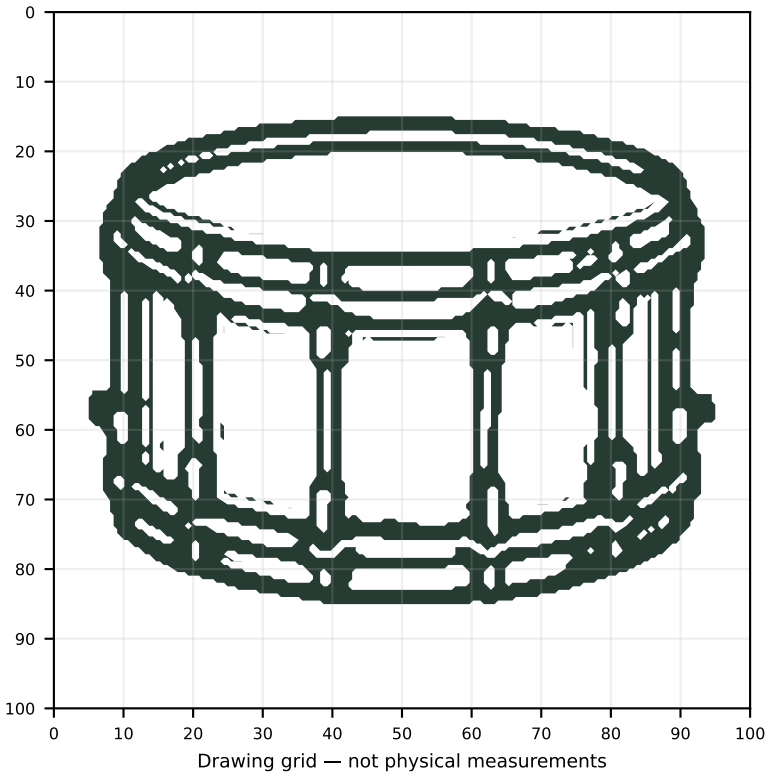

METHOD: Draw an ellipse for the top drumhead and a matching curved lower edge for the bottom hoop. Connect the top and bottom with slightly curved vertical side lines to form the cylindrical shell. Add evenly spaced vertical tension rods between the top and bottom hoops. Draw the top and bottom rim bands as double lines following the ellipse and lower curve.
Use the separate practice sheet before checking the answer.

How to Draw Drums — Free Practice Sheets

REFERENCE / CASE 2

drums: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

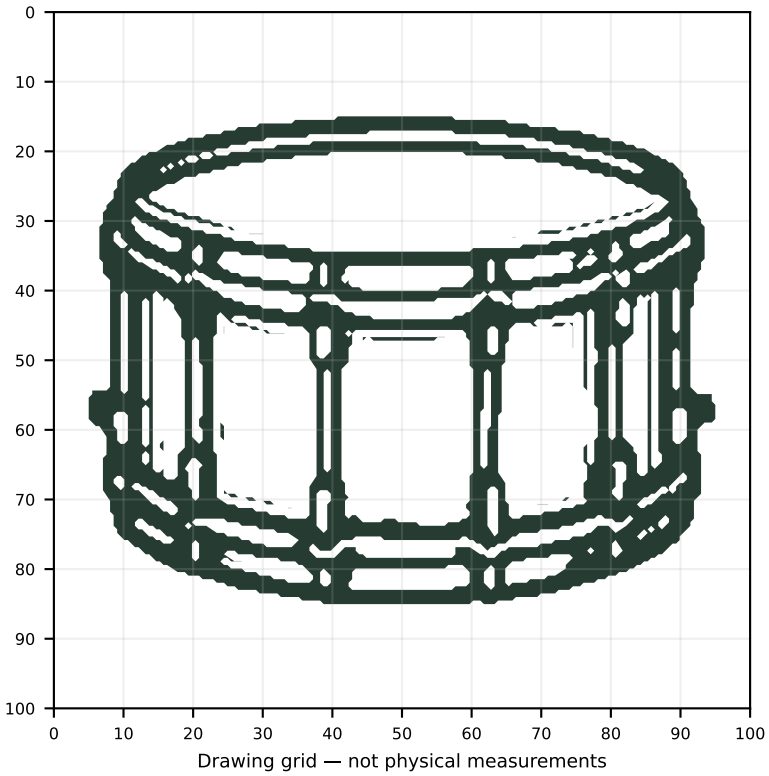

METHOD: Draw an ellipse for the top drumhead and a matching curved lower edge for the bottom hoop. Connect the top and bottom with slightly curved vertical side lines to form the cylindrical shell. Add evenly spaced vertical tension rods between the top and bottom hoops. Draw the top and bottom rim bands as double lines following the ellipse and lower curve.
Use the separate practice sheet before checking the answer.

How to Draw Drums — Free Practice Sheets

REFERENCE / CASE 3

drums: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

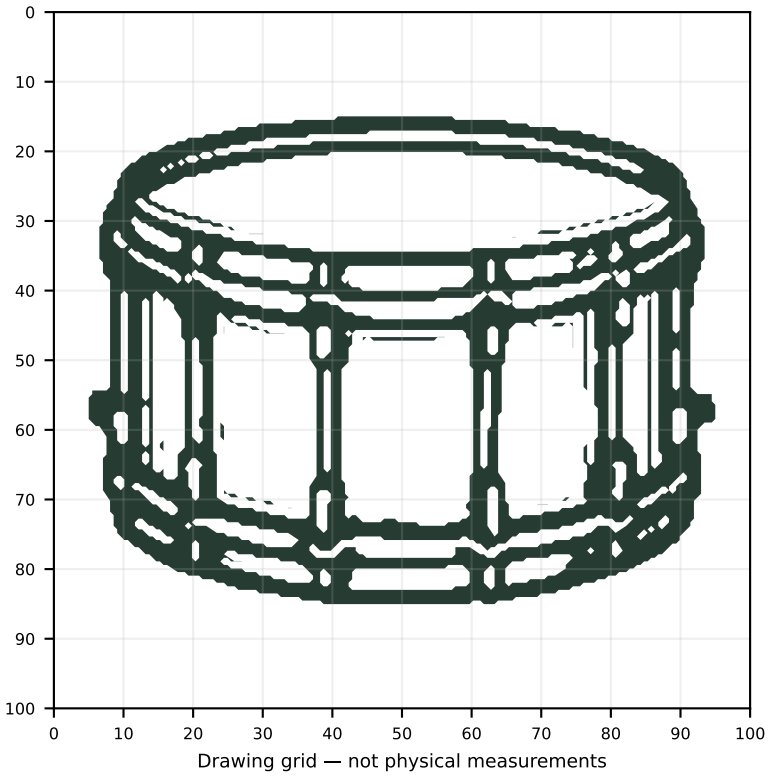

METHOD: Draw an ellipse for the top drumhead and a matching curved lower edge for the bottom hoop. Connect the top and bottom with slightly curved vertical side lines to form the cylindrical shell. Add evenly spaced vertical tension rods between the top and bottom hoops. Draw the top and bottom rim bands as double lines following the ellipse and lower curve.
Use the separate practice sheet before checking the answer.

How to Draw Drums — Free Practice Sheets

REFERENCE / CASE 4

drums: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw an ellipse for the top drumhead and a matching curved lower edge for the bottom hoop. Connect the top and bottom with slightly curved vertical side lines to form the cylindrical shell. Add evenly spaced vertical tension rods between the top and bottom hoops. Draw the top and bottom rim bands as double lines following the ellipse and lower curve.
Use the separate practice sheet before checking the answer.
