How to Draw Viking Helmet — Free Practice Sheets

REFERENCE / CASE 1

viking helmet: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

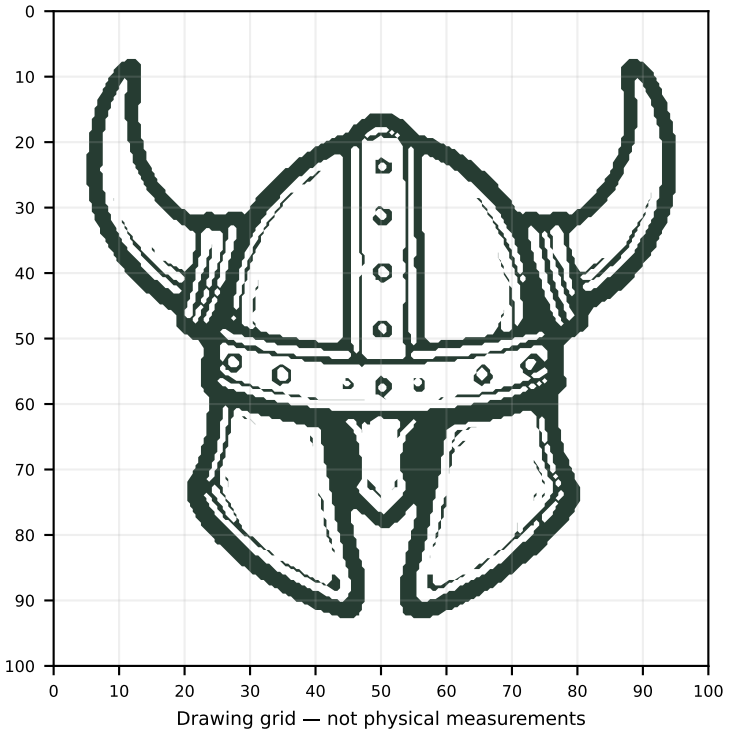

METHOD: Draw a large rounded dome for the main cap. Add a vertical center strip with evenly spaced rivets running from the top to the rim. Draw a horizontal rim band across the bottom of the dome and add rivets along it. Attach two curved horns to the sides at the rim level, then draw the two hanging cheek guard plates below the rim.
Use the separate practice sheet before checking the answer.
