How to Draw Graduation Cap — Free Practice Sheets

REFERENCE / CASE 1

graduation cap: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

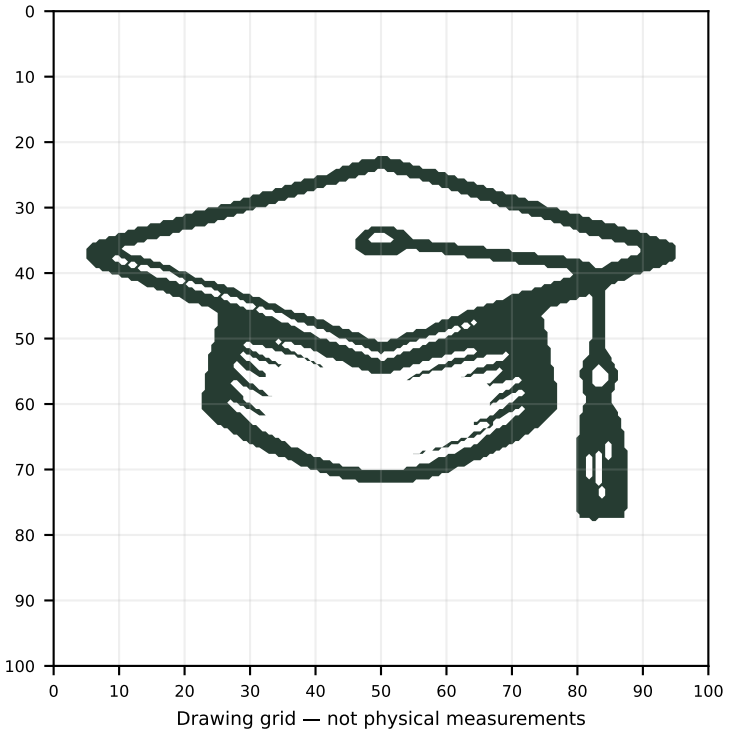

METHOD: Draw a diamond shape to represent the flat square top board in perspective. Add a rounded, curved shape beneath the diamond for the fitted base of the cap. Draw a small circle at the center of the top board and a line extending to the right edge. Attach a hanging tassel with a knot and fringe to the end of the line.
Use the separate practice sheet before checking the answer.

How to Draw Graduation Cap — Free Practice Sheets

REFERENCE / CASE 2

graduation cap: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

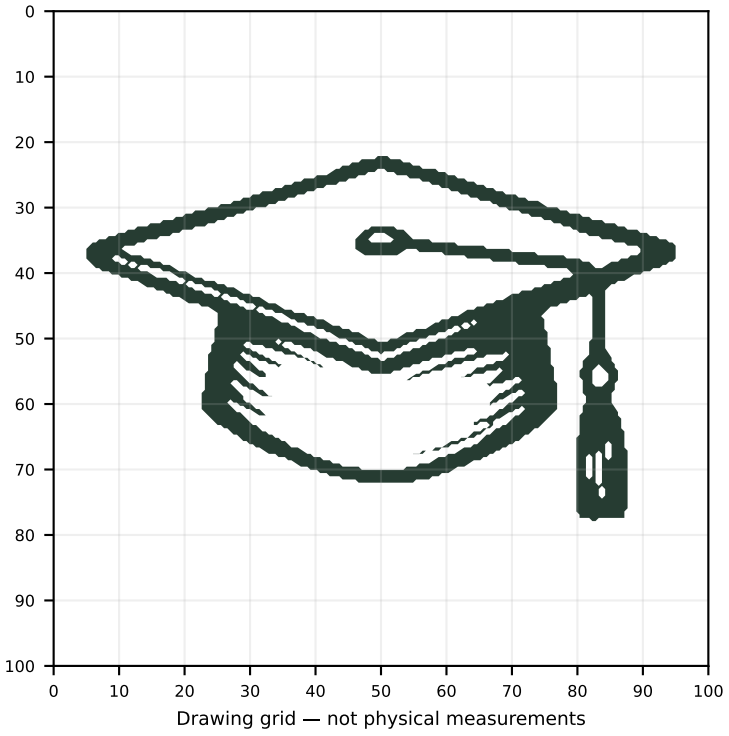

METHOD: Draw a diamond shape to represent the flat square top board in perspective. Add a rounded, curved shape beneath the diamond for the fitted base of the cap. Draw a small circle at the center of the top board and a line extending to the right edge. Attach a hanging tassel with a knot and fringe to the end of the line.
Use the separate practice sheet before checking the answer.

How to Draw Graduation Cap — Free Practice Sheets

REFERENCE / CASE 3

graduation cap: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

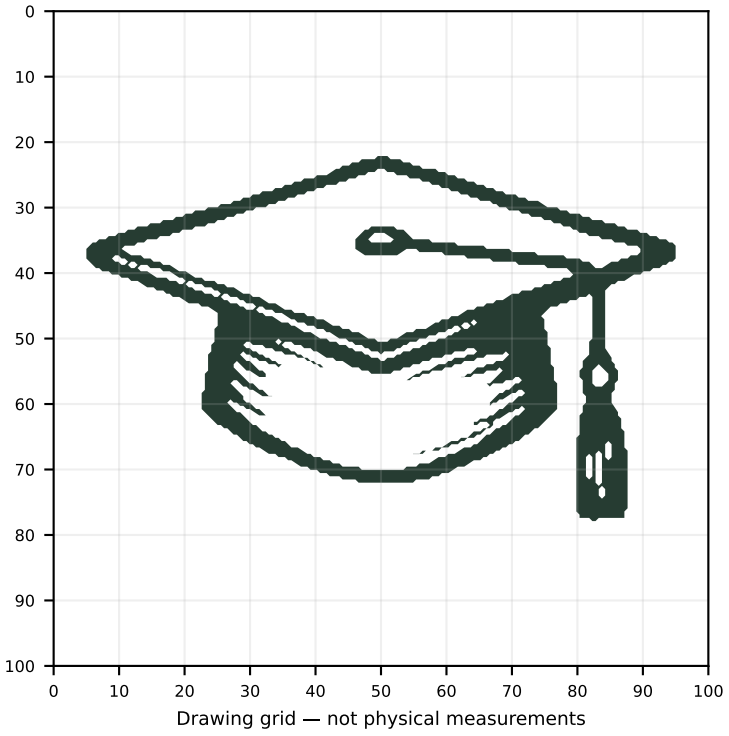

METHOD: Draw a diamond shape to represent the flat square top board in perspective. Add a rounded, curved shape beneath the diamond for the fitted base of the cap. Draw a small circle at the center of the top board and a line extending to the right edge. Attach a hanging tassel with a knot and fringe to the end of the line.
Use the separate practice sheet before checking the answer.

How to Draw Graduation Cap — Free Practice Sheets

REFERENCE / CASE 4

graduation cap: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a diamond shape to represent the flat square top board in perspective. Add a rounded, curved shape beneath the diamond for the fitted base of the cap. Draw a small circle at the center of the top board and a line extending to the right edge. Attach a hanging tassel with a knot and fringe to the end of the line.
Use the separate practice sheet before checking the answer.
