How to Draw Treasure Chest — Free Practice Sheets

ANSWER / CASE 1

treasure chest: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

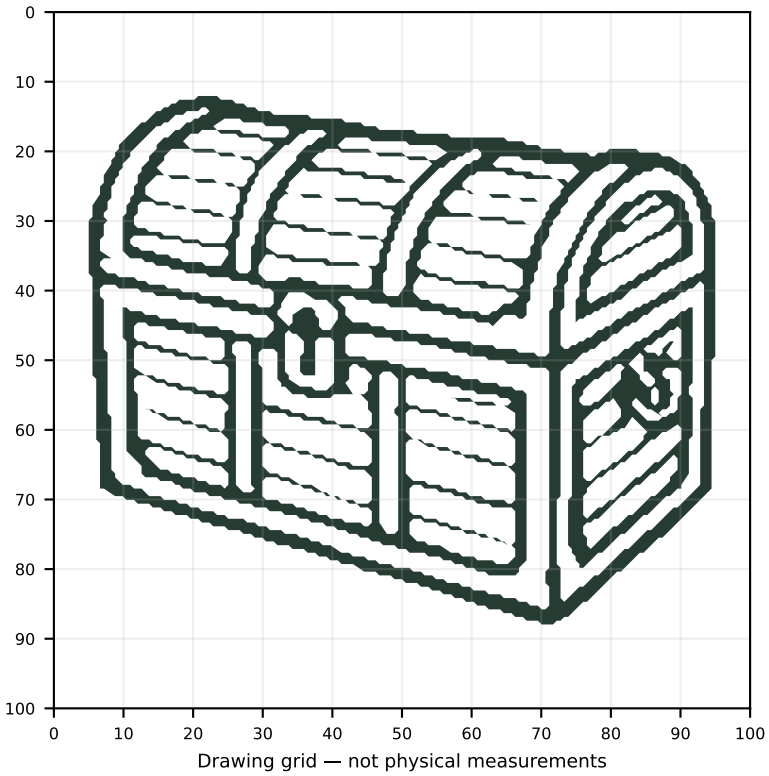

ANSWER: Example solution: preserve rounded domed lid with horizontal plank lines, rectangular base with vertical plank divisions, metal bands crossing the lid and base plus a front lock plate. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the rectangular front face and side face of the base in perspective.
2. Add the curved domed lid above the base, following the same perspective.
3. Draw vertical plank lines on the base and horizontal plank lines on the lid.
4. Add the metal bands, front lock plate, and side handle ring.

