How to Draw Stove — Free Practice Sheets

REFERENCE / CASE 1

stove: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

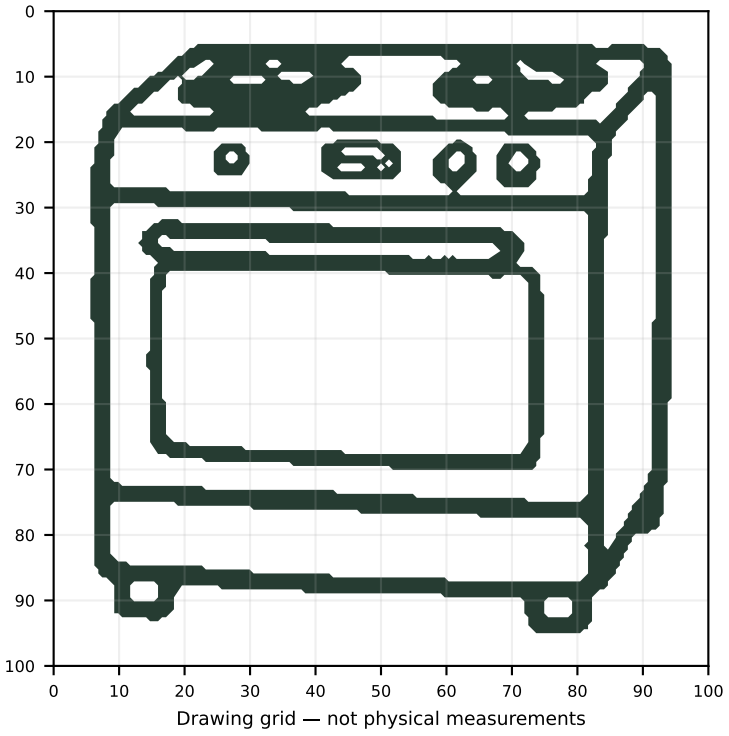

METHOD: Draw a rectangular box for the stove body in slight perspective. Add a flat top surface and draw two circular burners on it. Draw a horizontal control panel below the cooktop and add small knobs. Draw a large rectangular oven door with a horizontal handle, then add small feet at the bottom.
Use the separate practice sheet before checking the answer.

How to Draw Stove — Free Practice Sheets

REFERENCE / CASE 2

stove: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

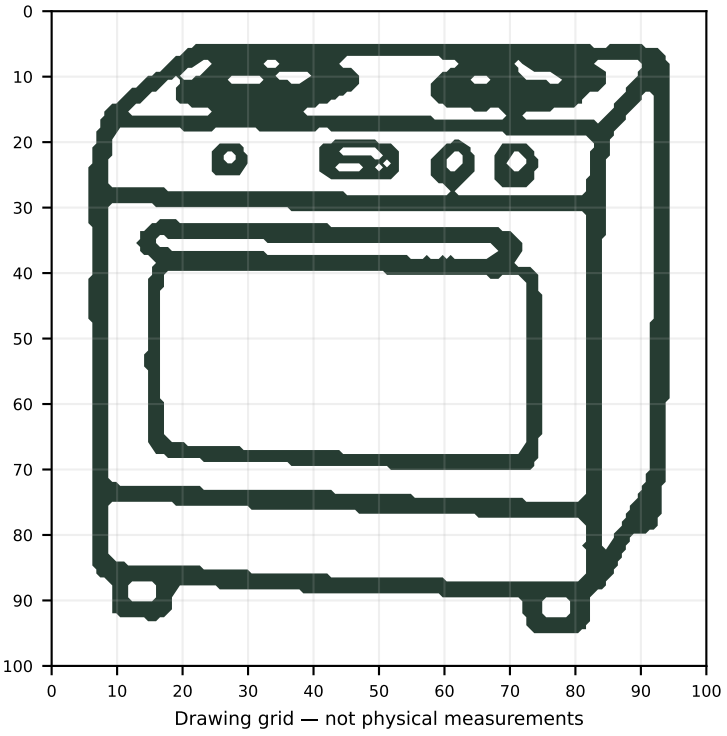

METHOD: Draw a rectangular box for the stove body in slight perspective. Add a flat top surface and draw two circular burners on it. Draw a horizontal control panel below the cooktop and add small knobs. Draw a large rectangular oven door with a horizontal handle, then add small feet at the bottom.
Use the separate practice sheet before checking the answer.

How to Draw Stove — Free Practice Sheets

REFERENCE / CASE 3

stove: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

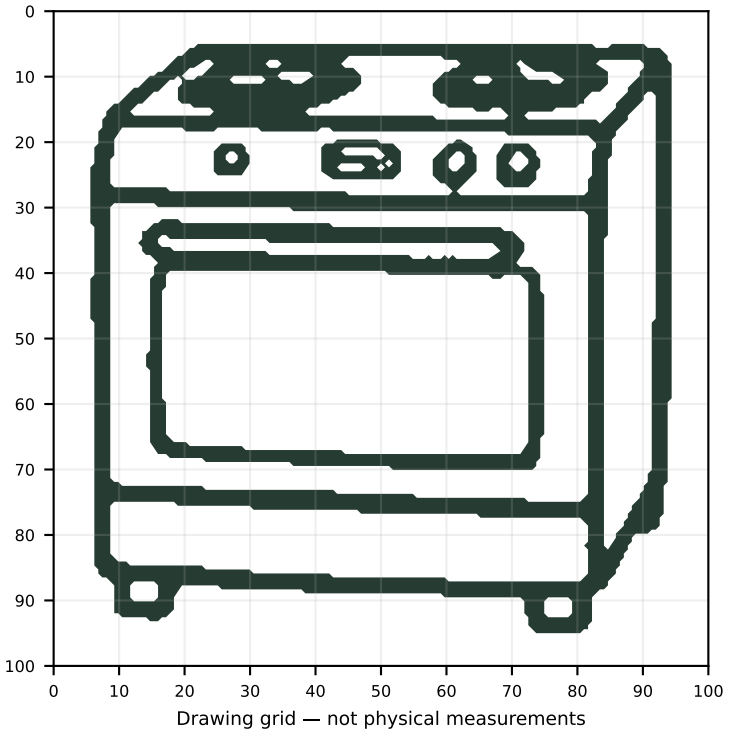

METHOD: Draw a rectangular box for the stove body in slight perspective. Add a flat top surface and draw two circular burners on it. Draw a horizontal control panel below the cooktop and add small knobs. Draw a large rectangular oven door with a horizontal handle, then add small feet at the bottom.
Use the separate practice sheet before checking the answer.

How to Draw Stove — Free Practice Sheets

REFERENCE / CASE 4

stove: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a rectangular box for the stove body in slight perspective. Add a flat top surface and draw two circular burners on it. Draw a horizontal control panel below the cooktop and add small knobs. Draw a large rectangular oven door with a horizontal handle, then add small feet at the bottom.
Use the separate practice sheet before checking the answer.
