How to Draw Jug — Free Practice Sheets

ANSWER / CASE 1

jug: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

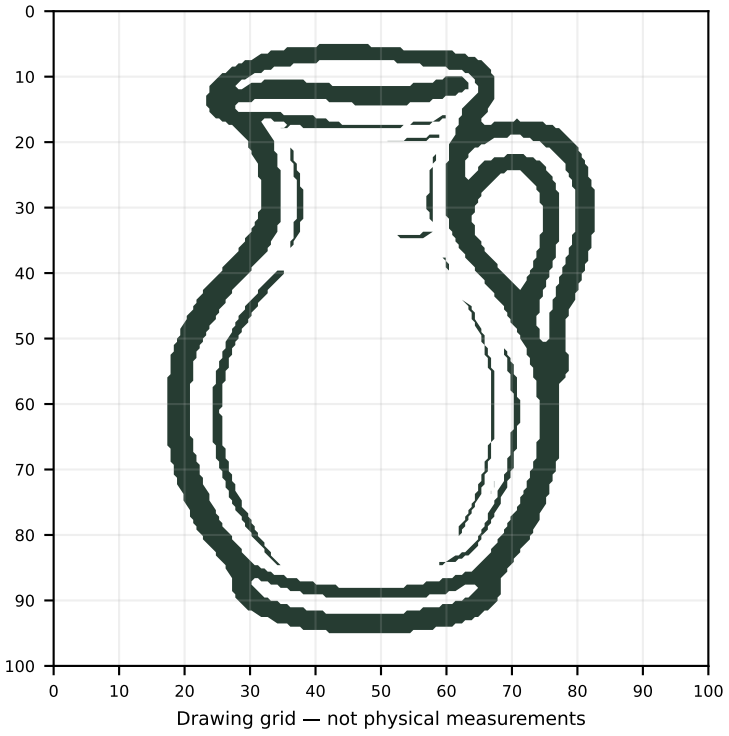

ANSWER: Example solution: preserve rounded bulbous body, curved handle attached to the right side, narrow neck with a flared rim/spout. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a vertical oval for the rounded body.
2. Add a narrower neck on top with a flared rim.
3. Attach a curved handle to the right side connecting neck and body.
4. Add a base line and outline the silhouette with thick strokes.

How to Draw Jug — Free Practice Sheets

ANSWER / CASE 2

jug: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

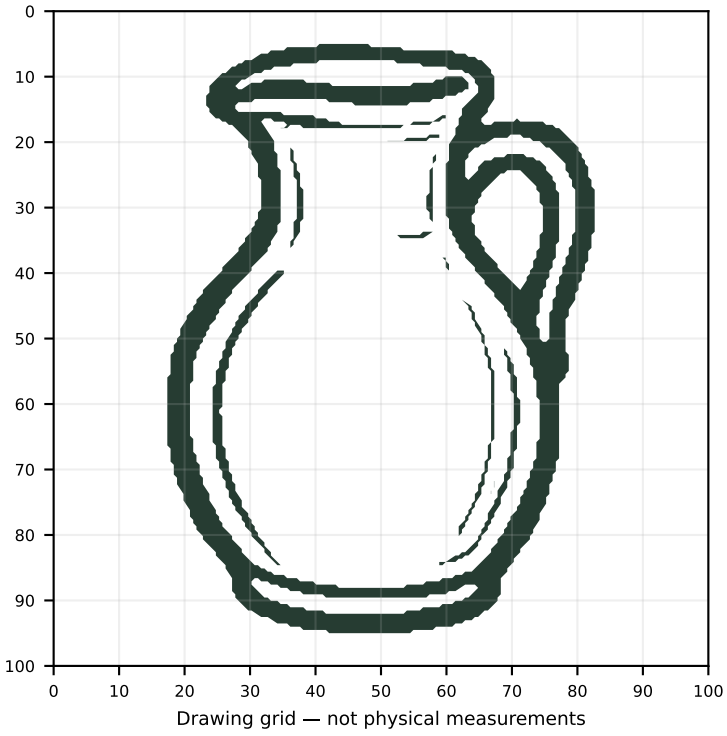

ANSWER: Example solution: preserve rounded bulbous body, curved handle attached to the right side, narrow neck with a flared rim/spout. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a vertical oval for the rounded body.
2. Add a narrower neck on top with a flared rim.
3. Attach a curved handle to the right side connecting neck and body.
4. Add a base line and outline the silhouette with thick strokes.

How to Draw Jug — Free Practice Sheets

ANSWER / CASE 3

jug: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

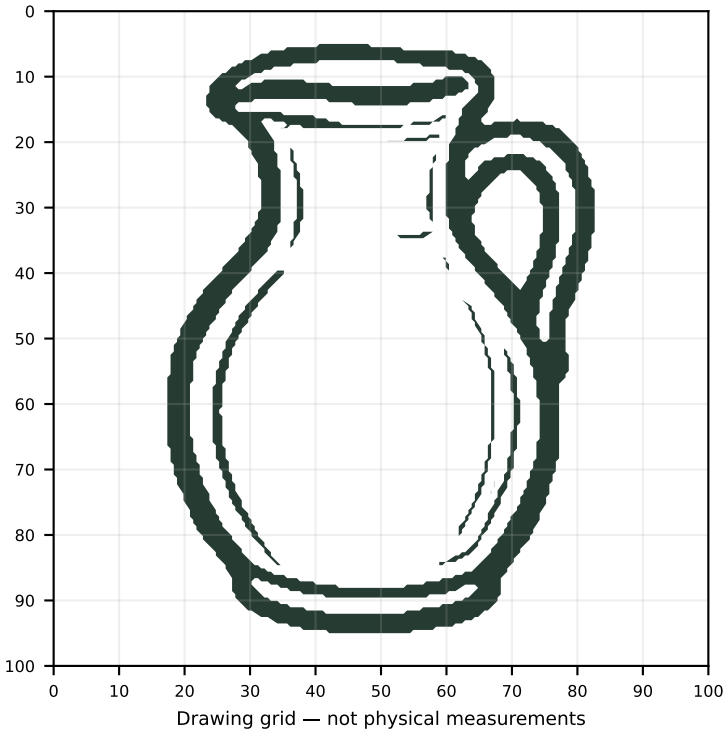

ANSWER: Example solution: preserve rounded bulbous body, curved handle attached to the right side, narrow neck with a flared rim/spout. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a vertical oval for the rounded body.
2. Add a narrower neck on top with a flared rim.
3. Attach a curved handle to the right side connecting neck and body.
4. Add a base line and outline the silhouette with thick strokes.

How to Draw Jug — Free Practice Sheets

ANSWER / CASE 4

jug: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve rounded bulbous body, curved handle attached to the right side, narrow neck with a flared rim/spout. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a vertical oval for the rounded body.
2. Add a narrower neck on top with a flared rim.
3. Attach a curved handle to the right side connecting neck and body.
4. Add a base line and outline the silhouette with thick strokes.
