How to Draw Anvil — Free Practice Sheets

REFERENCE / CASE 1

anvil: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

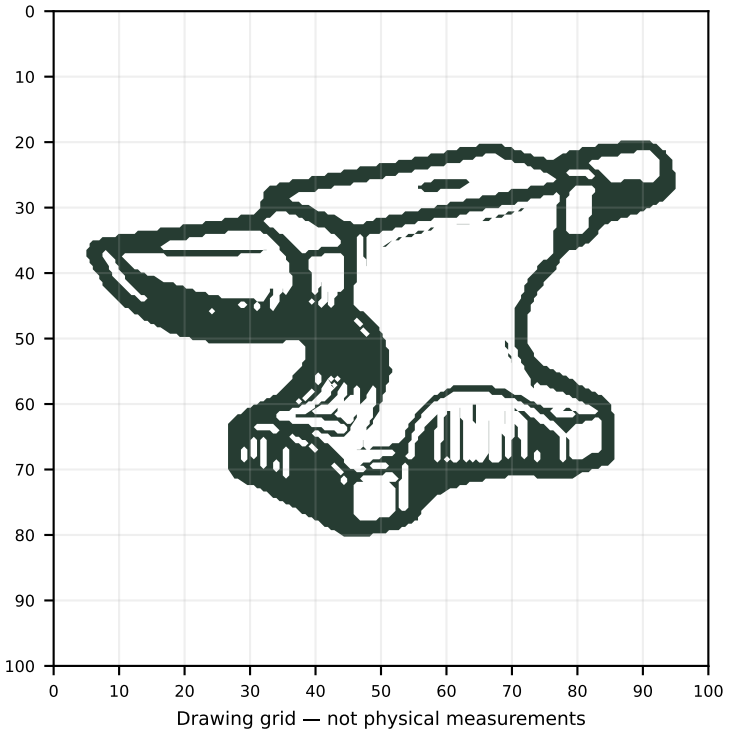

METHOD: Draw the flat top face as a long rectangle with a small circle near the center. Add the curved horn on the left side, tapering from the top face to a point. Draw the tapered waist and flared base beneath the top face, widening toward the bottom. Add the short rectangular heel extension on the right side of the top face.
Use the separate practice sheet before checking the answer.
