How to Draw Curtain — Free Practice Sheets

REFERENCE / CASE 1

curtain: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

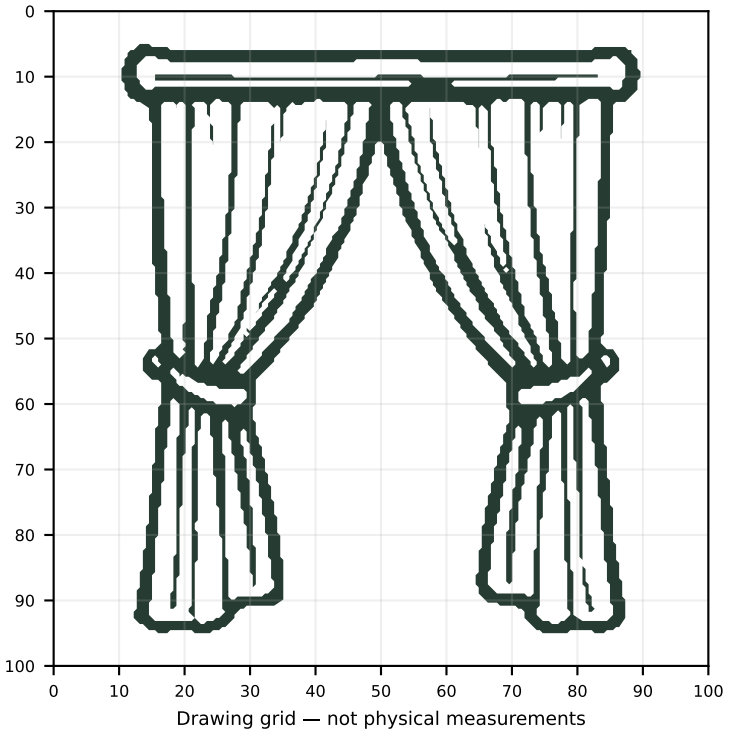

METHOD: Draw a horizontal rounded bar at the top to represent the curtain rod. From the rod, draw two mirrored panels that curve inward toward the center, leaving a gap between them. Add several vertical curved lines inside each panel to indicate fabric folds. Draw a small tieback band around each panel at mid-height, then flare the fabric outward below it to the bottom edge.
Use the separate practice sheet before checking the answer.

How to Draw Curtain — Free Practice Sheets

REFERENCE / CASE 2

curtain: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

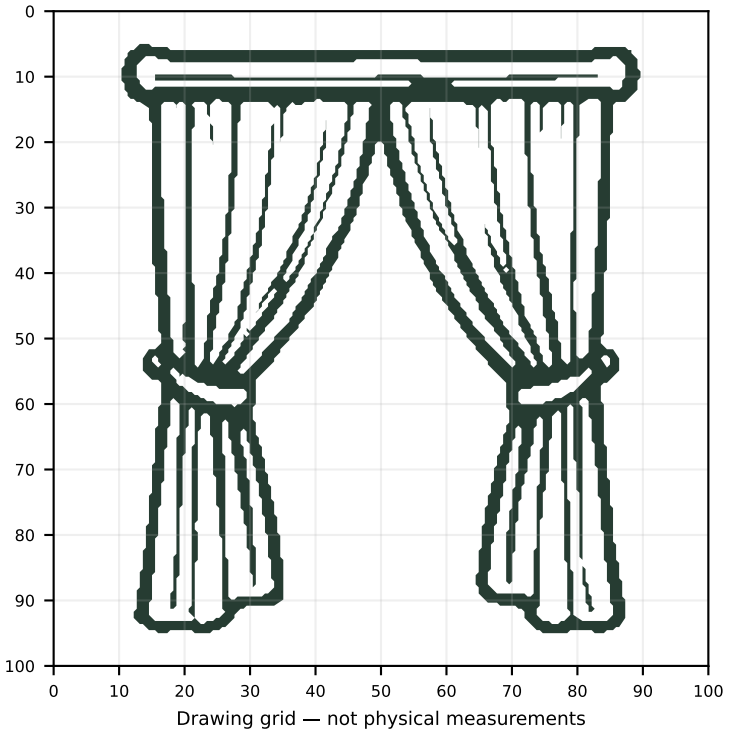

METHOD: Draw a horizontal rounded bar at the top to represent the curtain rod. From the rod, draw two mirrored panels that curve inward toward the center, leaving a gap between them. Add several vertical curved lines inside each panel to indicate fabric folds. Draw a small tieback band around each panel at mid-height, then flare the fabric outward below it to the bottom edge.
Use the separate practice sheet before checking the answer.

How to Draw Curtain — Free Practice Sheets

REFERENCE / CASE 3

curtain: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

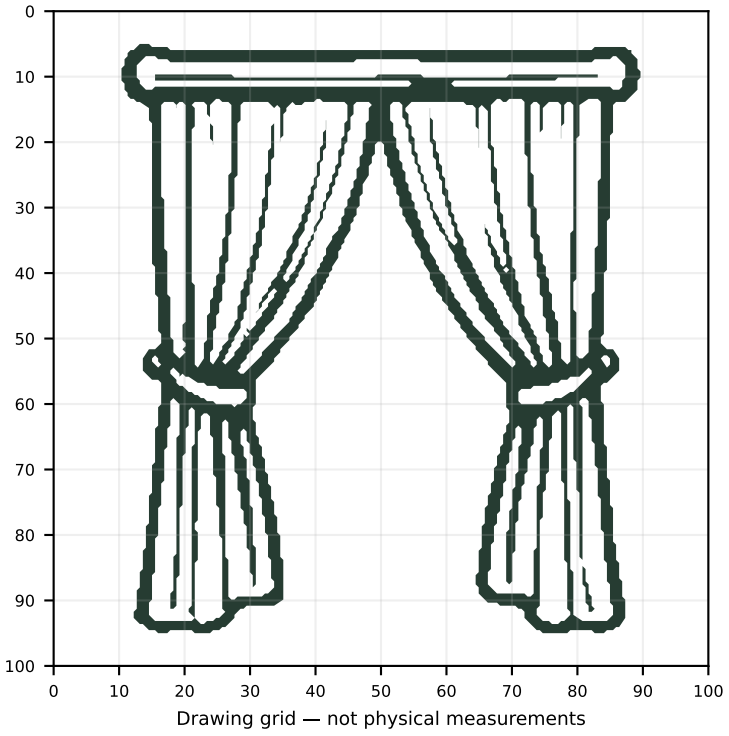

METHOD: Draw a horizontal rounded bar at the top to represent the curtain rod. From the rod, draw two mirrored panels that curve inward toward the center, leaving a gap between them. Add several vertical curved lines inside each panel to indicate fabric folds. Draw a small tieback band around each panel at mid-height, then flare the fabric outward below it to the bottom edge.
Use the separate practice sheet before checking the answer.

How to Draw Curtain — Free Practice Sheets

REFERENCE / CASE 4

curtain: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a horizontal rounded bar at the top to represent the curtain rod. From the rod, draw two mirrored panels that curve inward toward the center, leaving a gap between them. Add several vertical curved lines inside each panel to indicate fabric folds. Draw a small tieback band around each panel at mid-height, then flare the fabric outward below it to the bottom edge.
Use the separate practice sheet before checking the answer.
