How to Draw Hammock — Free Practice Sheets

REFERENCE / CASE 1

hammock: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

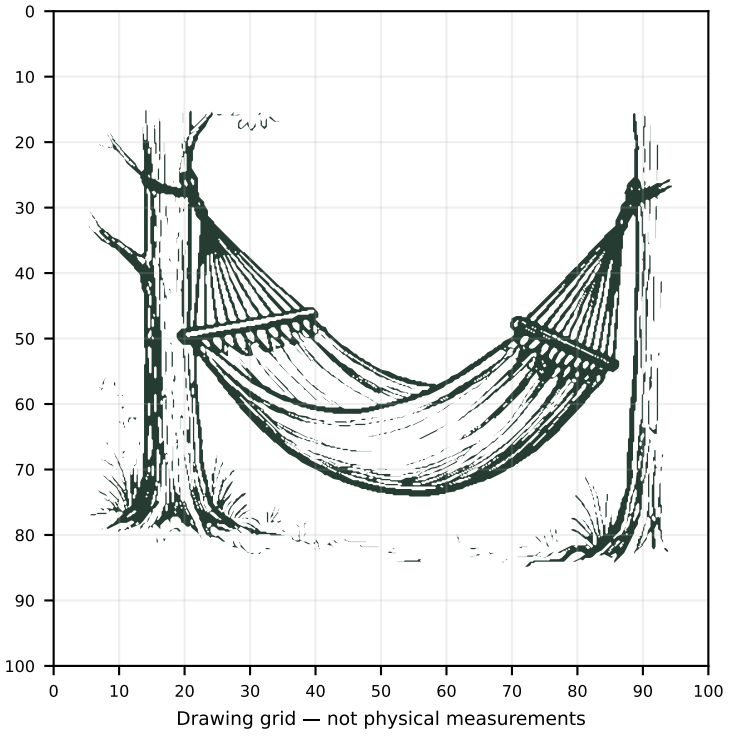

METHOD: Draw two vertical tree trunks with simple bark lines and ground grass at their bases. Sketch a wide U-shaped curve for the sagging hammock fabric between the trunks. Add spreader bars at each end of the fabric and fan-shaped suspension ropes tying to the trunks. Outline the fabric with layered curved lines to show the sagging body and hanging edge.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 3

hammock: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

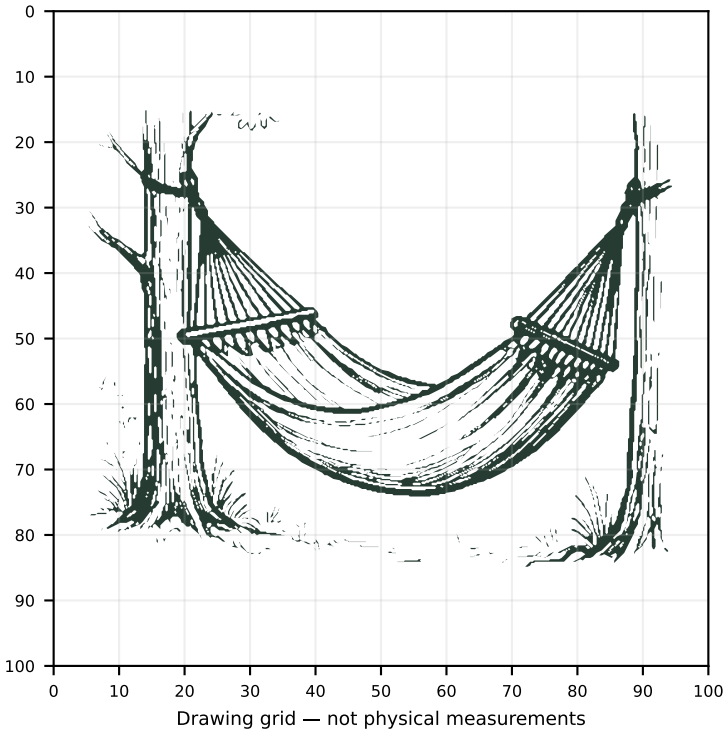

METHOD: Draw two vertical tree trunks with simple bark lines and ground grass at their bases. Sketch a wide U-shaped curve for the sagging hammock fabric between the trunks. Add spreader bars at each end of the fabric and fan-shaped suspension ropes tying to the trunks. Outline the fabric with layered curved lines to show the sagging body and hanging edge.
Use the separate practice sheet before checking the answer.

How to Draw Hammock — Free Practice Sheets

REFERENCE / CASE 4

hammock: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw two vertical tree trunks with simple bark lines and ground grass at their bases. Sketch a wide U-shaped curve for the sagging hammock fabric between the trunks. Add spreader bars at each end of the fabric and fan-shaped suspension ropes tying to the trunks. Outline the fabric with layered curved lines to show the sagging body and hanging edge.
Use the separate practice sheet before checking the answer.
