# How to Draw Swing — Free Practice Sheets

**REFERENCE / CASE 1**

swing: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

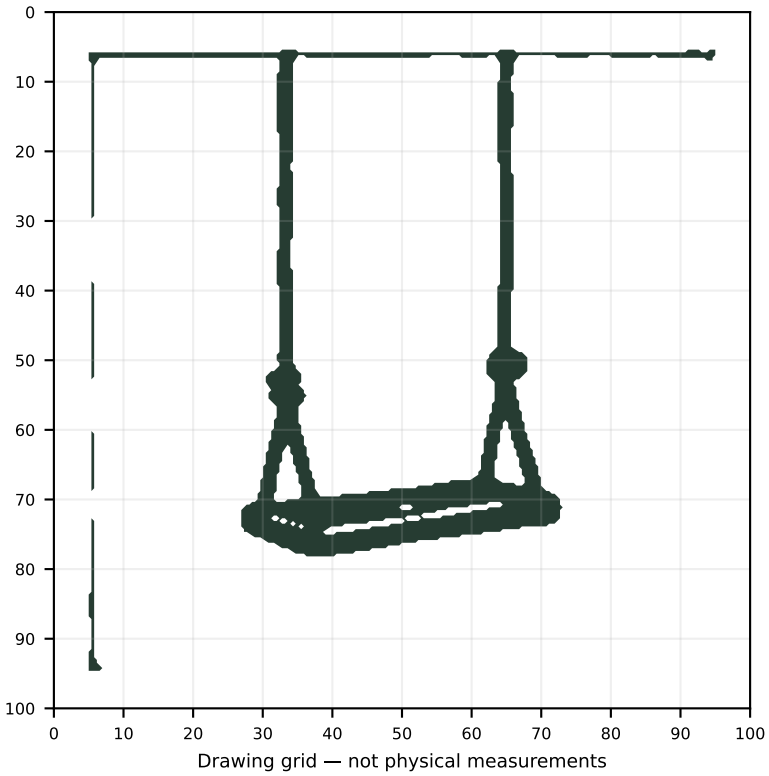

METHOD: Draw two long vertical lines for the hanging ropes, adding small knot shapes near the lower ends. Sketch a flat rectangular seat in perspective, wider than it is deep. Connect each rope to the seat with two short diagonal lines forming a V on each side. Outline the seat thickness and add a small highlight line along the front edge. Use the separate practice sheet before checking the answer.

# How to Draw Swing — Free Practice Sheets

**REFERENCE / CASE 2**

swing: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

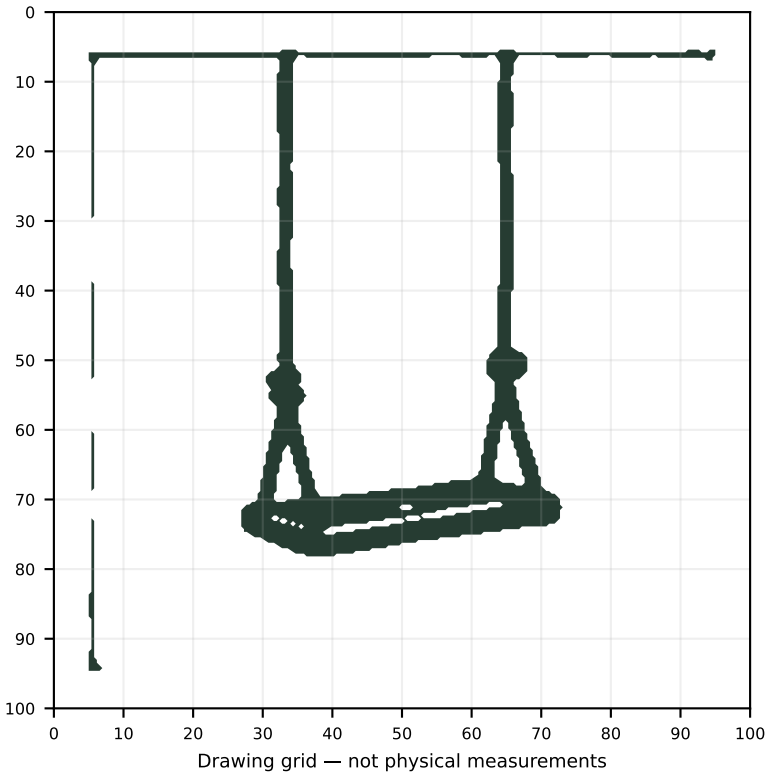

METHOD: Draw two long vertical lines for the hanging ropes, adding small knot shapes near the lower ends. Sketch a flat rectangular seat in perspective, wider than it is deep.
Connect each rope to the seat with two short diagonal lines forming a V on each side.
Outline the seat thickness and add a small highlight line along the front edge.
Use the separate practice sheet before checking the answer.

# How to Draw Swing — Free Practice Sheets

**REFERENCE / CASE 3**

swing: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

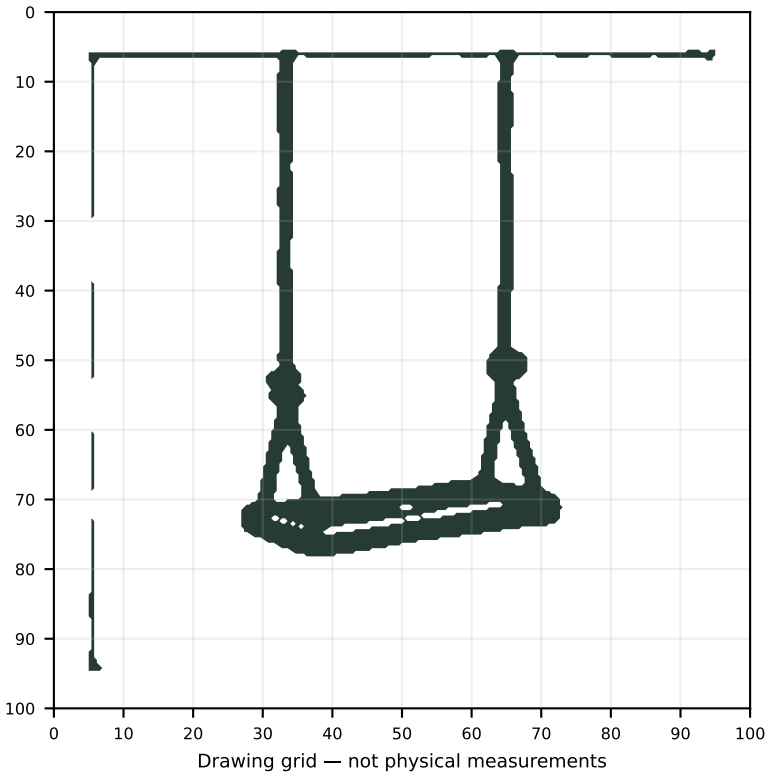

METHOD: Draw two long vertical lines for the hanging ropes, adding small knot shapes near the lower ends. Sketch a flat rectangular seat in perspective, wider than it is deep.
Connect each rope to the seat with two short diagonal lines forming a V on each side.
Outline the seat thickness and add a small highlight line along the front edge.
Use the separate practice sheet before checking the answer.

# How to Draw Swing — Free Practice Sheets

**REFERENCE / CASE 4**

swing: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw two long vertical lines for the hanging ropes, adding small knot shapes near the lower ends. Sketch a flat rectangular seat in perspective, wider than it is deep.
Connect each rope to the seat with two short diagonal lines forming a V on each side.
Outline the seat thickness and add a small highlight line along the front edge.
Use the separate practice sheet before checking the answer.
