How to Draw Teddy Bear — Free Practice Sheets

REFERENCE / CASE 1

teddy bear: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

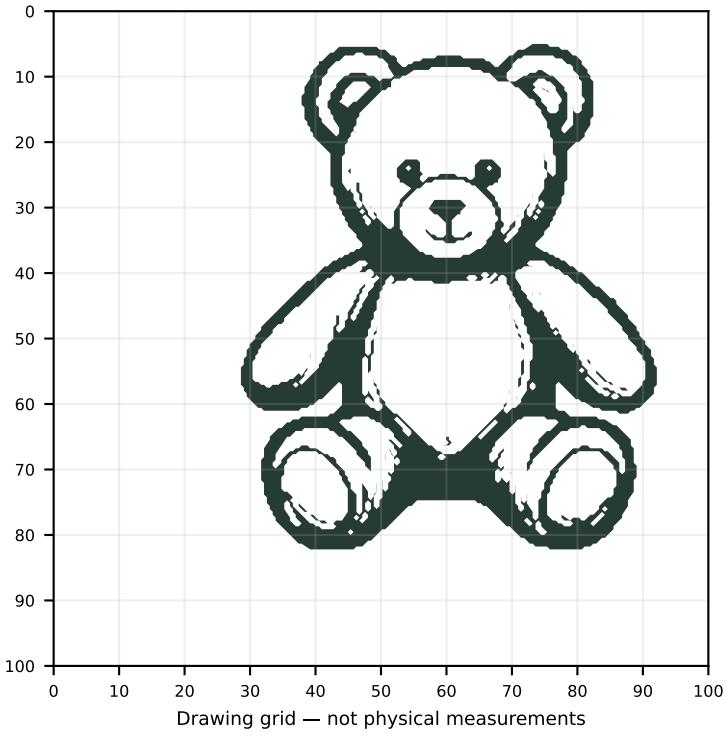

METHOD: Draw a large circle for the head and add two smaller semicircles for the ears. Add the facial features: two small circles for eyes, an oval nose, and a curved line for the mouth. Draw a rounded oval for the body below the head, then add two curved arms on the sides. Add two rounded legs at the bottom with oval paw pads, and outline the belly area. Use the separate practice sheet before checking the answer.
