How to Draw Knife — Free Practice Sheets

REFERENCE / CASE 1

knife: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

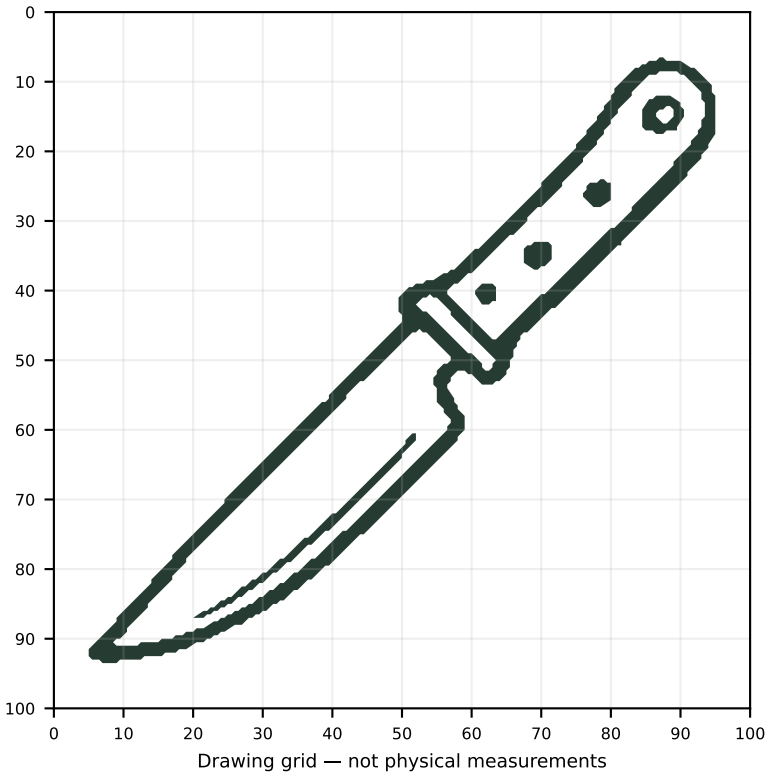

METHOD: Draw the long blade outline starting from the pointed tip and widening toward the base. Add the small rectangular guard/collar at the base of the blade. Draw the rounded handle extending from the guard, slightly angled. Add three small circular rivets along the handle and a small hole near the handle end.
Use the separate practice sheet before checking the answer.
