How to Draw Eraser — Free Practice Sheets

REFERENCE / CASE 1

eraser: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

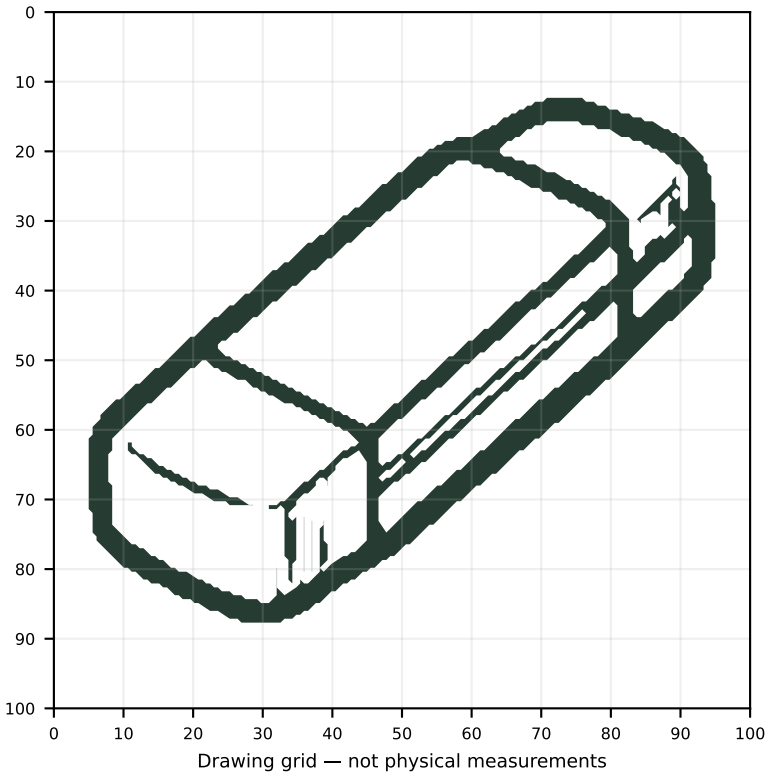

METHOD: Draw a long rounded rectangle in perspective to form the eraser body. Add a narrower band across the middle to represent the paper sleeve. Draw the visible end face and side edges to give the block depth. Outline the sleeve edges and body contours with clean line work.
Use the separate practice sheet before checking the answer.

How to Draw Eraser — Free Practice Sheets

REFERENCE / CASE 2

eraser: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

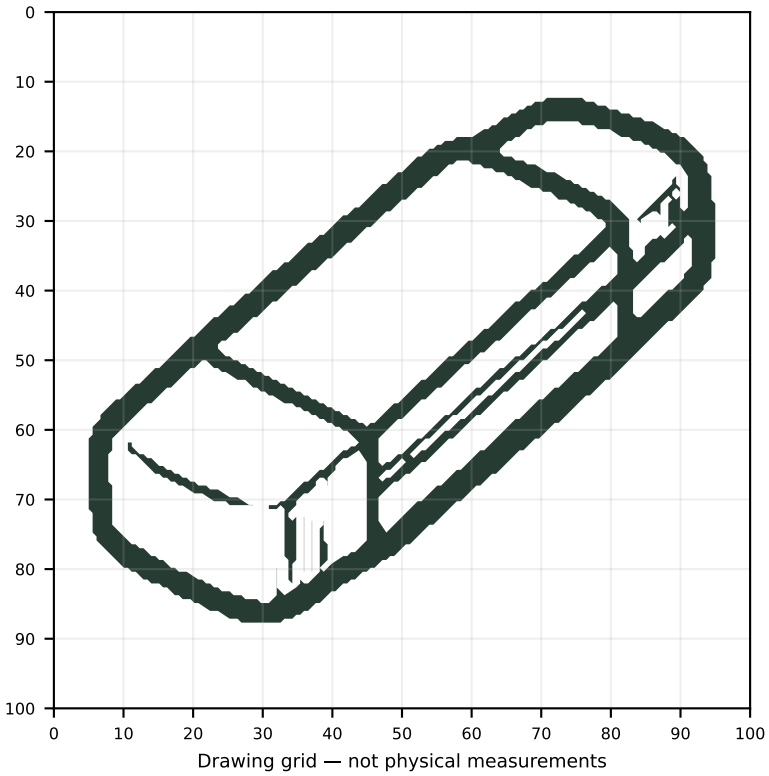

METHOD: Draw a long rounded rectangle in perspective to form the eraser body. Add a narrower band across the middle to represent the paper sleeve. Draw the visible end face and side edges to give the block depth. Outline the sleeve edges and body contours with clean line work.
Use the separate practice sheet before checking the answer.
