How to Draw Microphone — Free Practice Sheets

REFERENCE / CASE 1

microphone: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

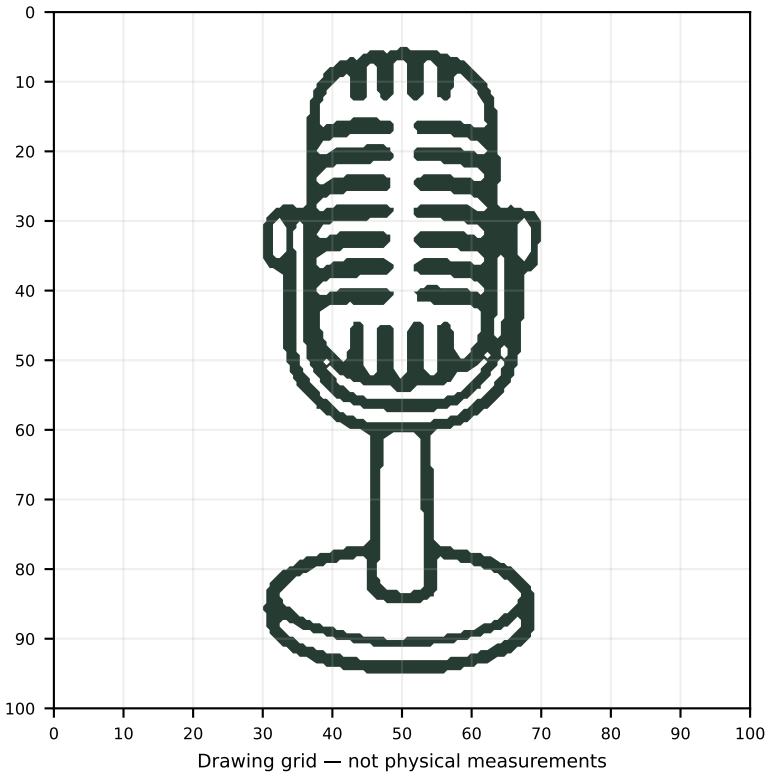

METHOD: Draw a rounded rectangle for the microphone head, then add evenly spaced horizontal lines across it for the grille. Draw a U-shaped bracket around the lower half of the head, attaching small side mounts to the head. Draw a short vertical cylindrical stem descending from the center of the U-bracket. Draw an oval base at the bottom of the stem, with a smaller inner oval line to show thickness.
Use the separate practice sheet before checking the answer.

