How to Draw Beehive — Free Practice Sheets

ANSWER / CASE 1

beehive: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

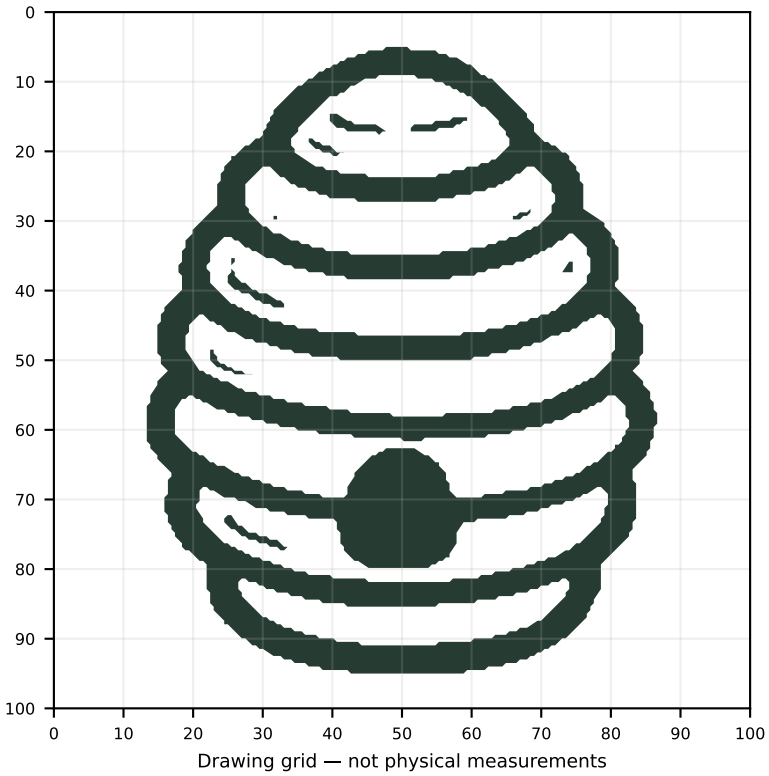

ANSWER: Example solution: preserve stacked rounded tiers, dark entrance hole near the bottom center, dome-shaped top tier. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large dome shape for the top of the hive.
2. Add a series of stacked, rounded horizontal bands below the dome, gradually widening toward the middle.
3. Draw a dark oval entrance hole on the lower front section.
4. Outline the bottom tier to close the hive shape.

