How to Draw Plastic Bag — Free Practice Sheets

REFERENCE / CASE 1

plastic bag: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

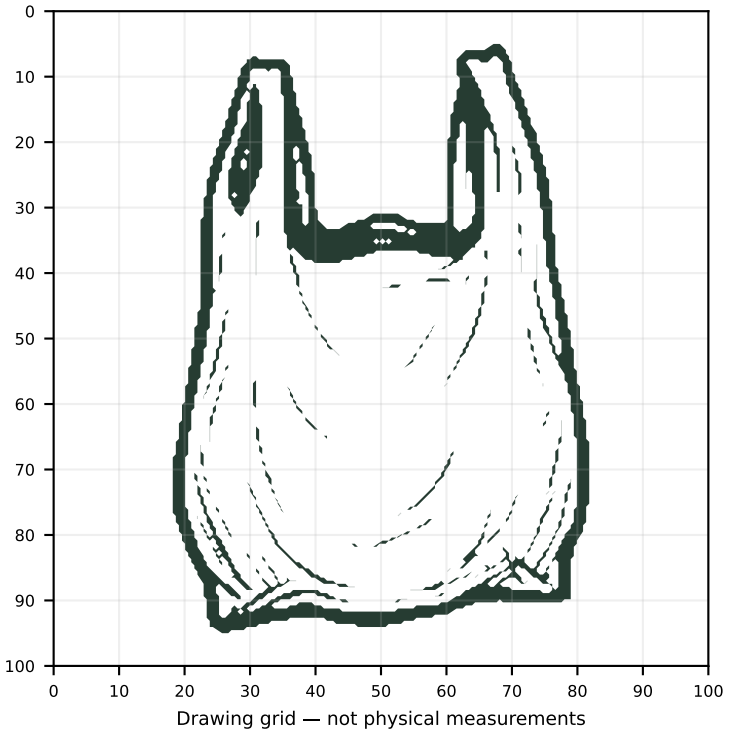

METHOD: Draw the two handle loops rising from the top opening. Sketch the wide bag body with a rounded, slightly tapered outline. Add curved fold lines across the body to indicate crinkled plastic. Refine the bottom edge with a wavy contour to show the bag's base.
Use the separate practice sheet before checking the answer.

How to Draw Plastic Bag — Free Practice Sheets

REFERENCE / CASE 2

plastic bag: Copy the reference onto the blank grid, using matching grid intersections.
Compare with the separate full reference sheet.

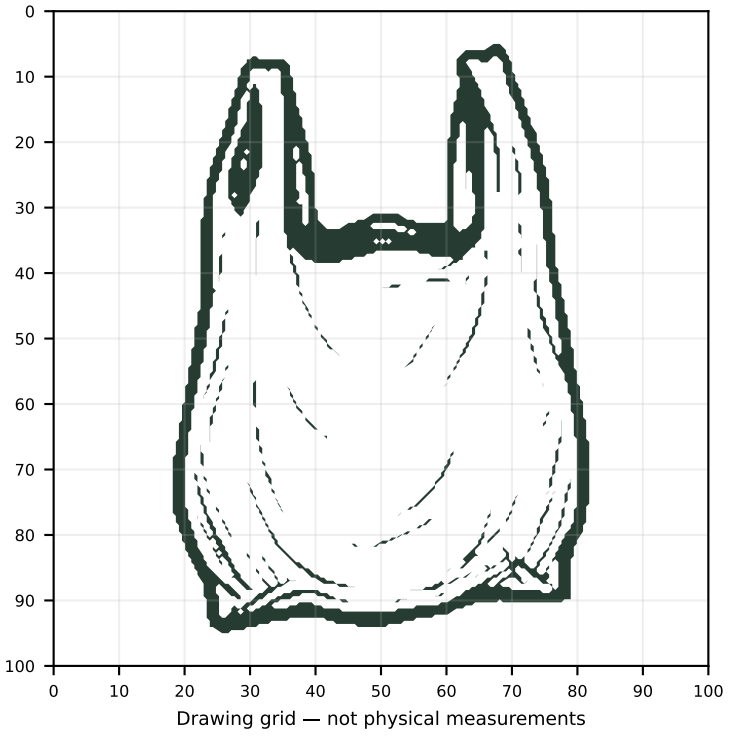

METHOD: Draw the two handle loops rising from the top opening. Sketch the wide bag body with a rounded, slightly tapered outline. Add curved fold lines across the body to indicate crinkled plastic. Refine the bottom edge with a wavy contour to show the bag's base.
Use the separate practice sheet before checking the answer.

How to Draw Plastic Bag — Free Practice Sheets

REFERENCE / CASE 3

plastic bag: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

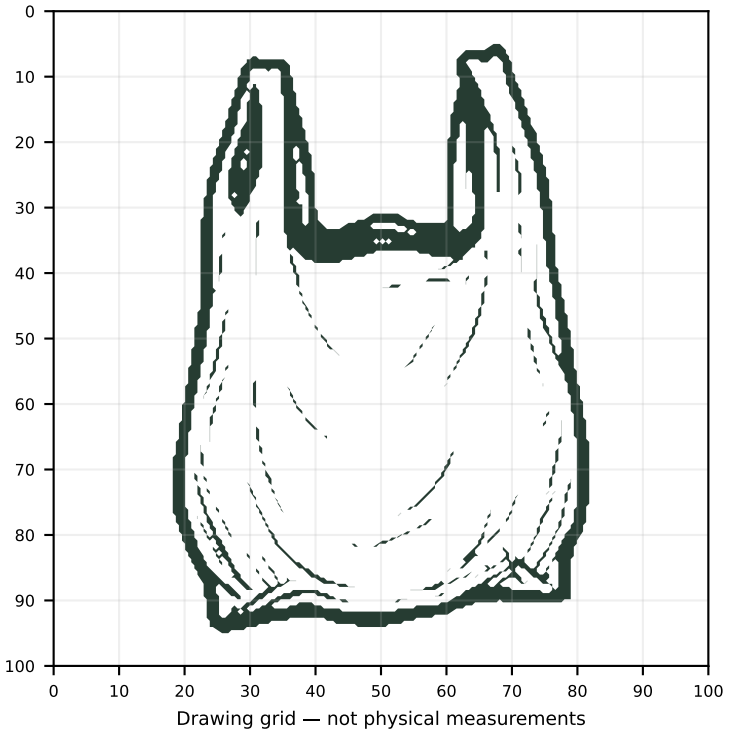

METHOD: Draw the two handle loops rising from the top opening. Sketch the wide bag body with a rounded, slightly tapered outline. Add curved fold lines across the body to indicate crinkled plastic. Refine the bottom edge with a wavy contour to show the bag's base.
Use the separate practice sheet before checking the answer.

How to Draw Plastic Bag — Free Practice Sheets

REFERENCE / CASE 4

plastic bag: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the two handle loops rising from the top opening. Sketch the wide bag body with a rounded, slightly tapered outline. Add curved fold lines across the body to indicate crinkled plastic. Refine the bottom edge with a wavy contour to show the bag's base.
Use the separate practice sheet before checking the answer.
