How to Draw Graduation Cap — Free Practice Sheets

ANSWER / CASE 1

graduation cap: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

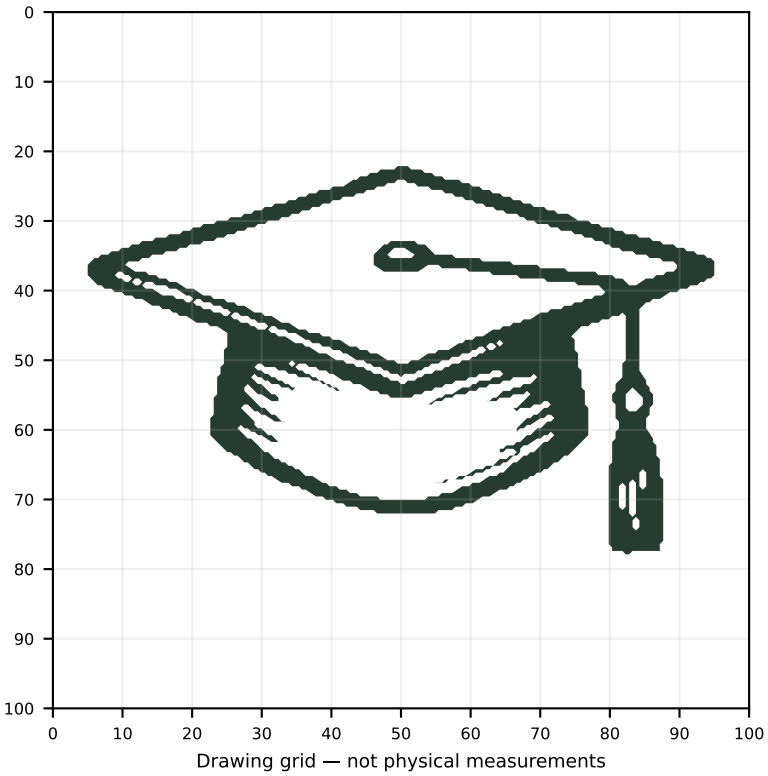

ANSWER: Example solution: preserve flat square top board drawn in perspective, tassel hanging from the center of the top board, rounded fitted base with curved shading lines. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a diamond shape to represent the flat square top board in perspective.
2. Add a rounded, curved shape beneath the diamond for the fitted base of the cap.
3. Draw a small circle at the center of the top board and a line extending to the right edge.
4. Attach a hanging tassel with a knot and fringe to the end of the line.

How to Draw Graduation Cap — Free Practice Sheets

ANSWER / CASE 2

graduation cap: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

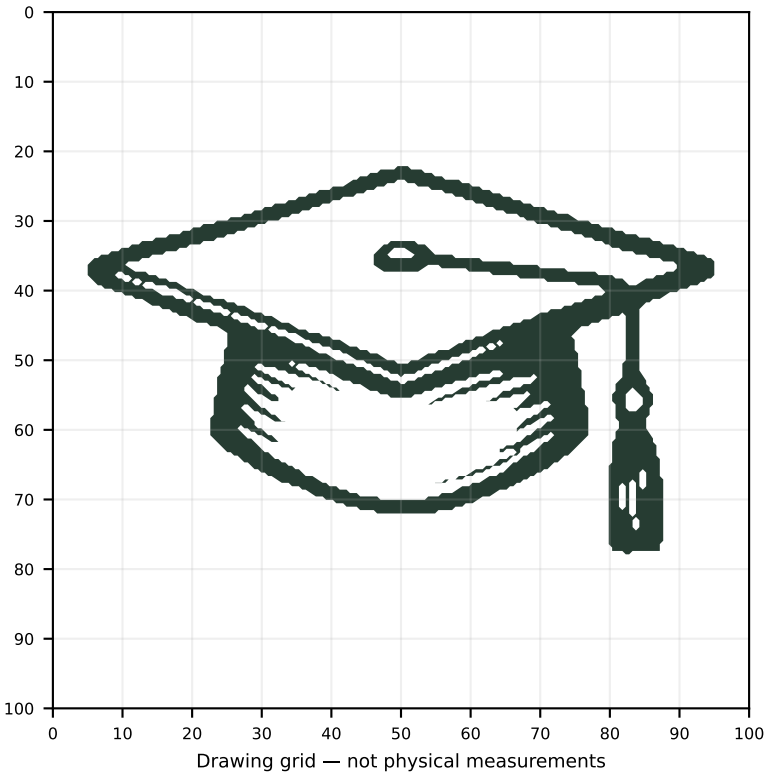

ANSWER: Example solution: preserve flat square top board drawn in perspective, tassel hanging from the center of the top board, rounded fitted base with curved shading lines. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a diamond shape to represent the flat square top board in perspective.
2. Add a rounded, curved shape beneath the diamond for the fitted base of the cap.
3. Draw a small circle at the center of the top board and a line extending to the right edge.
4. Attach a hanging tassel with a knot and fringe to the end of the line.
