REFERENCE / CASE 1

kimono: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

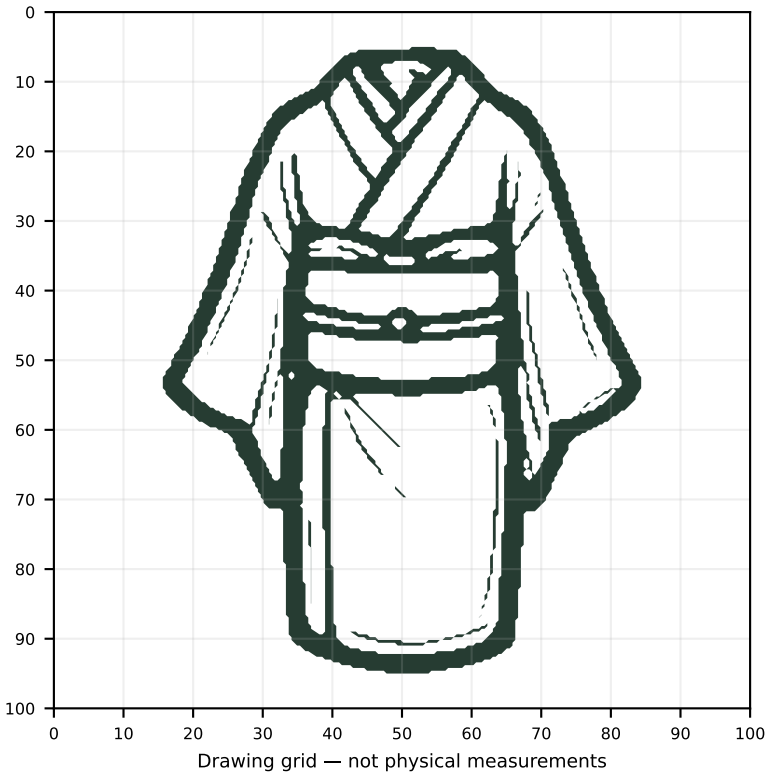

METHOD: Draw the overall kimono outline: a narrow neck opening, broad shoulders, and a straight columnar body that flares slightly at the hem. Add the wide sleeves as large curved shapes attached at the shoulders and hanging down along the sides of the body. Draw the wrap front by making two diagonal collar bands that cross in a V at the chest and continue toward the waist. Place the obi sash as a wide horizontal band around the waist, add a small round detail at its center, then draw the lower skirt panel with a vertical line and simple fold marks.
