How to Draw Bookshelf — Free Practice Sheets

REFERENCE / CASE 1

bookshelf: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

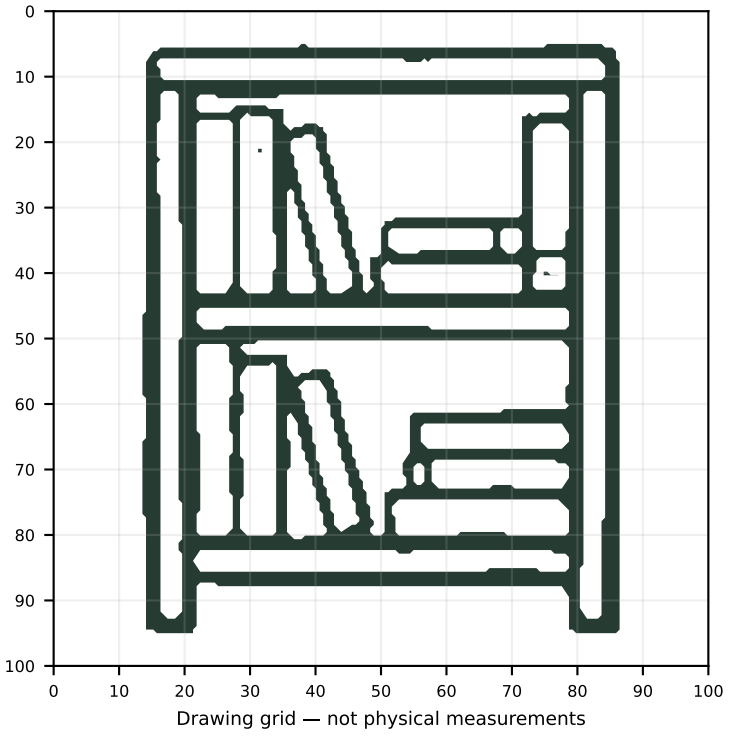

METHOD: Draw a tall rectangular frame with two vertical side posts and a top rail. Add two horizontal shelf lines across the interior to create upper and lower compartments. On the upper shelf, draw several upright book spines on the left and a stack of horizontal books on the right. On the lower shelf, repeat the pattern with upright books on the left and a horizontal stack on the right, then thicken the outlines.
Use the separate practice sheet before checking the answer.

How to Draw Bookshelf — Free Practice Sheets

REFERENCE / CASE 2

bookshelf: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

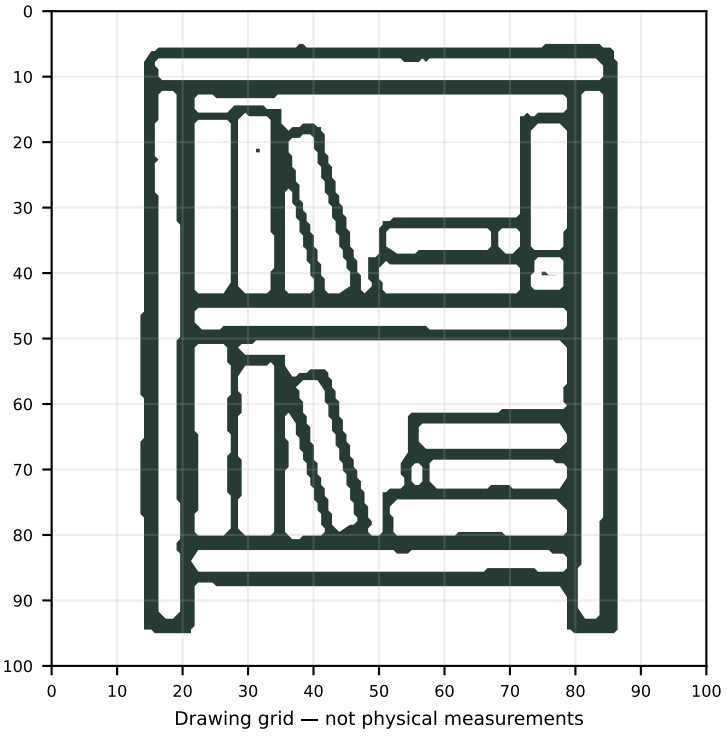

METHOD: Draw a tall rectangular frame with two vertical side posts and a top rail. Add two horizontal shelf lines across the interior to create upper and lower compartments. On the upper shelf, draw several upright book spines on the left and a stack of horizontal books on the right. On the lower shelf, repeat the pattern with upright books on the left and a horizontal stack on the right, then thicken the outlines.
Use the separate practice sheet before checking the answer.

How to Draw Bookshelf — Free Practice Sheets

REFERENCE / CASE 3

bookshelf: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

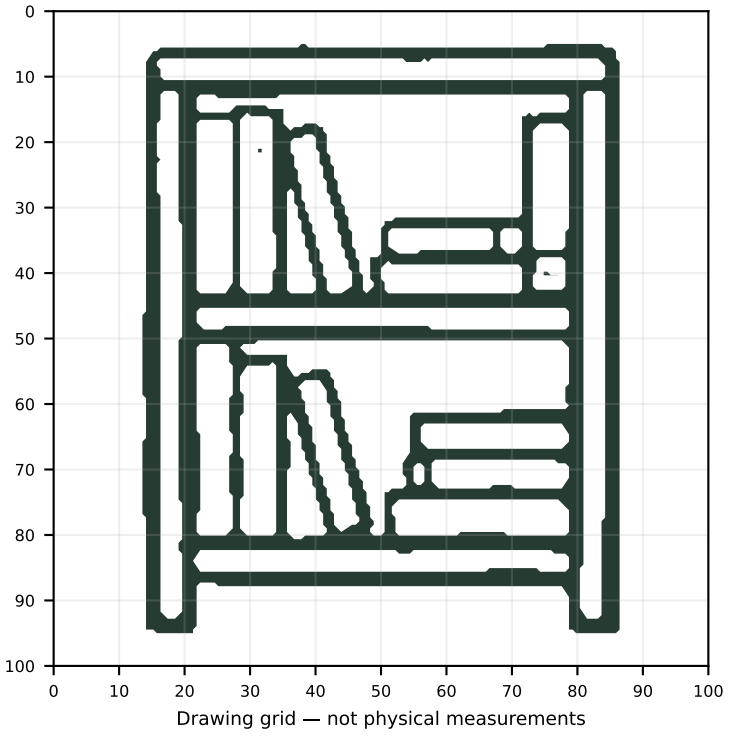

METHOD: Draw a tall rectangular frame with two vertical side posts and a top rail. Add two horizontal shelf lines across the interior to create upper and lower compartments. On the upper shelf, draw several upright book spines on the left and a stack of horizontal books on the right. On the lower shelf, repeat the pattern with upright books on the left and a horizontal stack on the right, then thicken the outlines.
Use the separate practice sheet before checking the answer.

How to Draw Bookshelf — Free Practice Sheets

REFERENCE / CASE 4

bookshelf: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a tall rectangular frame with two vertical side posts and a top rail. Add two horizontal shelf lines across the interior to create upper and lower compartments. On the upper shelf, draw several upright book spines on the left and a stack of horizontal books on the right. On the lower shelf, repeat the pattern with upright books on the left and a horizontal stack on the right, then thicken the outlines.
Use the separate practice sheet before checking the answer.
