How to Draw Rocking Chair — Free Practice Sheets

REFERENCE / CASE 1

rocking chair: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

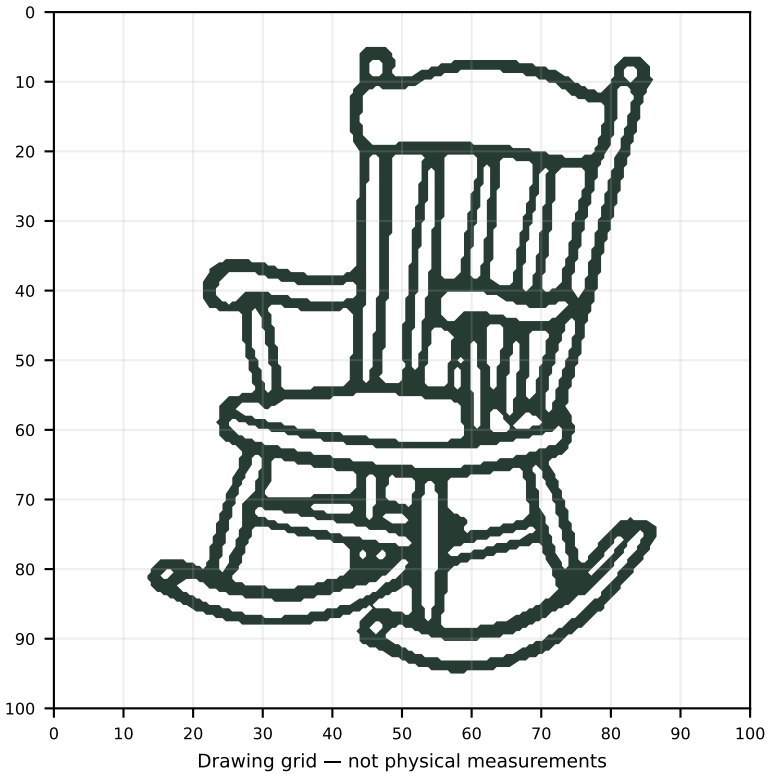

METHOD: Draw the two curved rocker runners as parallel arcs at the bottom. Add the four legs connecting the runners to the seat, with cross-bracing between them. Draw the seat as a rounded horizontal shape above the legs. Add the backrest with vertical slats and a curved top rail, then attach the armrests to the seat and back.
Use the separate practice sheet before checking the answer.
