How to Draw Whistle — Free Practice Sheets

REFERENCE / CASE 1

whistle: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

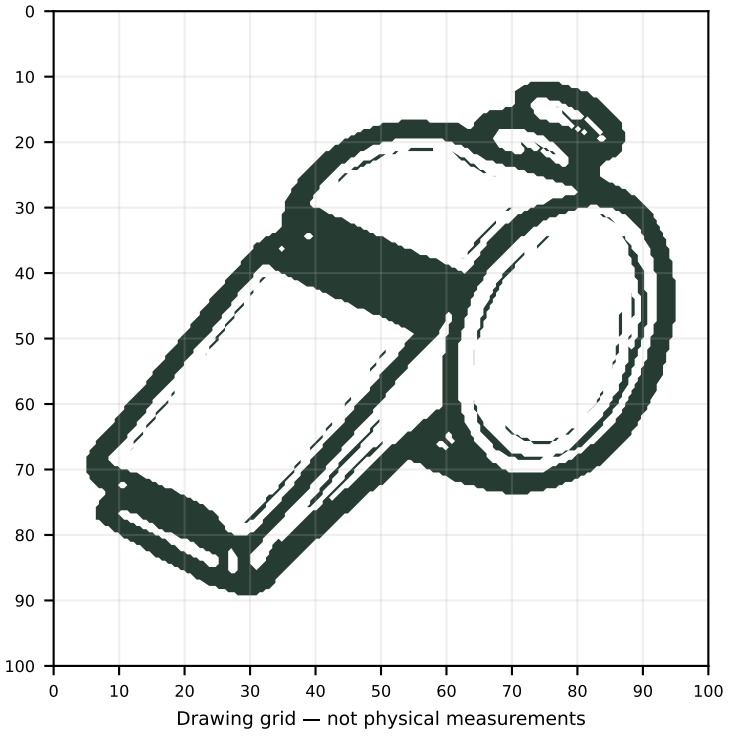

METHOD: Draw a large circle for the rounded end of the whistle body. Attach a tapered rectangular shape to the left side of the circle for the mouthpiece. Add a small loop/ring shape on top of the circular body. Draw a dark band between the body and mouthpiece, then outline the circular end face with an inner ring.
Use the separate practice sheet before checking the answer.
