How to Draw Trampoline — Free Practice Sheets

REFERENCE / CASE 1

trampoline: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

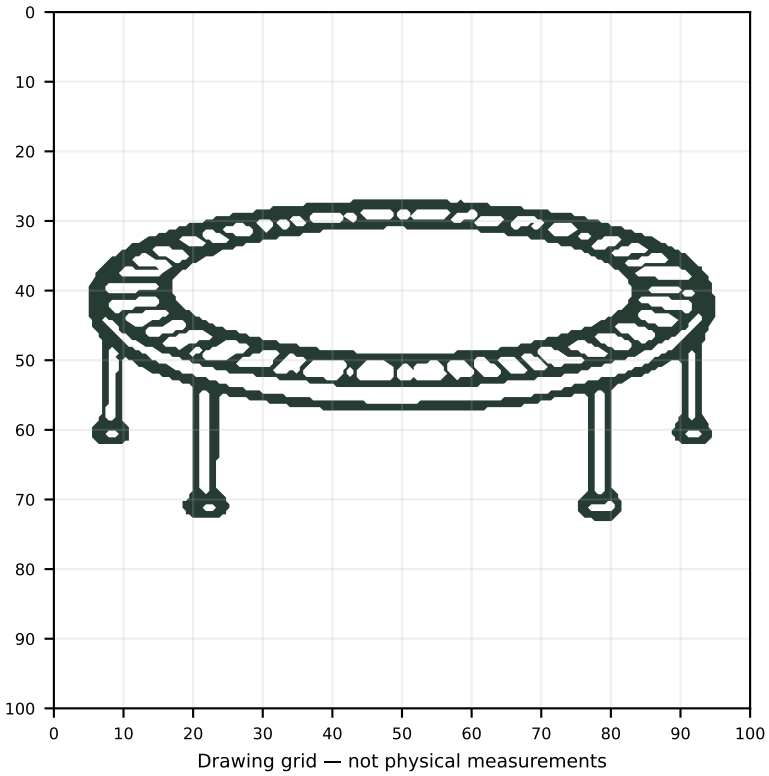

METHOD: Draw a large ellipse for the circular mat, keeping the inner area open. Add a second slightly larger ellipse around it to form the frame edge. Draw short radial lines between the two ellipses all the way around to indicate springs. Add four vertical legs below the frame, each ending in a small rounded foot.
Use the separate practice sheet before checking the answer.

How to Draw Trampoline — Free Practice Sheets

REFERENCE / CASE 2

trampoline: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

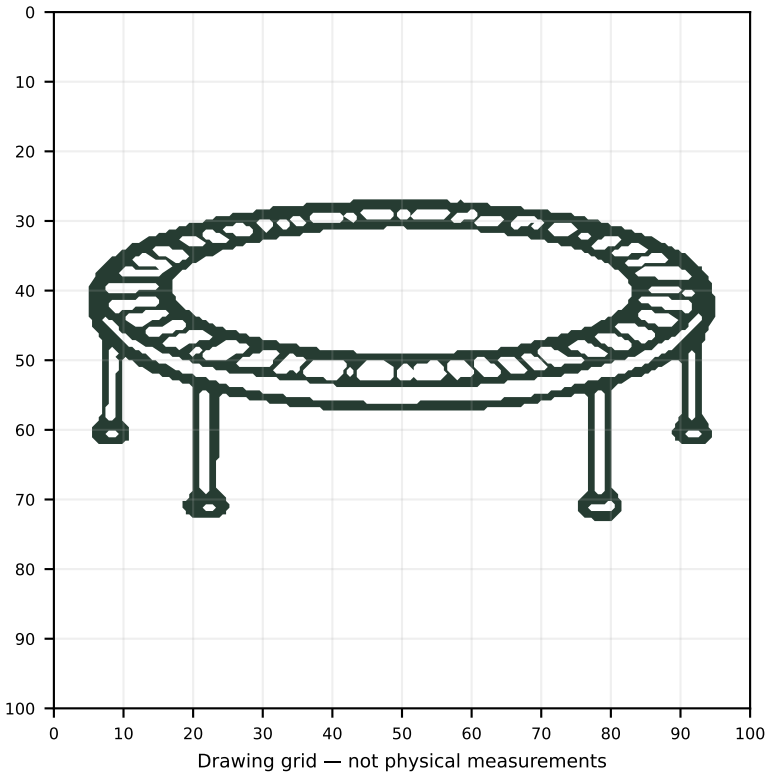

METHOD: Draw a large ellipse for the circular mat, keeping the inner area open. Add a second slightly larger ellipse around it to form the frame edge. Draw short radial lines between the two ellipses all the way around to indicate springs. Add four vertical legs below the frame, each ending in a small rounded foot.
Use the separate practice sheet before checking the answer.

How to Draw Trampoline — Free Practice Sheets

REFERENCE / CASE 3

trampoline: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

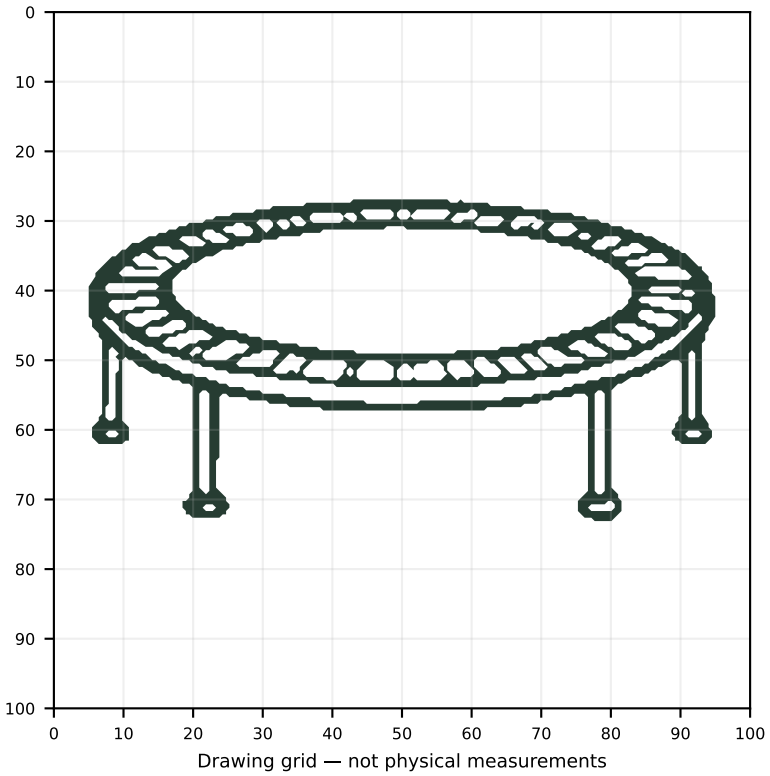

METHOD: Draw a large ellipse for the circular mat, keeping the inner area open. Add a second slightly larger ellipse around it to form the frame edge. Draw short radial lines between the two ellipses all the way around to indicate springs. Add four vertical legs below the frame, each ending in a small rounded foot.
Use the separate practice sheet before checking the answer.

How to Draw Trampoline — Free Practice Sheets

REFERENCE / CASE 4

trampoline: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large ellipse for the circular mat, keeping the inner area open. Add a second slightly larger ellipse around it to form the frame edge. Draw short radial lines between the two ellipses all the way around to indicate springs. Add four vertical legs below the frame, each ending in a small rounded foot.
Use the separate practice sheet before checking the answer.
