How to Draw Typewriter — Free Practice Sheets

REFERENCE / CASE 1

typewriter: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

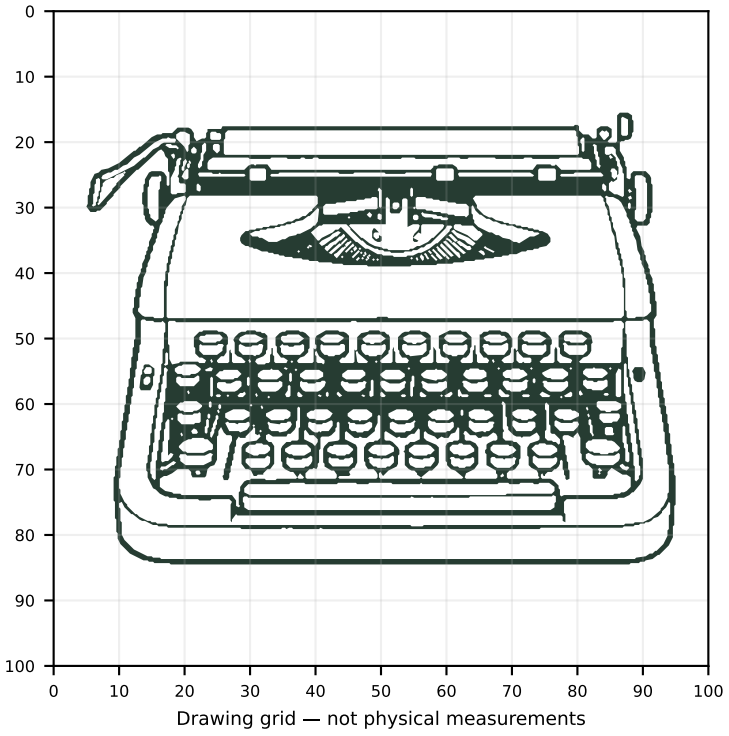

METHOD: Draw the rounded rectangular body outline with a wider base and narrower top. Add the top carriage assembly: horizontal bar, paper roller, and side knobs/lever. Draw the central type guide area with curved arms above the key grid. Fill the lower body with rows of round keys and a long front space bar.
Use the separate practice sheet before checking the answer.
