How to Draw Paper Bag — Free Practice Sheets

REFERENCE / CASE 1

paper bag: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

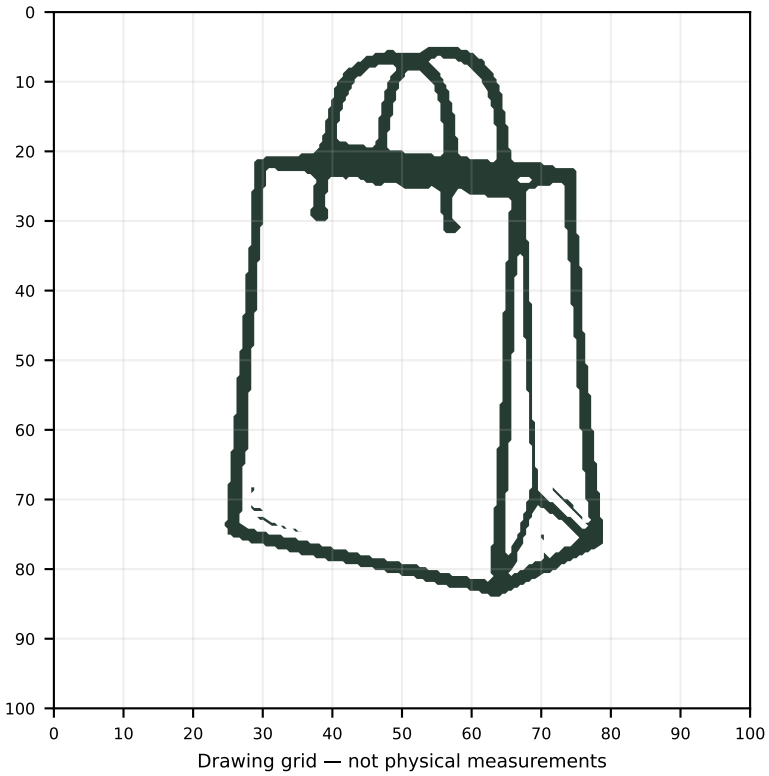

METHOD: Draw the front rectangular face of the bag with a slight taper toward the top. Add the side panel as a narrower quadrilateral attached to the right edge to show depth. Draw the flat base as a short angled line connecting the bottom corners. Add the crumpled top edge and two loop handles attached at the top.
Use the separate practice sheet before checking the answer.

How to Draw Paper Bag — Free Practice Sheets

REFERENCE / CASE 2

paper bag: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

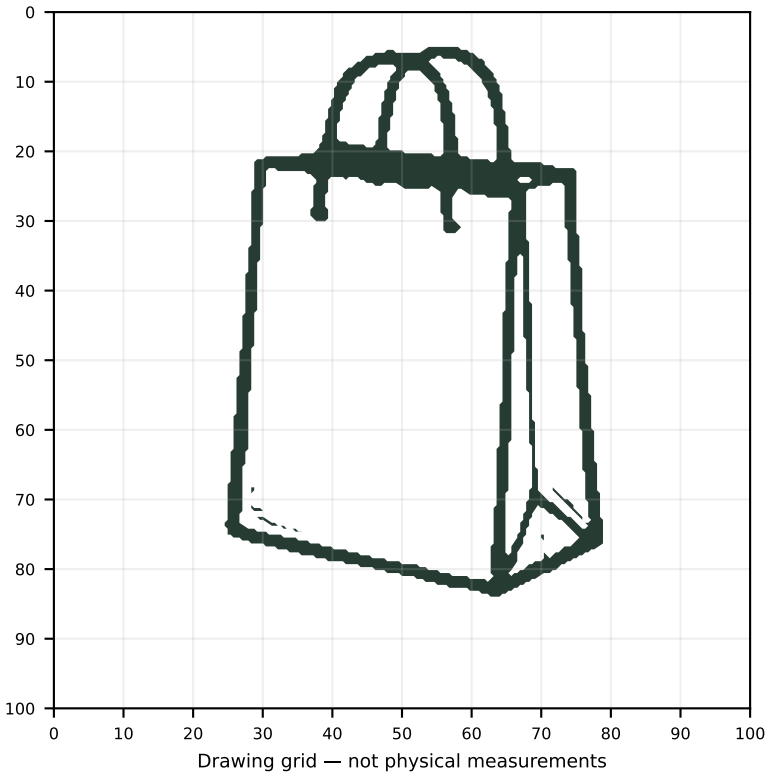

METHOD: Draw the front rectangular face of the bag with a slight taper toward the top. Add the side panel as a narrower quadrilateral attached to the right edge to show depth. Draw the flat base as a short angled line connecting the bottom corners. Add the crumpled top edge and two loop handles attached at the top.
Use the separate practice sheet before checking the answer.

How to Draw Paper Bag — Free Practice Sheets

REFERENCE / CASE 3

paper bag: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

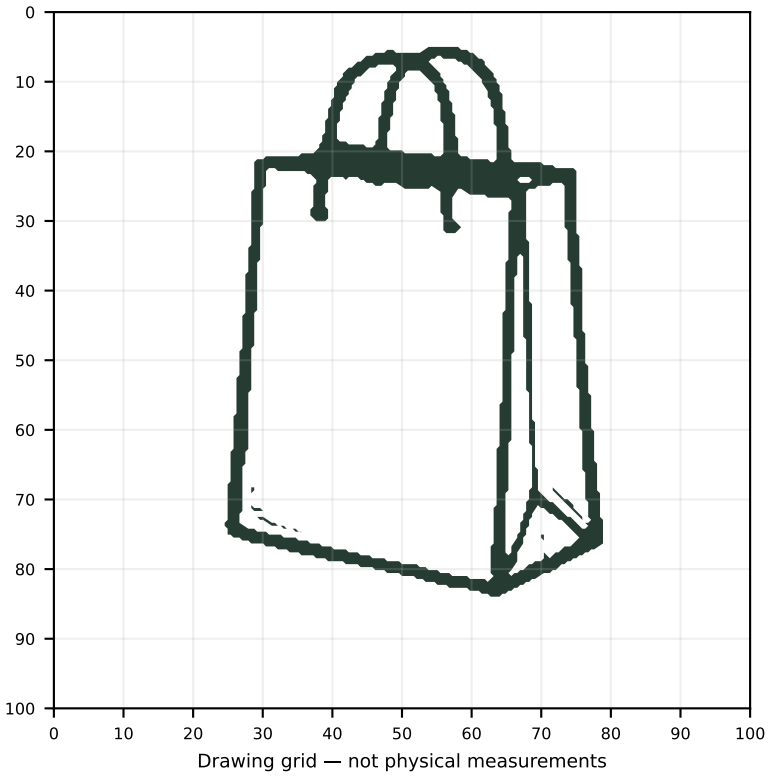

METHOD: Draw the front rectangular face of the bag with a slight taper toward the top. Add the side panel as a narrower quadrilateral attached to the right edge to show depth. Draw the flat base as a short angled line connecting the bottom corners. Add the crumpled top edge and two loop handles attached at the top.
Use the separate practice sheet before checking the answer.

How to Draw Paper Bag — Free Practice Sheets

REFERENCE / CASE 4

paper bag: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the front rectangular face of the bag with a slight taper toward the top. Add the side panel as a narrower quadrilateral attached to the right edge to show depth. Draw the flat base as a short angled line connecting the bottom corners. Add the crumpled top edge and two loop handles attached at the top.
Use the separate practice sheet before checking the answer.
