How to Draw Open Suitcase — Free Practice Sheets

REFERENCE / CASE 1

open suitcase: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

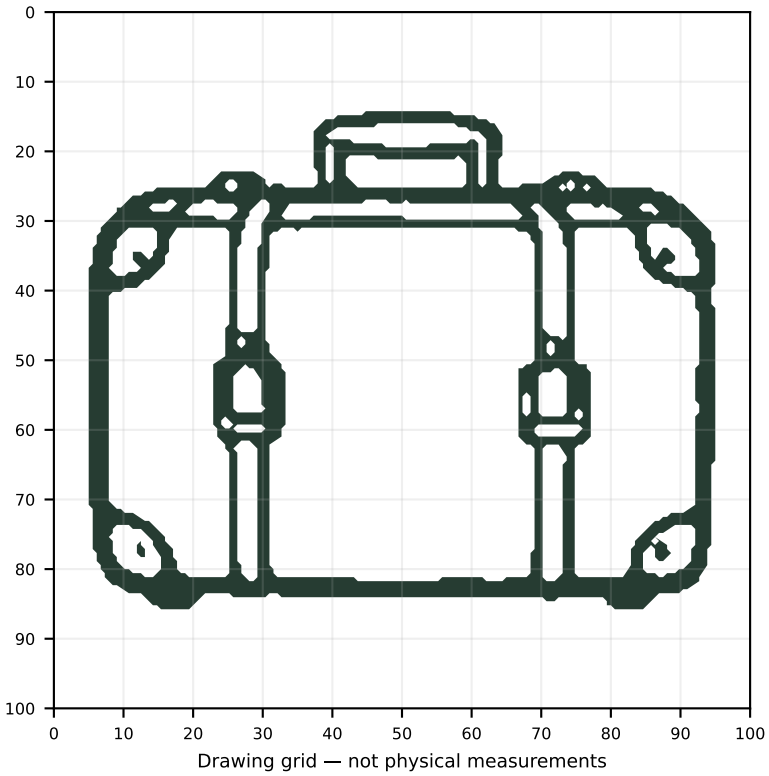

METHOD: Draw a large rounded rectangle for the suitcase body, then add a horizontal line across the middle to separate the two hinged halves. Add a small rounded handle centered on the top edge. Draw two vertical straps down the front, each with a rectangular buckle near the middle. Add rounded corner caps at the four corners and small feet along the bottom edge.
Use the separate practice sheet before checking the answer.
