How to Draw Laptop — Free Practice Sheets

REFERENCE / CASE 1

laptop: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

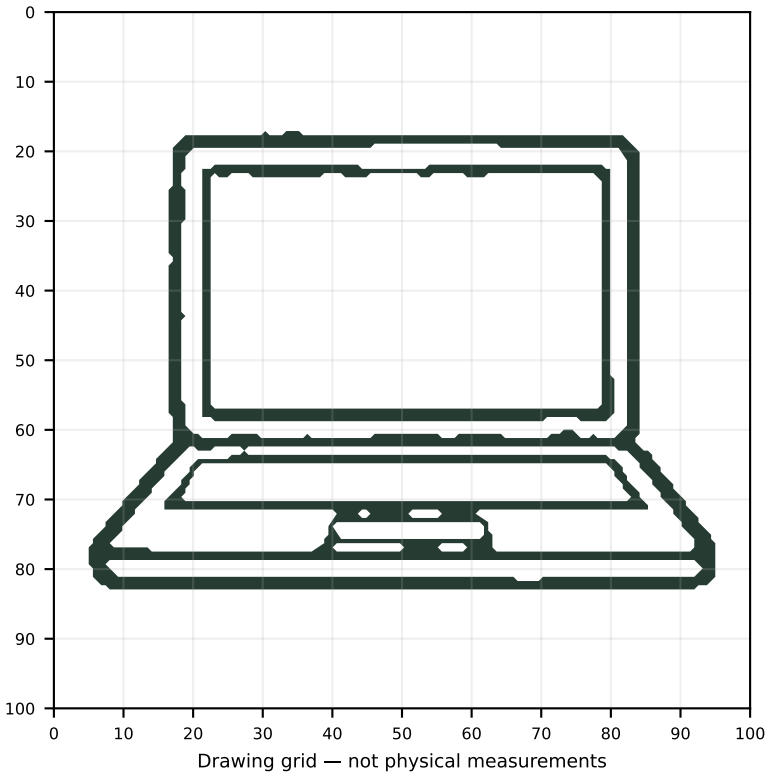

METHOD: Draw a large rounded rectangle for the screen outline, then add a smaller inner rectangle for the display area. Draw a wider trapezoid below the screen for the keyboard base, with the top edge narrower than the bottom. Add a horizontal line at the bottom of the screen to indicate the hinge connection. Draw a small rectangle centered on the keyboard base for the trackpad, and optionally add a thin rectangle for the keyboard area. Use the separate practice sheet before checking the answer.

REFERENCE / CASE 3

laptop: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

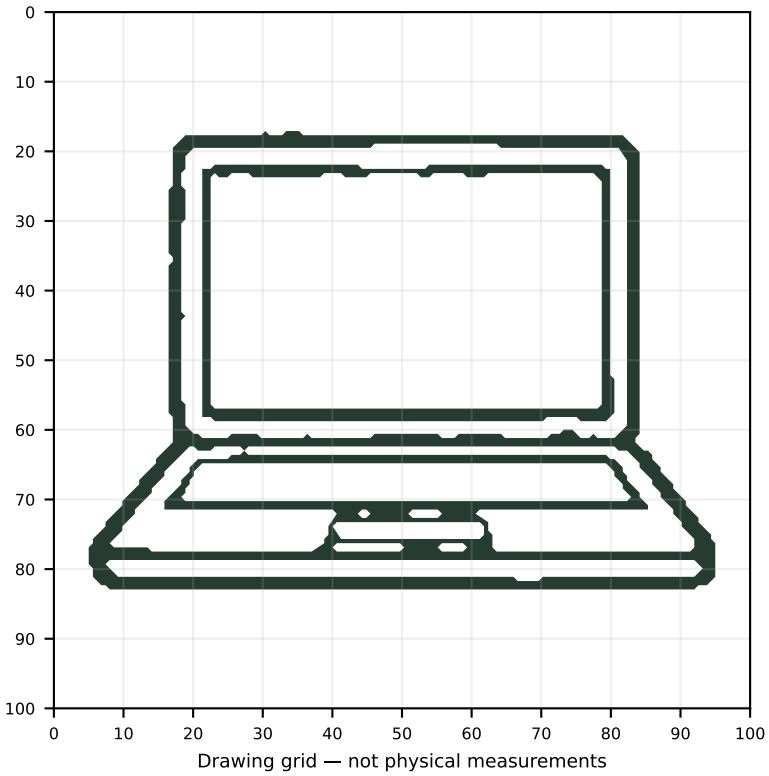

METHOD: Draw a large rounded rectangle for the screen outline, then add a smaller inner rectangle for the display area. Draw a wider trapezoid below the screen for the keyboard base, with the top edge narrower than the bottom. Add a horizontal line at the bottom of the screen to indicate the hinge connection. Draw a small rectangle centered on the keyboard base for the trackpad, and optionally add a thin rectangle for the keyboard area. Use the separate practice sheet before checking the answer.

How to Draw Laptop — Free Practice Sheets

REFERENCE / CASE 4

laptop: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large rounded rectangle for the screen outline, then add a smaller inner rectangle for the display area. Draw a wider trapezoid below the screen for the keyboard base, with the top edge narrower than the bottom. Add a horizontal line at the bottom of the screen to indicate the hinge connection. Draw a small rectangle centered on the keyboard base for the trackpad, and optionally add a thin rectangle for the keyboard area. Use the separate practice sheet before checking the answer.
