How to Draw Razor — Free Practice Sheets

REFERENCE / CASE 1

razor: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

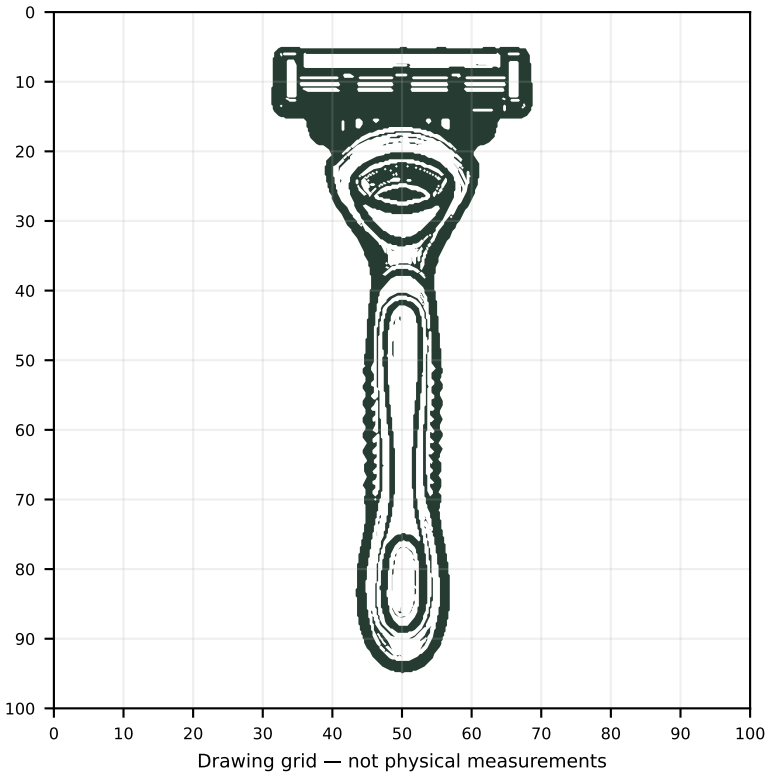

METHOD: Draw a wide horizontal rectangle for the blade head, adding parallel horizontal lines inside and small end caps. Below the head, sketch a rounded oval pivot joint with a central oval detail. Draw the handle as a long tapered shape narrowing at the top and widening at the bottom. Add grip ridges along the handle sides and an oval inset near the bottom for detail.
Use the separate practice sheet before checking the answer.
