How to Draw Mitten — Free Practice Sheets

ANSWER / CASE 1

mitten: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

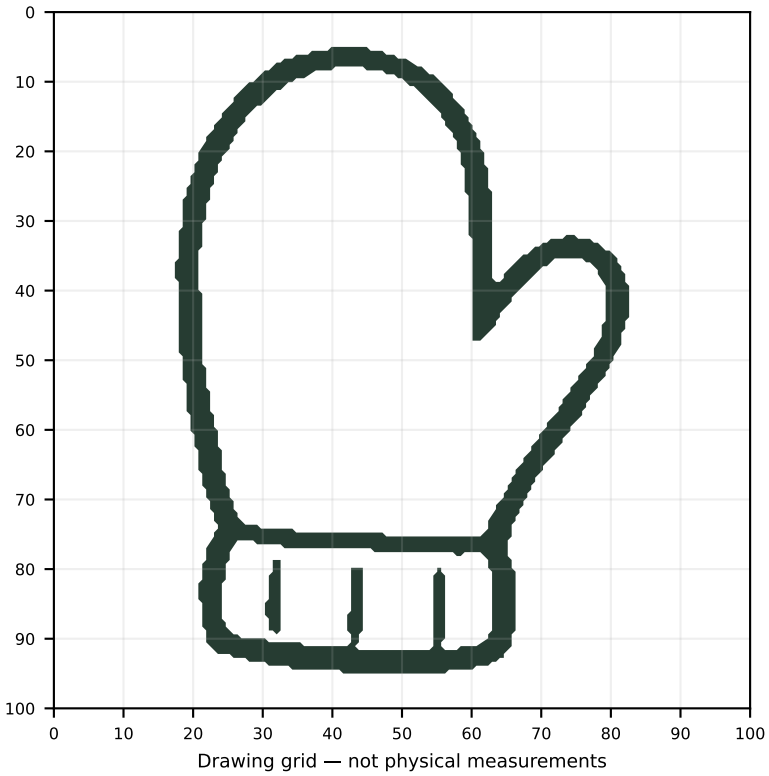

ANSWER: Example solution: preserve single thumb pocket protruding from the right side, rounded hand pouch forming the main body, cuffed wrist opening with vertical line details. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large rounded U-shape for the main hand pouch.
2. Add a smaller rounded thumb pocket on the right side, connecting it smoothly to the main pouch.
3. Draw a rectangular cuff at the bottom, slightly wider than the pouch base.
4. Add three short vertical lines inside the cuff to indicate ribbing.
