How to Draw Sleeping Bag — Free Practice Sheets

REFERENCE / CASE 1

sleeping bag: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

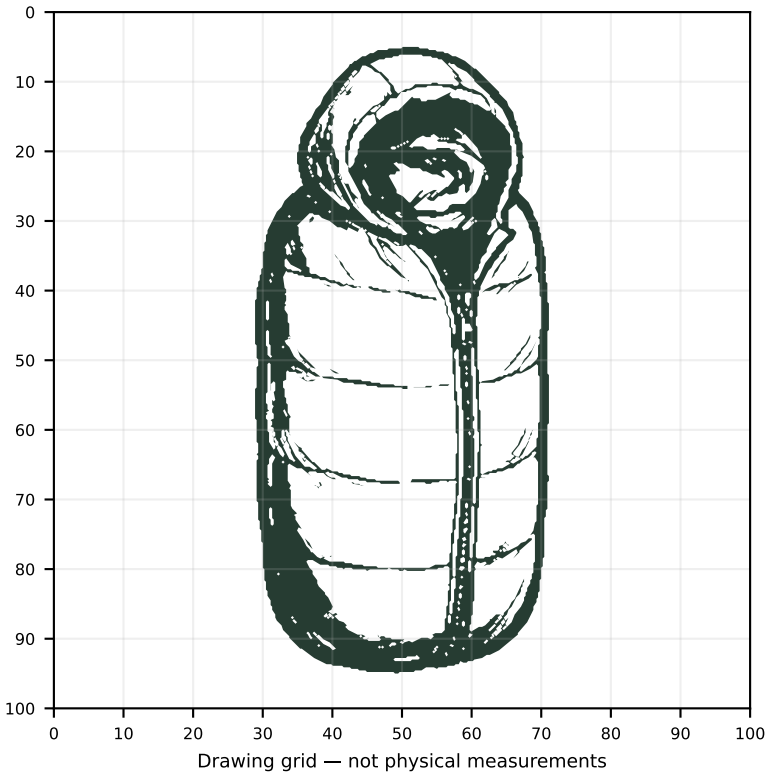

METHOD: Draw a tall rounded rectangle for the main body, slightly wider at the bottom. Add a vertical zipper line down the center front from the hood to the base. Draw horizontal curved seam lines across the body to suggest quilted padding. At the top, sketch a folded hood opening with overlapping rolled fabric layers.
Use the separate practice sheet before checking the answer.

How to Draw Sleeping Bag — Free Practice Sheets

REFERENCE / CASE 2

sleeping bag: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

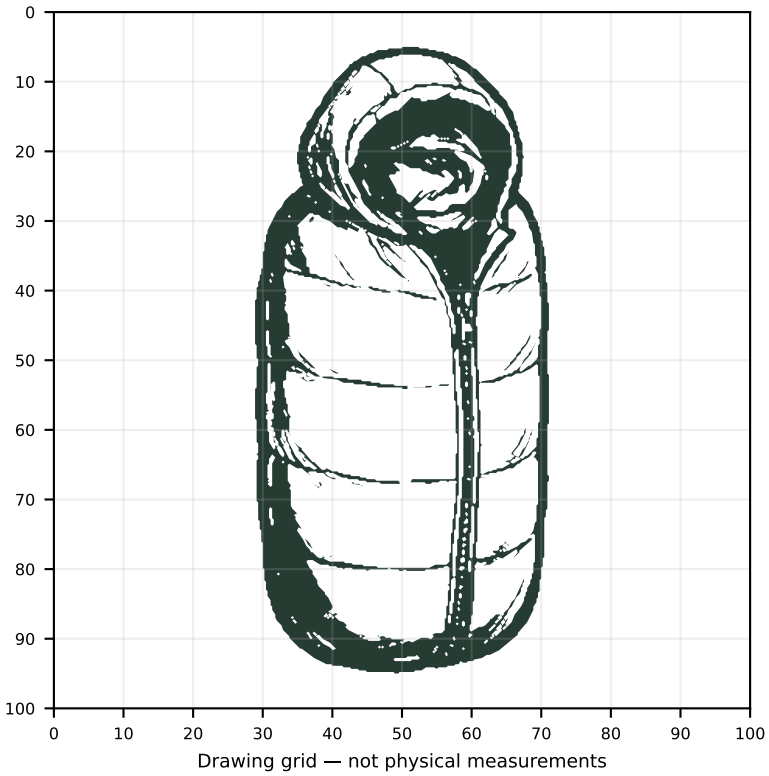

METHOD: Draw a tall rounded rectangle for the main body, slightly wider at the bottom. Add a vertical zipper line down the center front from the hood to the base. Draw horizontal curved seam lines across the body to suggest quilted padding. At the top, sketch a folded hood opening with overlapping rolled fabric layers.
Use the separate practice sheet before checking the answer.