How to Draw Microphone — Free Practice Sheets

REFERENCE / CASE 2

microphone: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

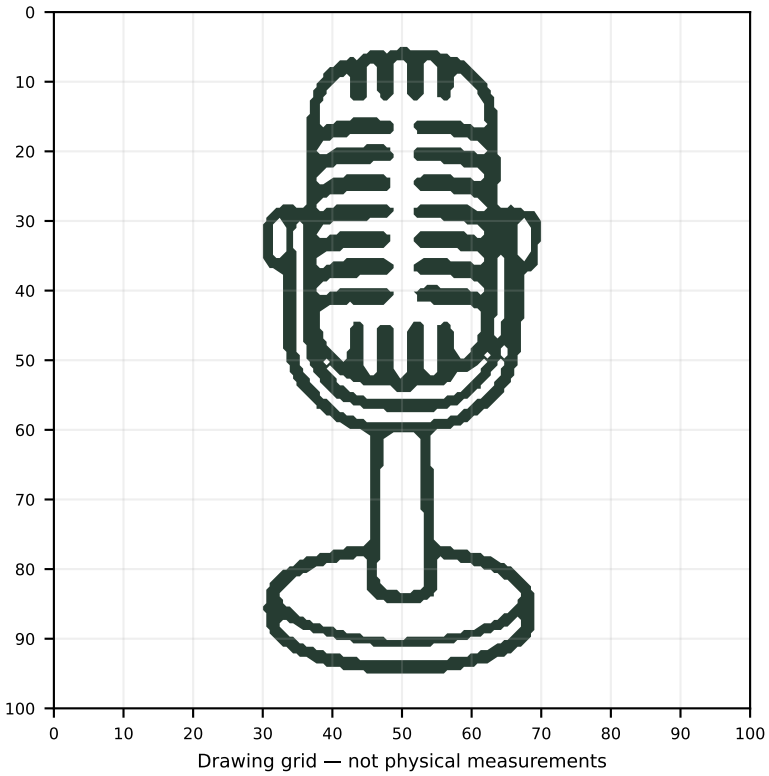

METHOD: Draw a rounded rectangle for the microphone head, then add evenly spaced horizontal lines across it for the grille. Draw a U-shaped bracket around the lower half of the head, attaching small side mounts to the head. Draw a short vertical cylindrical stem descending from the center of the U-bracket. Draw an oval base at the bottom of the stem, with a smaller inner oval line to show thickness.
Use the separate practice sheet before checking the answer.

How to Draw Microphone — Free Practice Sheets

REFERENCE / CASE 3

microphone: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

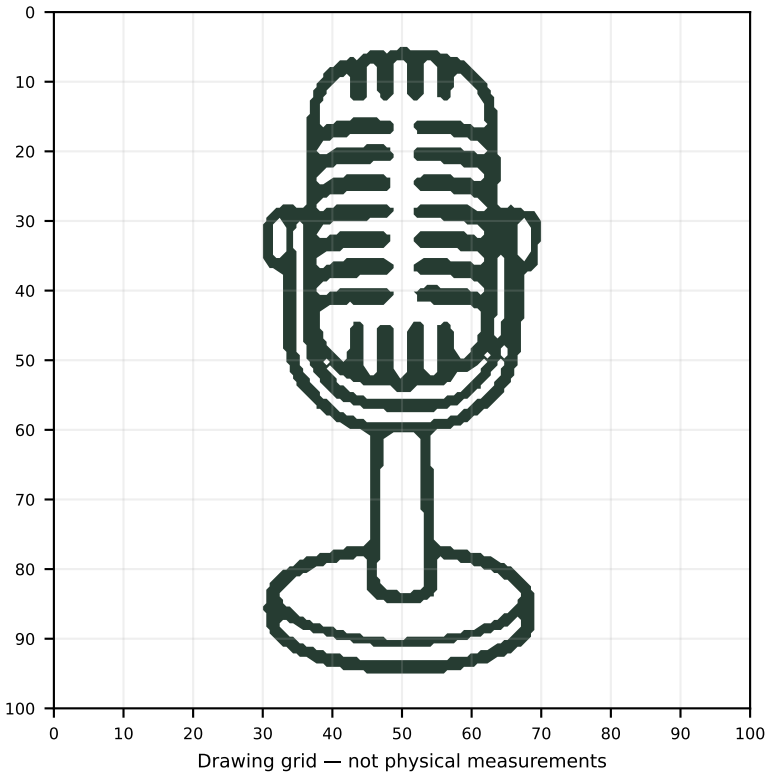

METHOD: Draw a rounded rectangle for the microphone head, then add evenly spaced horizontal lines across it for the grille. Draw a U-shaped bracket around the lower half of the head, attaching small side mounts to the head. Draw a short vertical cylindrical stem descending from the center of the U-bracket. Draw an oval base at the bottom of the stem, with a smaller inner oval line to show thickness.
Use the separate practice sheet before checking the answer.

How to Draw Microphone — Free Practice Sheets

REFERENCE / CASE 4

microphone: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a rounded rectangle for the microphone head, then add evenly spaced horizontal lines across it for the grille. Draw a U-shaped bracket around the lower half of the head, attaching small side mounts to the head. Draw a short vertical cylindrical stem descending from the center of the U-bracket. Draw an oval base at the bottom of the stem, with a smaller inner oval line to show thickness.
Use the separate practice sheet before checking the answer.
