How to Draw Vintage Camera — Free Practice Sheets

REFERENCE / CASE 1

vintage camera: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

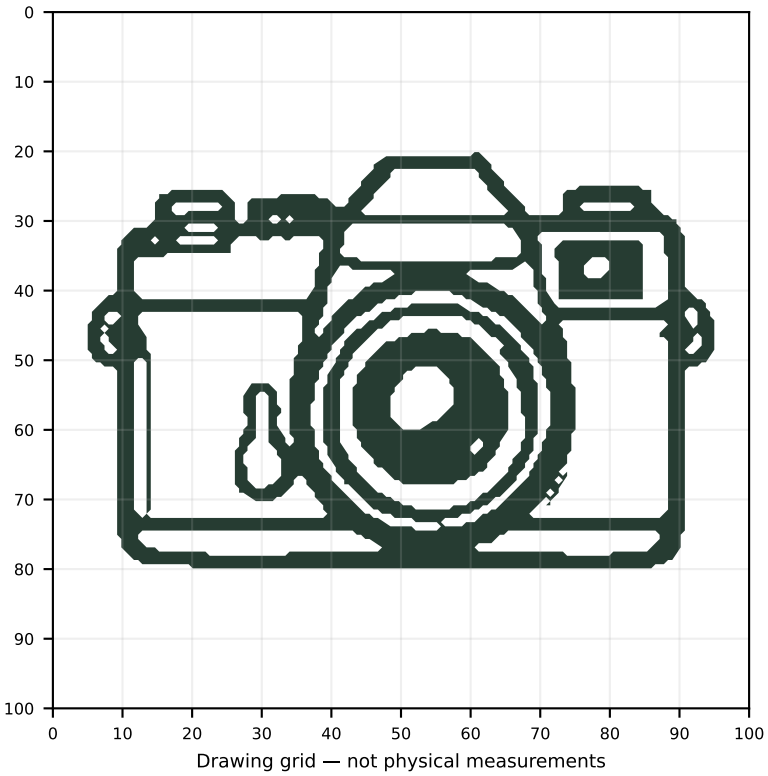

METHOD: Draw a wide rounded rectangle for the camera body. Add a raised trapezoidal hump on top center and two small cylindrical dials on the top edge. Draw a large circle in the center for the lens, then add two smaller concentric circles inside it. Add a small rectangular viewfinder window on the upper right and a small teardrop-shaped detail on the lower left of the body.
Use the separate practice sheet before checking the answer.
