How to Draw Baseball Bat — Free Practice Sheets

REFERENCE / CASE 1

baseball bat: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

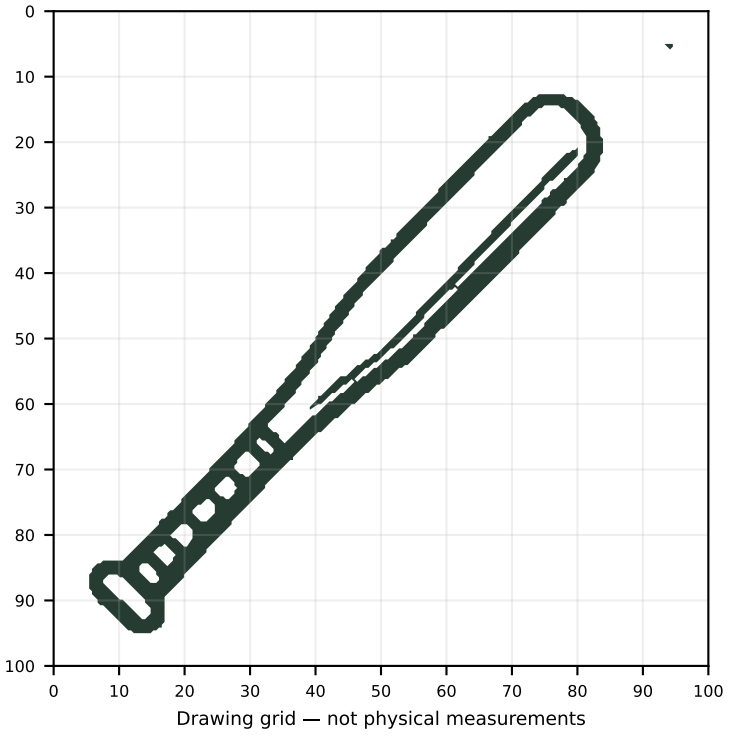

METHOD: Draw a long diagonal tapered outline from the narrow handle to the wide rounded barrel. Add a small rounded knob at the lower grip end. Draw grip markings as short horizontal lines along the narrow handle. Add an inner contour line along the barrel to suggest the cylindrical form.
Use the separate practice sheet before checking the answer.

REFERENCE / CASE 2

baseball bat: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

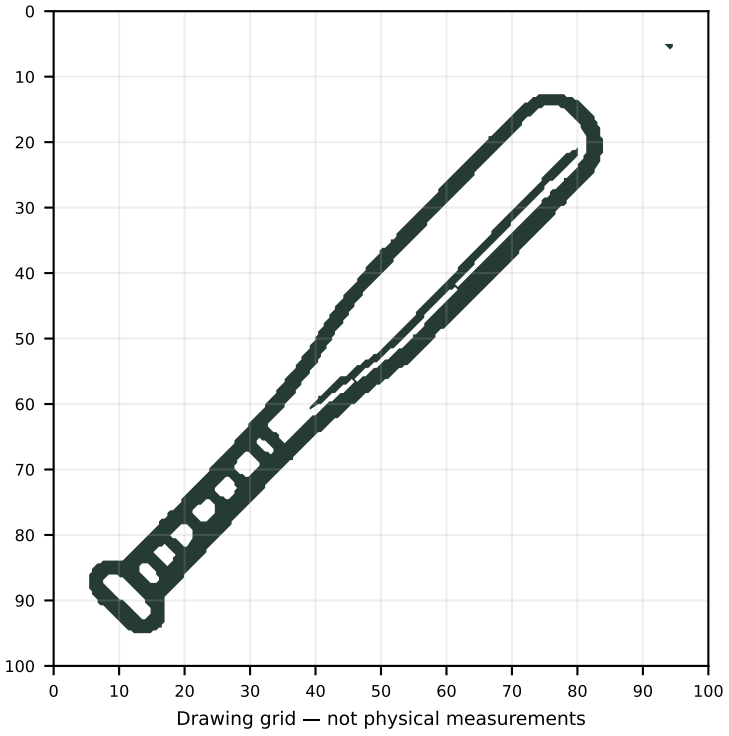

METHOD: Draw a long diagonal tapered outline from the narrow handle to the wide rounded barrel. Add a small rounded knob at the lower grip end. Draw grip markings as short horizontal lines along the narrow handle. Add an inner contour line along the barrel to suggest the cylindrical form.
Use the separate practice sheet before checking the answer.

How to Draw Baseball Bat — Free Practice Sheets

REFERENCE / CASE 3

baseball bat: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

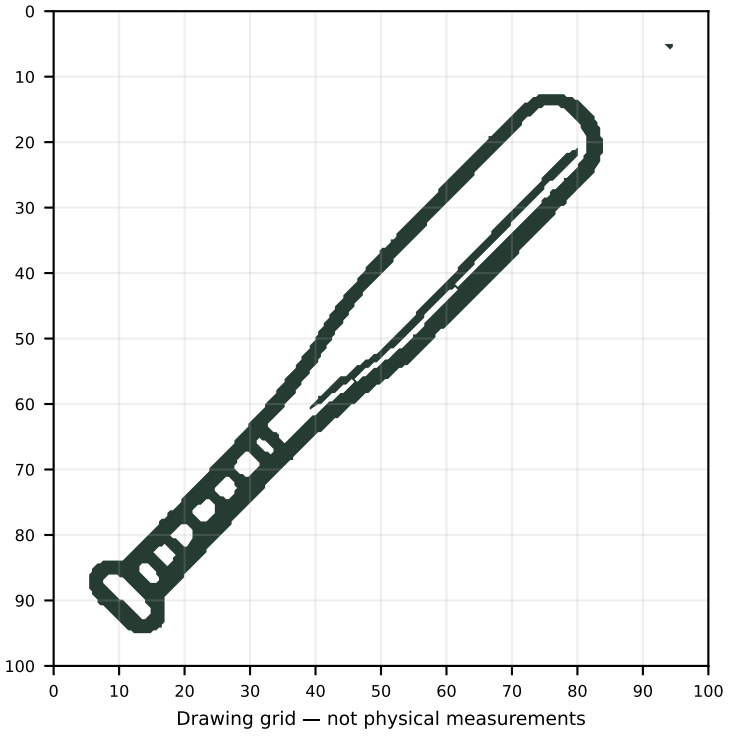

METHOD: Draw a long diagonal tapered outline from the narrow handle to the wide rounded barrel. Add a small rounded knob at the lower grip end. Draw grip markings as short horizontal lines along the narrow handle. Add an inner contour line along the barrel to suggest the cylindrical form.
Use the separate practice sheet before checking the answer.

How to Draw Baseball Bat — Free Practice Sheets

REFERENCE / CASE 4

baseball bat: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw a long diagonal tapered outline from the narrow handle to the wide rounded barrel. Add a small rounded knob at the lower grip end. Draw grip markings as short horizontal lines along the narrow handle. Add an inner contour line along the barrel to suggest the cylindrical form.
Use the separate practice sheet before checking the answer.