How to Draw Treasure Chest — Free Practice Sheets

ANSWER / CASE 2

treasure chest: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

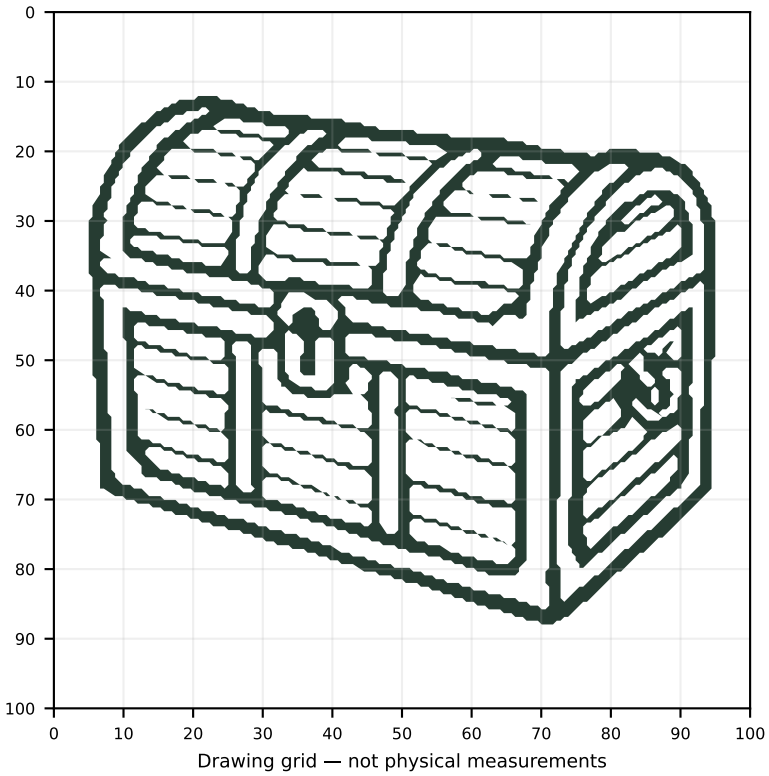

ANSWER: Example solution: preserve rounded domed lid with horizontal plank lines, rectangular base with vertical plank divisions, metal bands crossing the lid and base plus a front lock plate. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the rectangular front face and side face of the base in perspective.
2. Add the curved domed lid above the base, following the same perspective.
3. Draw vertical plank lines on the base and horizontal plank lines on the lid.
4. Add the metal bands, front lock plate, and side handle ring.

How to Draw Treasure Chest — Free Practice Sheets

ANSWER / CASE 3

treasure chest: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

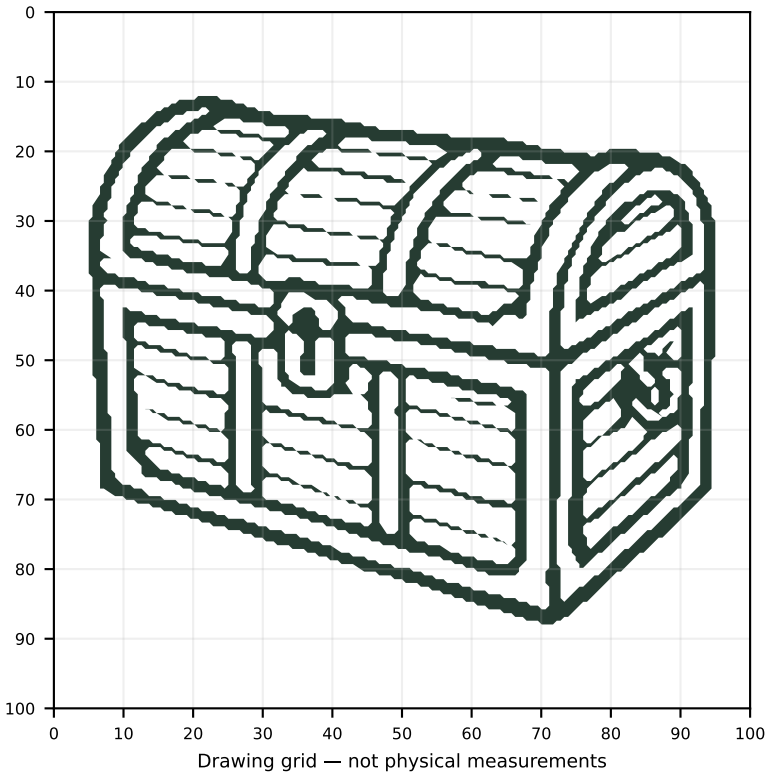

ANSWER: Example solution: preserve rounded domed lid with horizontal plank lines, rectangular base with vertical plank divisions, metal bands crossing the lid and base plus a front lock plate. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the rectangular front face and side face of the base in perspective.
2. Add the curved domed lid above the base, following the same perspective.
3. Draw vertical plank lines on the base and horizontal plank lines on the lid.
4. Add the metal bands, front lock plate, and side handle ring.

How to Draw Treasure Chest — Free Practice Sheets

ANSWER / CASE 4

treasure chest: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve rounded domed lid with horizontal plank lines, rectangular base with vertical plank divisions, metal bands crossing the lid and base plus a front lock plate. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the rectangular front face and side face of the base in perspective.
2. Add the curved domed lid above the base, following the same perspective.
3. Draw vertical plank lines on the base and horizontal plank lines on the lid.
4. Add the metal bands, front lock plate, and side handle ring.
