How to Draw Wallet — Free Practice Sheets

REFERENCE / CASE 1

wallet: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

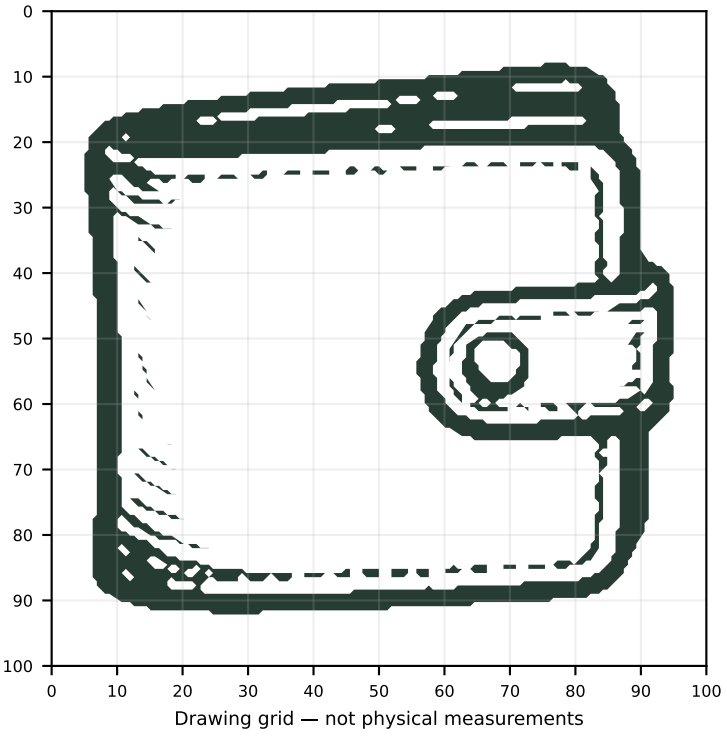

METHOD: Draw a rounded rectangle for the main folded body, slightly wider than tall. Add a second offset outline along the top edge to show the fold/back panel. Draw a small rounded tab extending from the right edge and place a circle inside it for the snap. Add dashed stitch lines just inside the outer edges and around the tab.
Use the separate practice sheet before checking the answer.
