How to Draw Boot — Free Practice Sheets

REFERENCE / CASE 1

boot: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

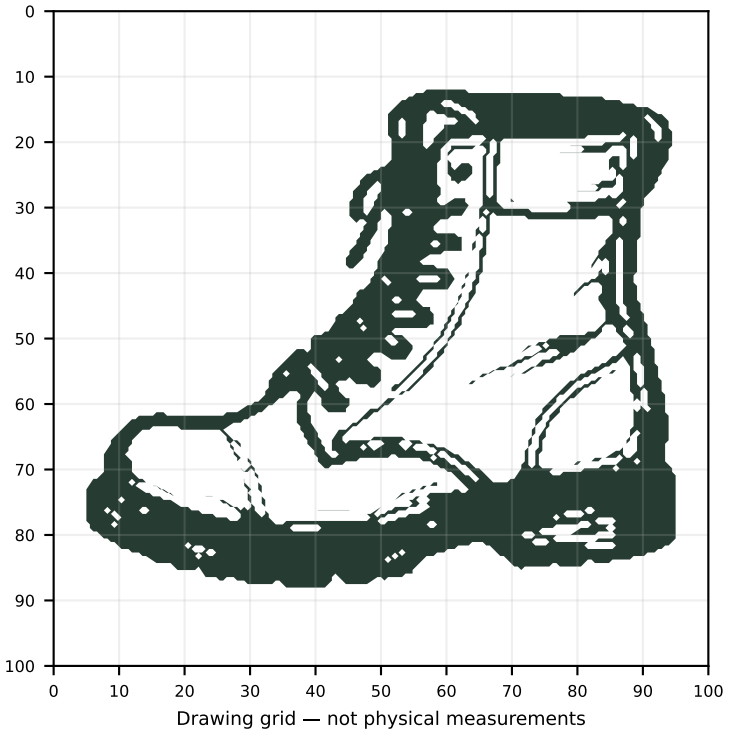

METHOD: Draw the tall shaft as a vertical rounded rectangle, then add the collar at the top. Sketch the foot shape extending forward from the shaft, ending in a rounded toe. Add the sole and heel as a thick horizontal band beneath the foot, with tread marks. Draw the lacing area: a vertical line of eyelets and crisscross laces down the front of the shaft.
Use the separate practice sheet before checking the answer.