How to Draw Beehive — Free Practice Sheets

ANSWER / CASE 2

beehive: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

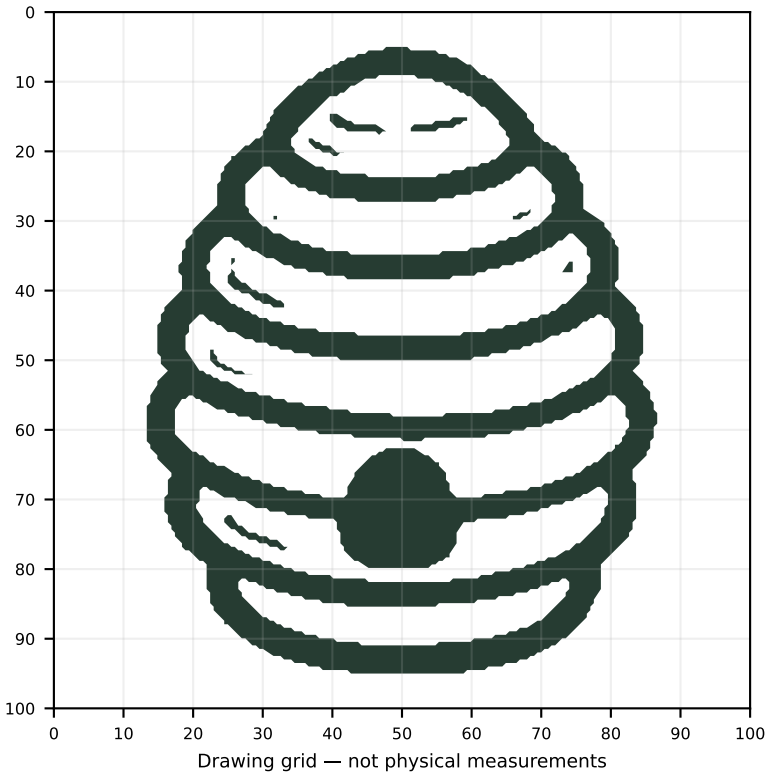

ANSWER: Example solution: preserve stacked rounded tiers, dark entrance hole near the bottom center, dome-shaped top tier. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large dome shape for the top of the hive.
2. Add a series of stacked, rounded horizontal bands below the dome, gradually widening toward the middle.
3. Draw a dark oval entrance hole on the lower front section.
4. Outline the bottom tier to close the hive shape.

How to Draw Beehive — Free Practice Sheets

ANSWER / CASE 3

beehive: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

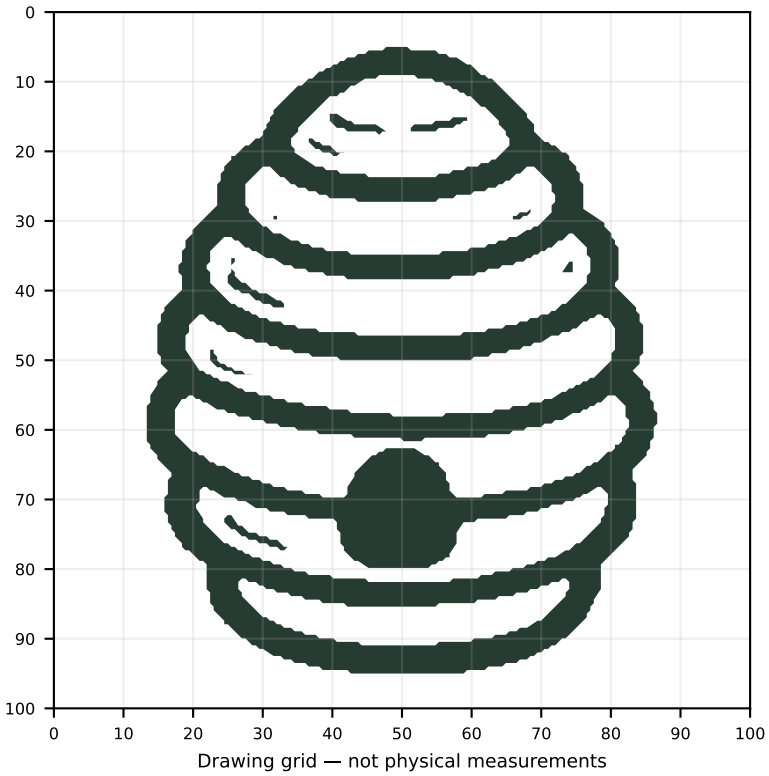

ANSWER: Example solution: preserve stacked rounded tiers, dark entrance hole near the bottom center, dome-shaped top tier. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large dome shape for the top of the hive.
2. Add a series of stacked, rounded horizontal bands below the dome, gradually widening toward the middle.
3. Draw a dark oval entrance hole on the lower front section.
4. Outline the bottom tier to close the hive shape.

How to Draw Beehive — Free Practice Sheets

ANSWER / CASE 4

beehive: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve stacked rounded tiers, dark entrance hole near the bottom center, dome-shaped top tier. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw a large dome shape for the top of the hive.
2. Add a series of stacked, rounded horizontal bands below the dome, gradually widening toward the middle.
3. Draw a dark oval entrance hole on the lower front section.
4. Outline the bottom tier to close the hive shape.
