How to Draw Bell — Free Practice Sheets

ANSWER / CASE 1

bell: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

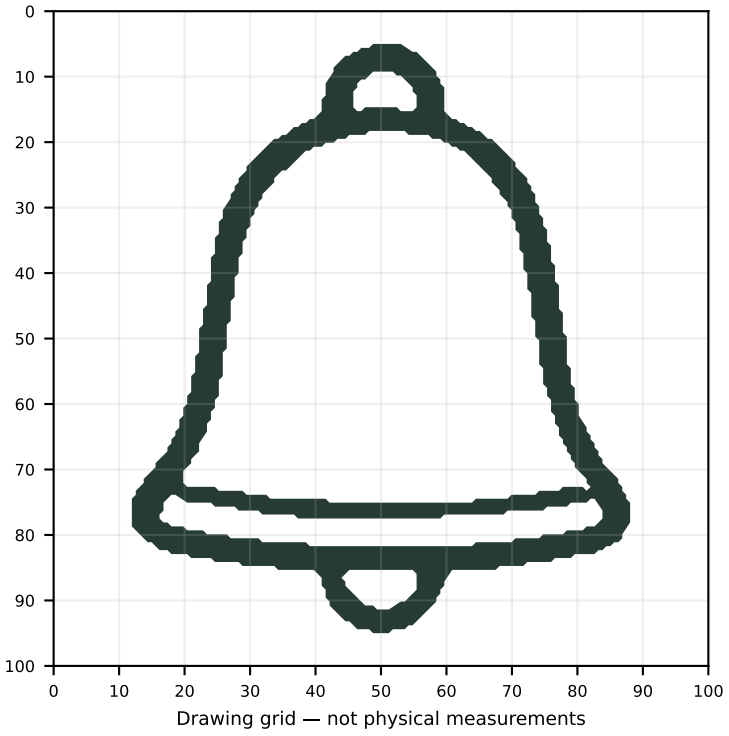

ANSWER: Example solution: preserve flared cup shape with a wide bottom rim, small loop handle on top, clapper hanging below the bottom rim. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded loop at the top for the handle.
2. From the base of the loop, draw two curved sides that widen downward into a flared cup shape.
3. Add a horizontal band near the bottom to form the rim.
4. Draw a small rounded clapper hanging below the rim.

How to Draw Bell — Free Practice Sheets

ANSWER / CASE 2

bell: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

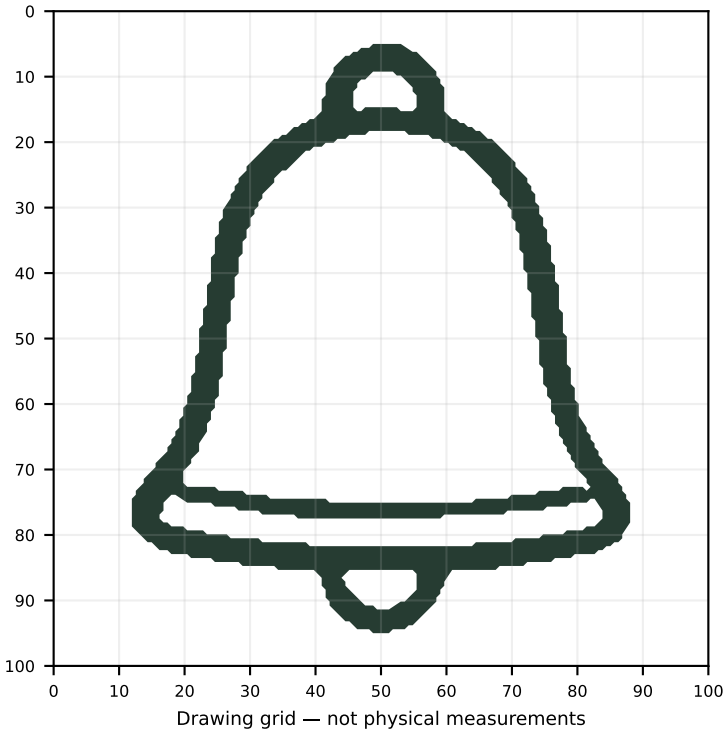

ANSWER: Example solution: preserve flared cup shape with a wide bottom rim, small loop handle on top, clapper hanging below the bottom rim. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded loop at the top for the handle.
2. From the base of the loop, draw two curved sides that widen downward into a flared cup shape.
3. Add a horizontal band near the bottom to form the rim.
4. Draw a small rounded clapper hanging below the rim.

ANSWER / CASE 3

bell: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

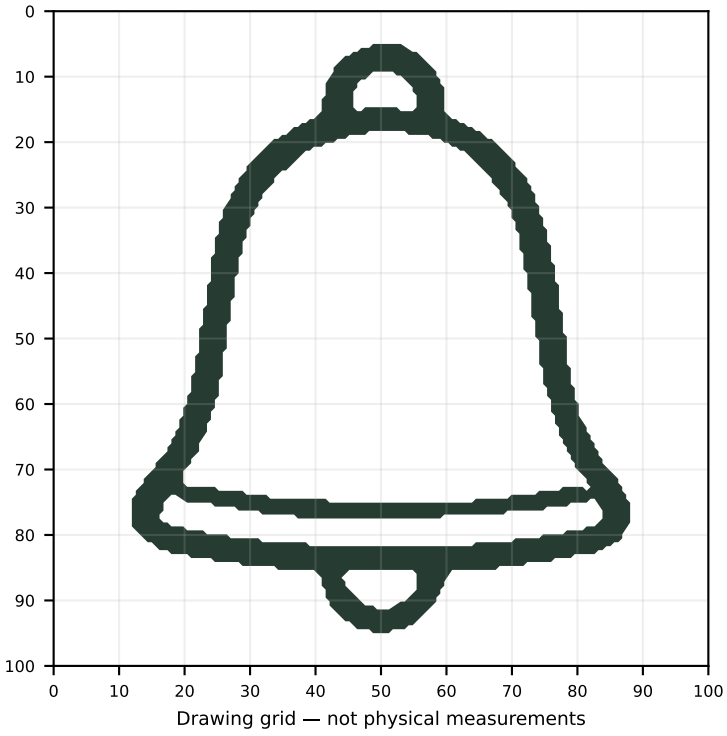

ANSWER: Example solution: preserve flared cup shape with a wide bottom rim, small loop handle on top, clapper hanging below the bottom rim. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded loop at the top for the handle.
2. From the base of the loop, draw two curved sides that widen downward into a flared cup shape.
3. Add a horizontal band near the bottom to form the rim.
4. Draw a small rounded clapper hanging below the rim.

How to Draw Bell — Free Practice Sheets

ANSWER / CASE 4

bell: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve flared cup shape with a wide bottom rim, small loop handle on top, clapper hanging below the bottom rim. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a small rounded loop at the top for the handle.
2. From the base of the loop, draw two curved sides that widen downward into a flared cup shape.
3. Add a horizontal band near the bottom to form the rim.
4. Draw a small rounded clapper hanging below the rim.
