How to Draw Toolbox — Free Practice Sheets

REFERENCE / CASE 1

toolbox: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

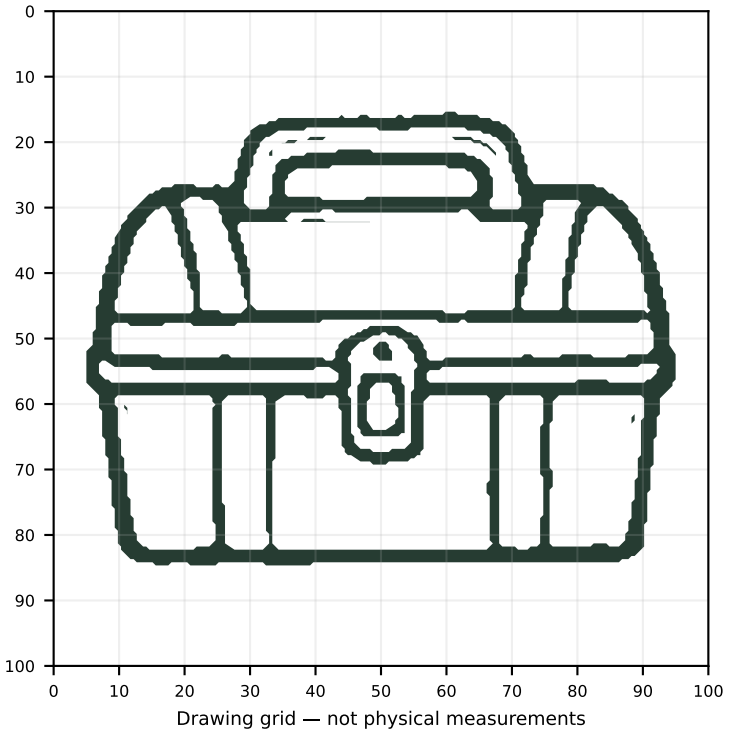

METHOD: Draw a wide rounded rectangle for the main body. Add a horizontal line across the upper third to separate the lid from the base. Draw the top carry handle as a rounded arch above the lid. Add the front latch centered on the lid seam and vertical rib lines on the body sides.
Use the separate practice sheet before checking the answer.

How to Draw Toolbox — Free Practice Sheets

REFERENCE / CASE 2

toolbox: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

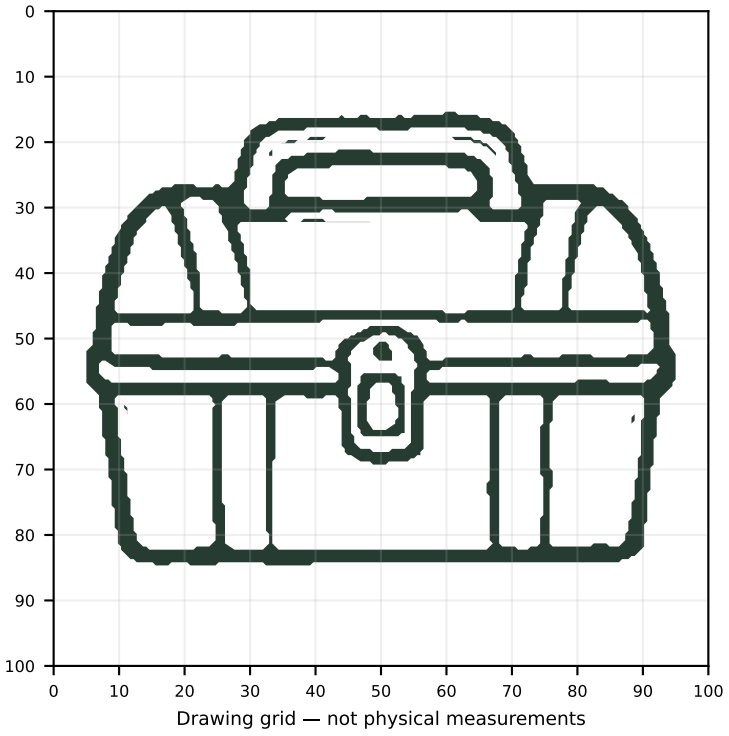

METHOD: Draw a wide rounded rectangle for the main body. Add a horizontal line across the upper third to separate the lid from the base. Draw the top carry handle as a rounded arch above the lid. Add the front latch centered on the lid seam and vertical rib lines on the body sides.
Use the separate practice sheet before checking the answer.

How to Draw Toolbox — Free Practice Sheets

REFERENCE / CASE 3

toolbox: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

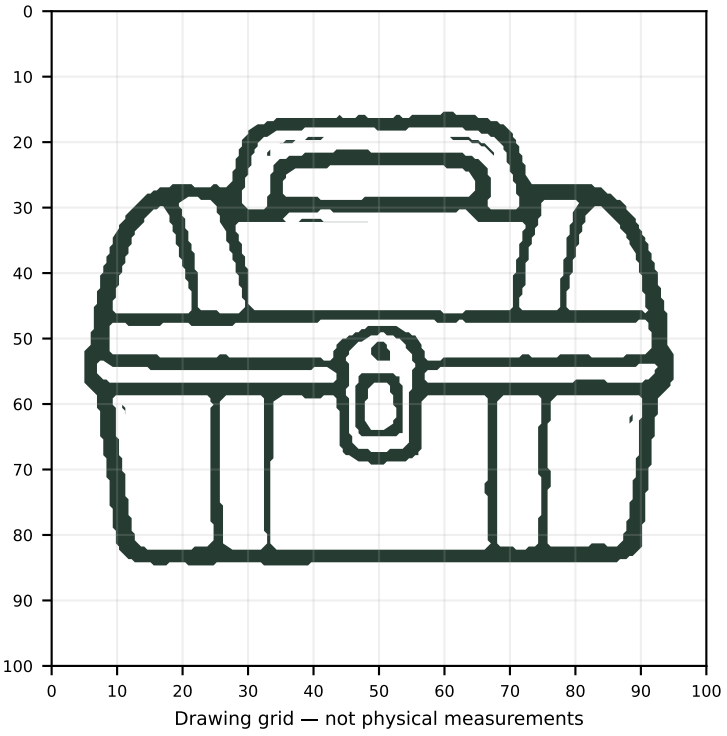

METHOD: Draw a wide rounded rectangle for the main body. Add a horizontal line across the upper third to separate the lid from the base. Draw the top carry handle as a rounded arch above the lid. Add the front latch centered on the lid seam and vertical rib lines on the body sides.
Use the separate practice sheet before checking the answer.

How to Draw Toolbox — Free Practice Sheets

REFERENCE / CASE 4

toolbox: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a wide rounded rectangle for the main body. Add a horizontal line across the upper third to separate the lid from the base. Draw the top carry handle as a rounded arch above the lid. Add the front latch centered on the lid seam and vertical rib lines on the body sides.
Use the separate practice sheet before checking the answer.
