How to Draw Recycling Bin — Free Practice Sheets

REFERENCE / CASE 1

recycling bin: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

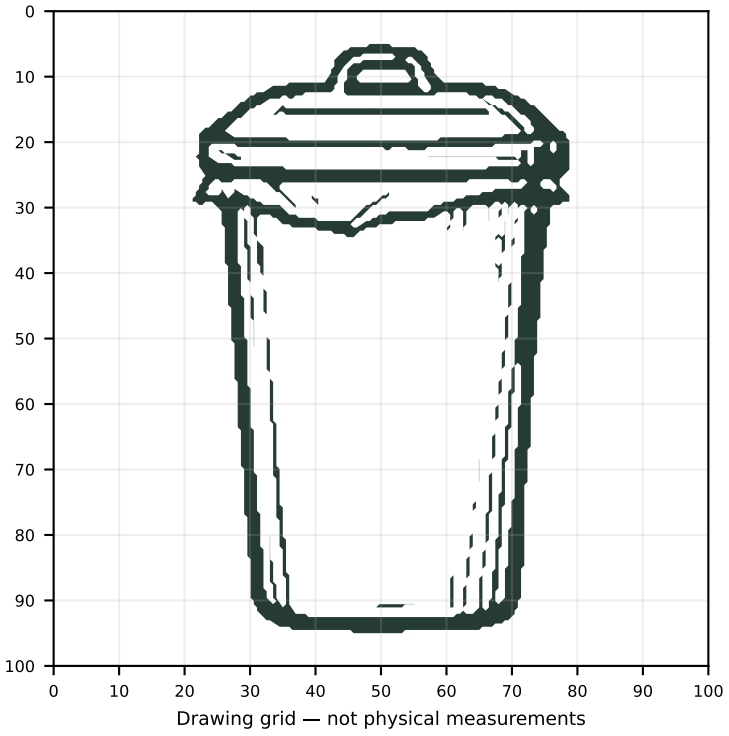

METHOD: Draw a slightly tapered vertical rectangle for the bin body. Add a wider lid on top with a small rectangular handle. Sketch a jagged bag edge between the lid and the body. Outline the body with vertical side lines and a rounded bottom edge.
Use the separate practice sheet before checking the answer.

How to Draw Recycling Bin — Free Practice Sheets

REFERENCE / CASE 2

recycling bin: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

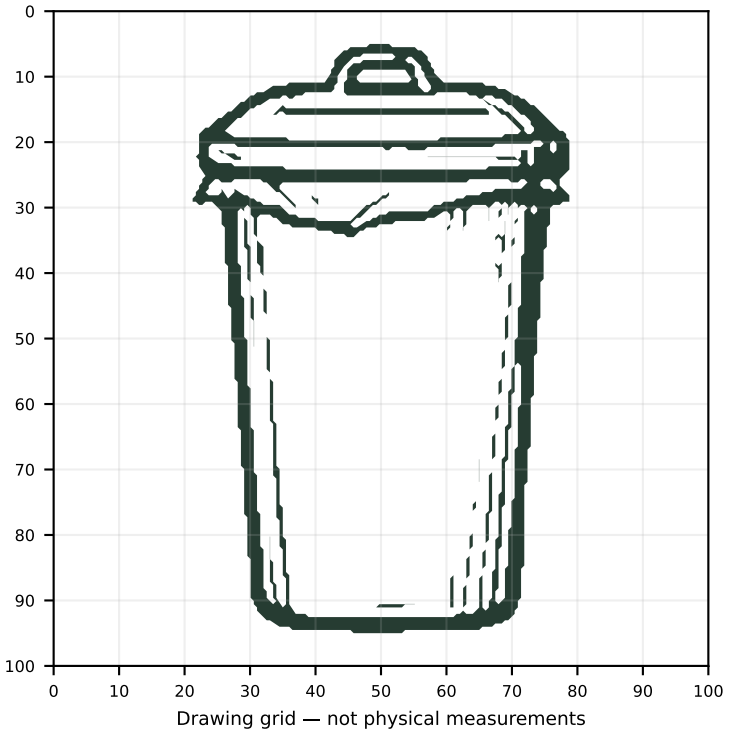

METHOD: Draw a slightly tapered vertical rectangle for the bin body. Add a wider lid on top with a small rectangular handle. Sketch a jagged bag edge between the lid and the body. Outline the body with vertical side lines and a rounded bottom edge.
Use the separate practice sheet before checking the answer.
