How to Draw Crayon Box — Free Practice Sheets

REFERENCE / CASE 1

crayon box: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

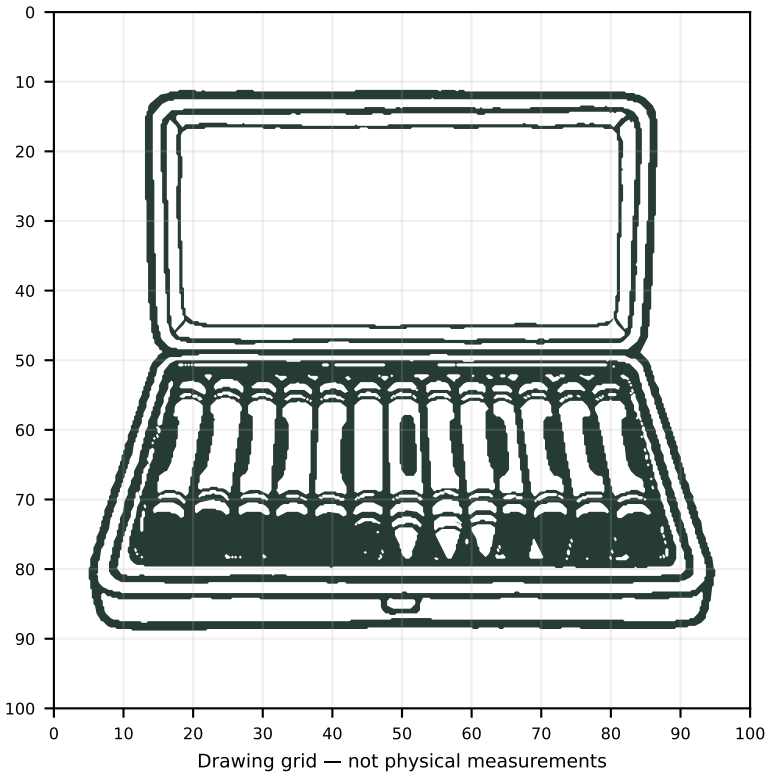

METHOD: Draw a large rectangle for the open lid and a smaller rectangle below for the box base. Add a horizontal line across the base to form the front rim and a small tab at the bottom center. Draw a row of vertical crayon bodies inside the base, spacing them evenly. Add pointed tips to the bottom of each crayon and a small oval label on each body.
Use the separate practice sheet before checking the answer.
