How to Draw Park Bench — Free Practice Sheets

REFERENCE / CASE 1

park bench: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

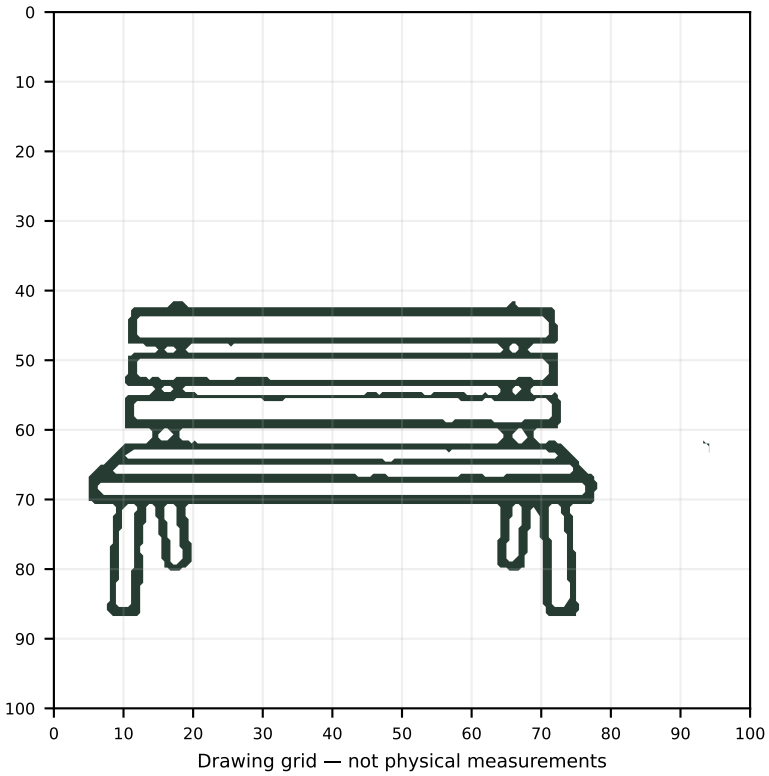

METHOD: Draw a wide horizontal rectangle for the seat base. Add three parallel horizontal boards above the seat for the backrest. Draw two legs on the left and two legs on the right, angled slightly outward. Outline the seat and backrest boards with clean double lines to show slats.
Use the separate practice sheet before checking the answer.
