How to Draw Football Goal — Free Practice Sheets

REFERENCE / CASE 1

football goal: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

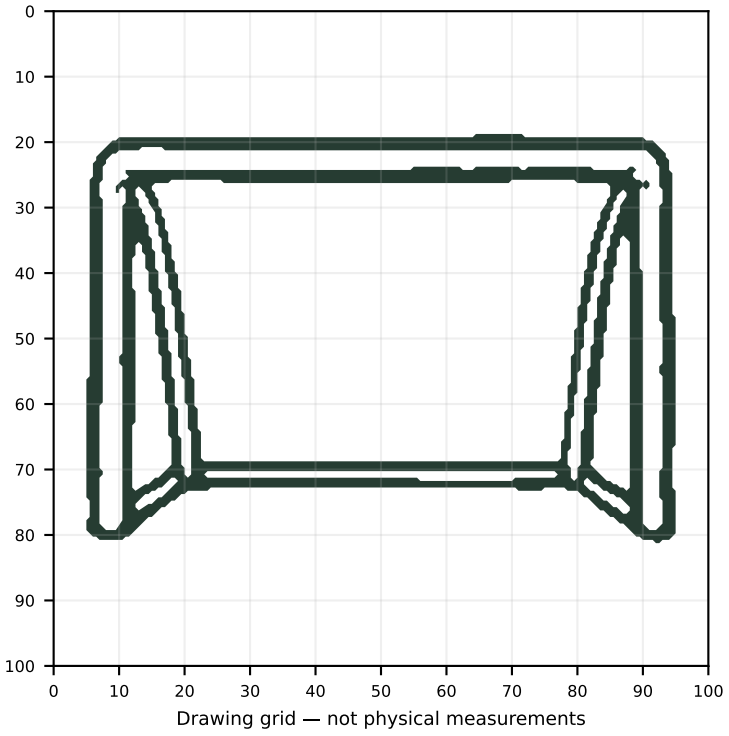

METHOD: Draw a wide rectangle for the front goal opening (two upright posts and a crossbar). Add two angled lines from the top corners going back and down to suggest side depth. Connect the rear ends with a bottom horizontal line to form the base of the goal frame. Optionally add a simple net mesh pattern inside the frame to indicate the net. Use the separate practice sheet before checking the answer.
