How to Draw Totem Pole — Free Practice Sheets

REFERENCE / CASE 1

totem pole: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

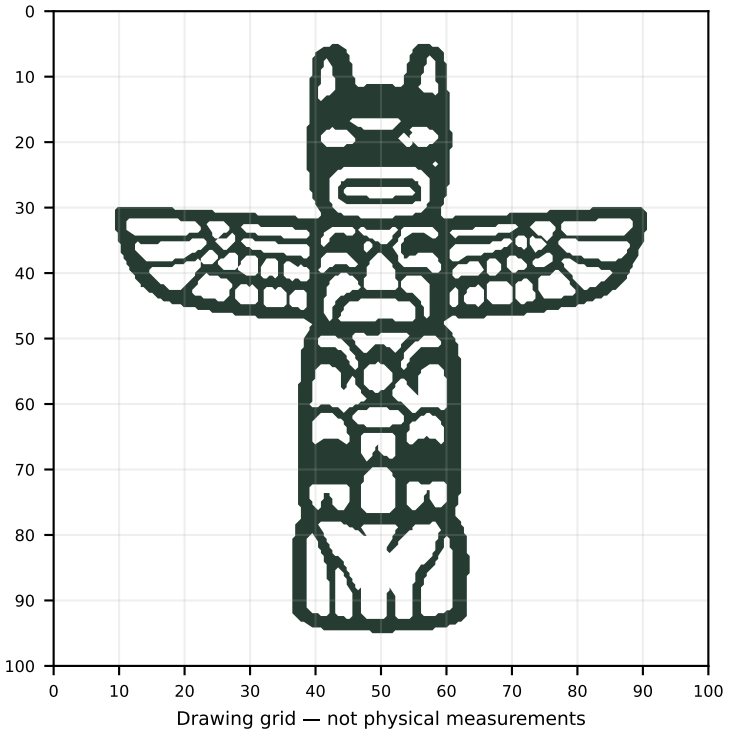

METHOD: Draw a tall vertical rectangle to establish the totem pole's central column. Add a large animal head at the top with pointed ears, eyes, and a wide snout. Attach symmetrical wings with feather lines extending outward from the upper body. Stack additional carved face and body shapes down the column, finishing with a rounded base.
Use the separate practice sheet before checking the answer.
