How to Draw Rubber Duck — Free Practice Sheets

REFERENCE / CASE 1

rubber duck: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

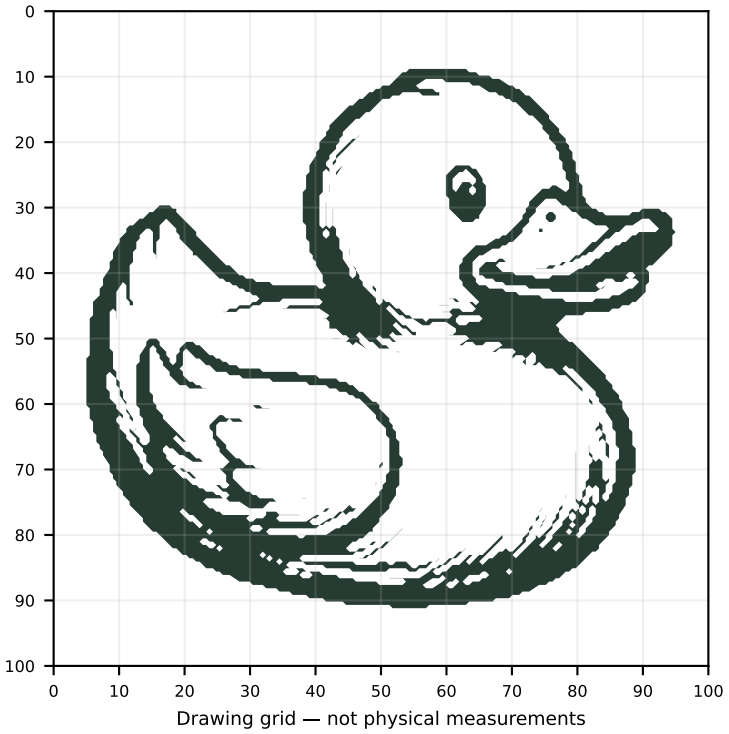

METHOD: Draw a large circle for the head and a smaller oval for the eye. Attach a horizontal, slightly curved beak shape to the right side of the head. Create a large, rounded body contour below the head, extending to the left. Add a pointed tail shape on the upper left of the body and a curved wing line inside the body.
Use the separate practice sheet before checking the answer.
