How to Draw Watch — Free Practice Sheets

REFERENCE / CASE 1

watch: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

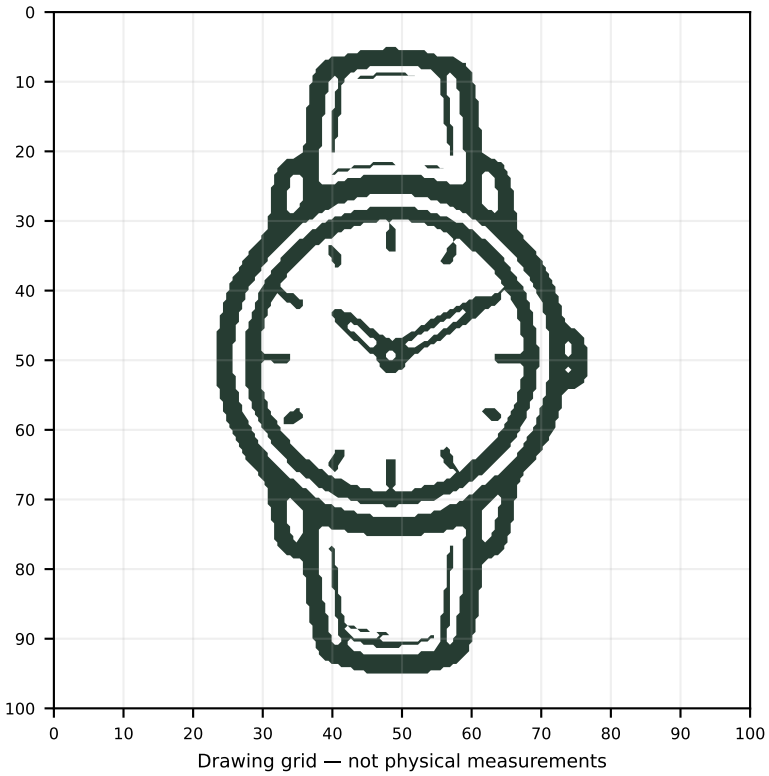

METHOD: Draw a large circle for the watch face and a slightly larger outer ring for the case. Add short radial tick marks around the inside of the face to indicate hour positions. Draw two straight hands from the center: a longer minute hand and a shorter hour hand. Extend a rectangular band above and below the case, then add a small rounded crown on the right edge.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 3

watch: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

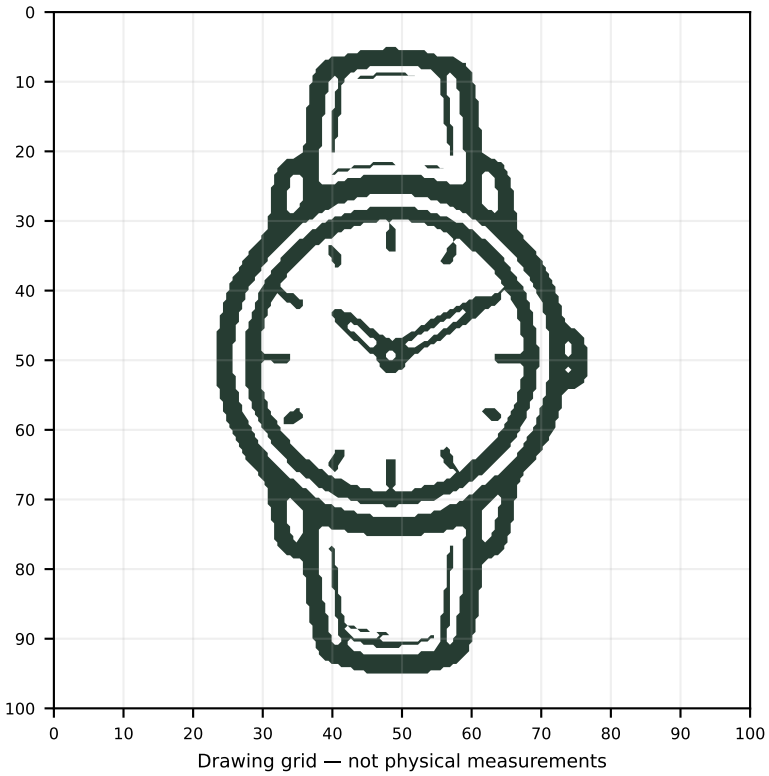

METHOD: Draw a large circle for the watch face and a slightly larger outer ring for the case. Add short radial tick marks around the inside of the face to indicate hour positions. Draw two straight hands from the center: a longer minute hand and a shorter hour hand. Extend a rectangular band above and below the case, then add a small rounded crown on the right edge.
Use the separate practice sheet before checking the answer.

How to Draw Watch — Free Practice Sheets

REFERENCE / CASE 4

watch: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large circle for the watch face and a slightly larger outer ring for the case. Add short radial tick marks around the inside of the face to indicate hour positions. Draw two straight hands from the center: a longer minute hand and a shorter hour hand. Extend a rectangular band above and below the case, then add a small rounded crown on the right edge.
Use the separate practice sheet before checking the answer.
