How to Draw Treasure Chest — Free Practice Sheets

REFERENCE / CASE 1

treasure chest: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

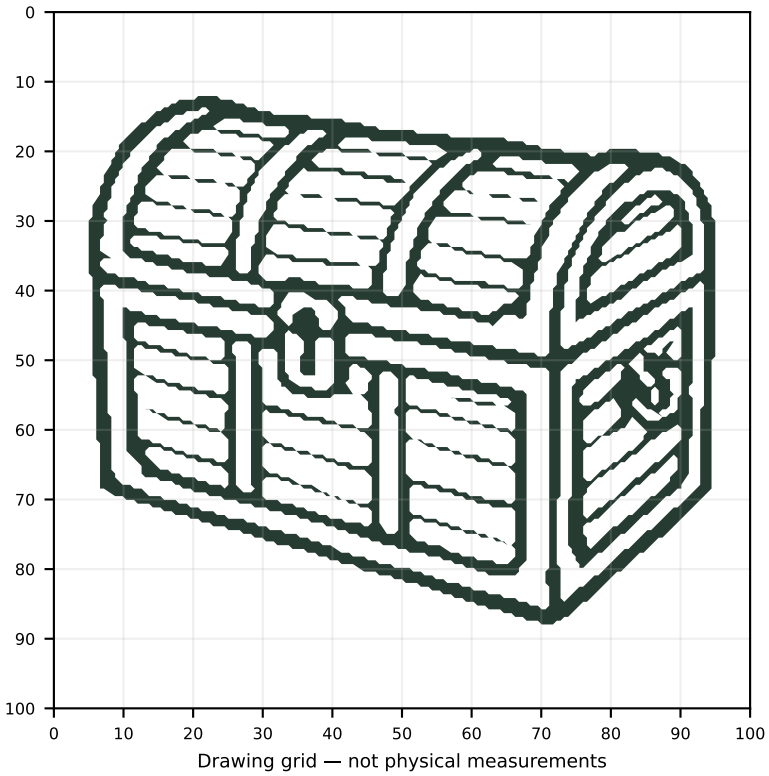

METHOD: Draw the rectangular front face and side face of the base in perspective. Add the curved domed lid above the base, following the same perspective. Draw vertical plank lines on the base and horizontal plank lines on the lid. Add the metal bands, front lock plate, and side handle ring.
Use the separate practice sheet before checking the answer.
