How to Draw Game Controller — Free Practice Sheets

REFERENCE / CASE 1

game controller: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

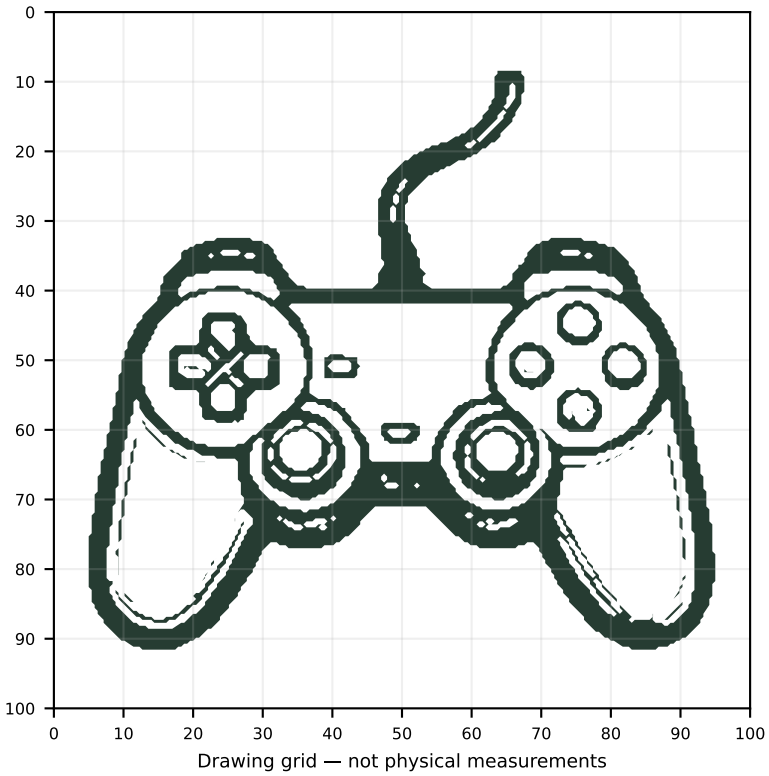

METHOD: Draw the central rectangular body with a slight curve at the top. Add two rounded grip shapes extending downward from the left and right sides. Place the directional pad on the left and the four-button cluster on the right. Draw two circular analog sticks in the lower center and add the cable at the top.
Use the separate practice sheet before checking the answer.
