How to Draw Clothespin — Free Practice Sheets

REFERENCE / CASE 1

clothespin: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

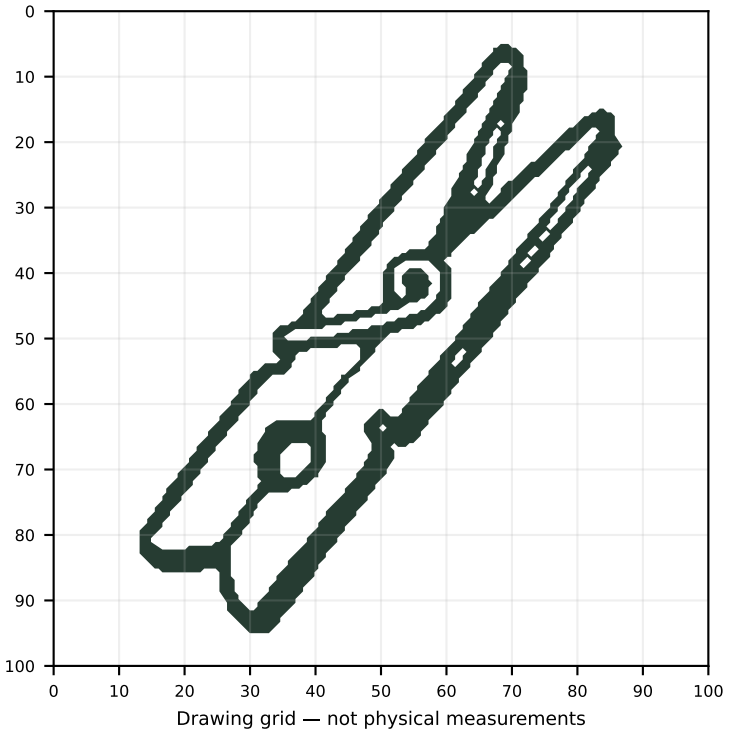

METHOD: Draw two long tapered rectangular halves meeting at a point at the top to form the split jaw. Add the coiled spring at the center as a small circular loop with a short bar crossing the halves. Draw the rounded lower handle ends and add a small circular hole on the front half. Outline the full silhouette with clean continuous lines, keeping the two halves parallel and connected by the spring.
Use the separate practice sheet before checking the answer.

How to Draw Clothespin — Free Practice Sheets

REFERENCE / CASE 2

clothespin: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

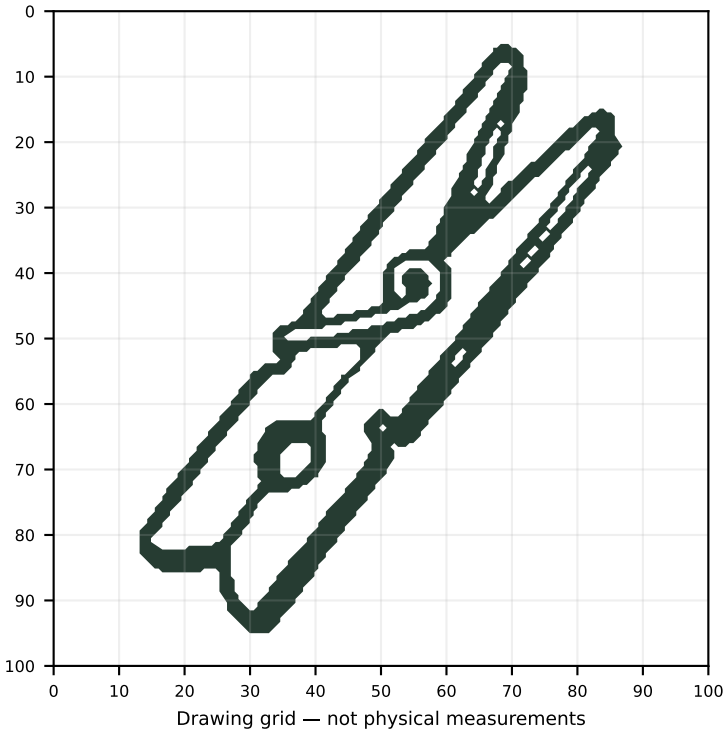

METHOD: Draw two long tapered rectangular halves meeting at a point at the top to form the split jaw. Add the coiled spring at the center as a small circular loop with a short bar crossing the halves. Draw the rounded lower handle ends and add a small circular hole on the front half. Outline the full silhouette with clean continuous lines, keeping the two halves parallel and connected by the spring.
Use the separate practice sheet before checking the answer.

How to Draw Clothespin — Free Practice Sheets

REFERENCE / CASE 3

clothespin: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

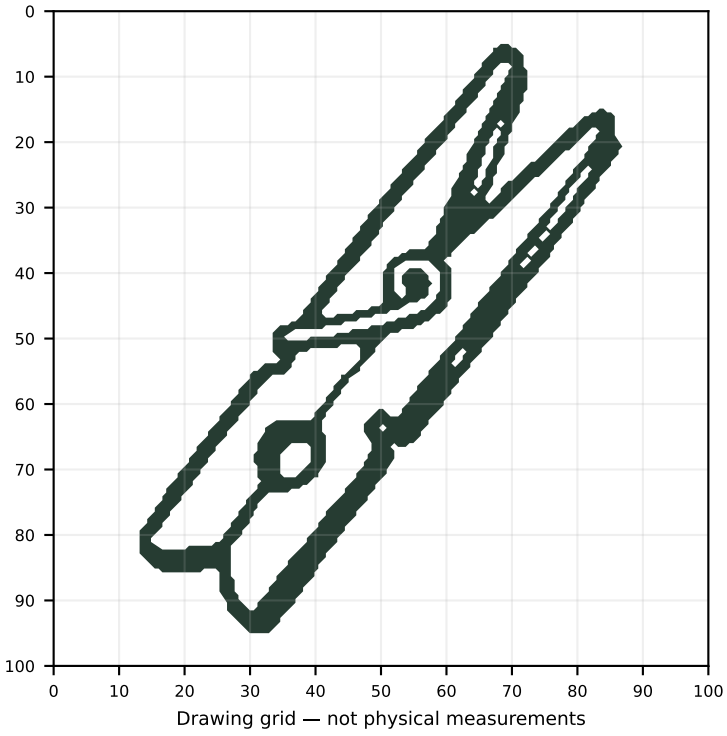

METHOD: Draw two long tapered rectangular halves meeting at a point at the top to form the split jaw. Add the coiled spring at the center as a small circular loop with a short bar crossing the halves. Draw the rounded lower handle ends and add a small circular hole on the front half. Outline the full silhouette with clean continuous lines, keeping the two halves parallel and connected by the spring.
Use the separate practice sheet before checking the answer.

How to Draw Clothespin — Free Practice Sheets

REFERENCE / CASE 4

clothespin: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw two long tapered rectangular halves meeting at a point at the top to form the split jaw. Add the coiled spring at the center as a small circular loop with a short bar crossing the halves. Draw the rounded lower handle ends and add a small circular hole on the front half. Outline the full silhouette with clean continuous lines, keeping the two halves parallel and connected by the spring.
Use the separate practice sheet before checking the answer.
