# How to Draw Pool Table — Free Practice Sheets

**REFERENCE / CASE 1**

pool table: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

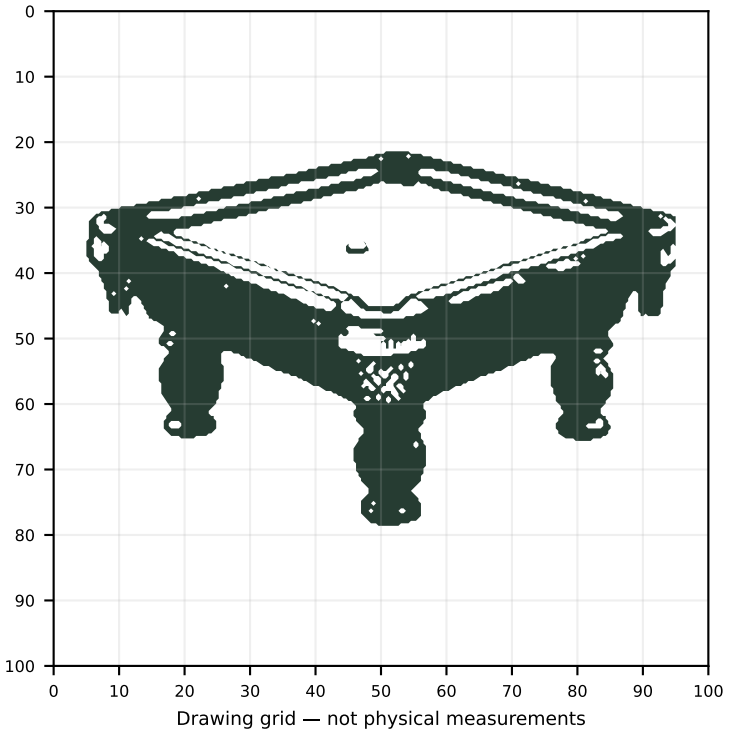

METHOD: Draw a large rectangle in perspective for the felt bed, then add a thicker raised border around it for the rails. Place pocket openings at the four corners and at the midpoints of the long sides, adding small net shapes below the corner pockets. Draw four sturdy legs beneath the table, using rounded, turned shapes with a wider top and bottom. Add a small ball on the felt and simple line details on the rails and legs to finish the worksheet outline.
Use the separate practice sheet before checking the answer.

# How to Draw Pool Table — Free Practice Sheets

**REFERENCE / CASE 2**

pool table: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

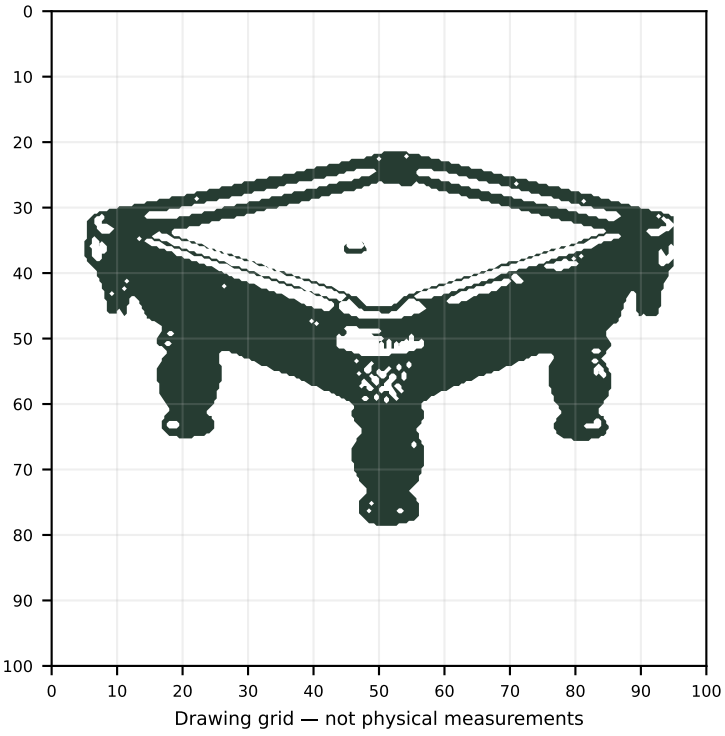

METHOD: Draw a large rectangle in perspective for the felt bed, then add a thicker raised border around it for the rails. Place pocket openings at the four corners and at the midpoints of the long sides, adding small net shapes below the corner pockets. Draw four sturdy legs beneath the table, using rounded, turned shapes with a wider top and bottom. Add a small ball on the felt and simple line details on the rails and legs to finish the worksheet outline.
Use the separate practice sheet before checking the answer.

# How to Draw Pool Table — Free Practice Sheets

**REFERENCE / CASE 3**

pool table: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

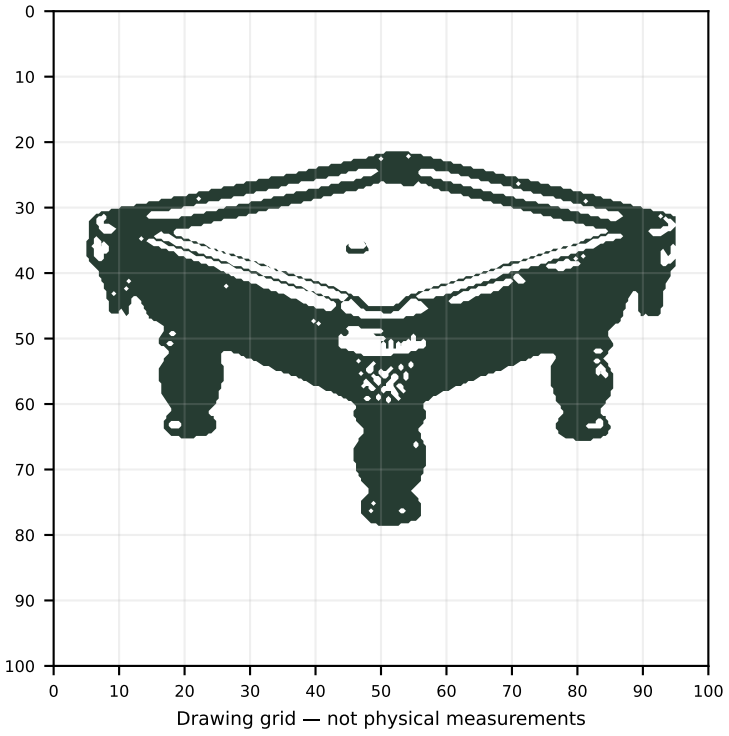

METHOD: Draw a large rectangle in perspective for the felt bed, then add a thicker raised border around it for the rails. Place pocket openings at the four corners and at the midpoints of the long sides, adding small net shapes below the corner pockets. Draw four sturdy legs beneath the table, using rounded, turned shapes with a wider top and bottom. Add a small ball on the felt and simple line details on the rails and legs to finish the worksheet outline.
Use the separate practice sheet before checking the answer.

# How to Draw Pool Table — Free Practice Sheets

**REFERENCE / CASE 4**

pool table: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a large rectangle in perspective for the felt bed, then add a thicker raised border around it for the rails. Place pocket openings at the four corners and at the midpoints of the long sides, adding small net shapes below the corner pockets. Draw four sturdy legs beneath the table, using rounded, turned shapes with a wider top and bottom. Add a small ball on the felt and simple line details on the rails and legs to finish the worksheet outline.
Use the separate practice sheet before checking the answer.
