How to Draw Dice — Free Practice Sheets

REFERENCE / CASE 1

dice: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

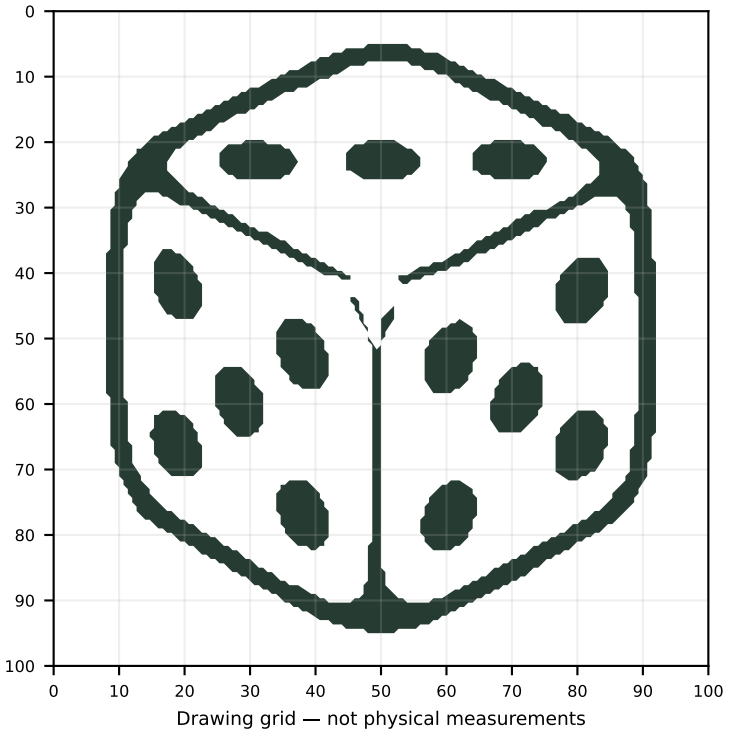

METHOD: Draw a rounded-corner cube outline showing three faces: top, left, and right. Add a vertical center line separating the left and right front faces. Place oval pips on the top face in a row. Place oval pips on the left and right faces in a scattered pattern.
Use the separate practice sheet before checking the answer.
