How to Draw Lily Of The Valley — Free Practice Sheets

ANSWER / CASE 1

lily of the valley: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

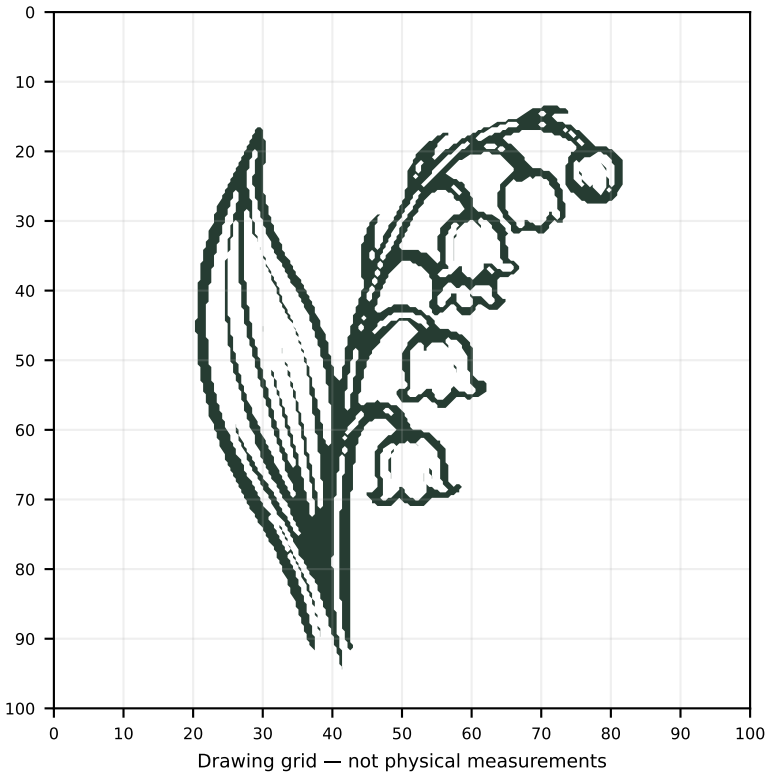

ANSWER: Example solution: preserve bell-shaped flowers hanging from short pedicels along one side of the stem, single long lance-shaped leaf with parallel veins, arching main stem with a gentle downward curve. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the long lance-shaped leaf as a tall curved outline with several parallel interior vein lines.
2. Draw the main stem rising from the base and arching to the right.
3. Add short pedicels branching downward from the upper stem.
4. Draw the bell-shaped flowers at the ends of the pedicels, with the lowest bell largest and the topmost bud smallest.

How to Draw Lily Of The Valley — Free Practice Sheets

ANSWER / CASE 2

lily of the valley: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

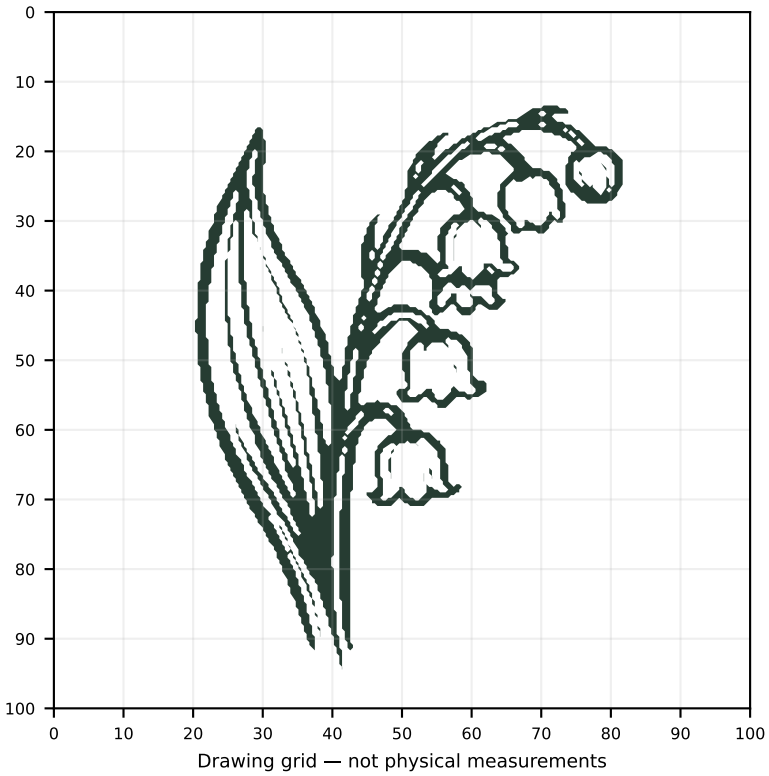

ANSWER: Example solution: preserve bell-shaped flowers hanging from short pedicels along one side of the stem, single long lance-shaped leaf with parallel veins, arching main stem with a gentle downward curve. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the long lance-shaped leaf as a tall curved outline with several parallel interior vein lines.
2. Draw the main stem rising from the base and arching to the right.
3. Add short pedicels branching downward from the upper stem.
4. Draw the bell-shaped flowers at the ends of the pedicels, with the lowest bell largest and the topmost bud smallest.

ANSWER / CASE 3

lily of the valley: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

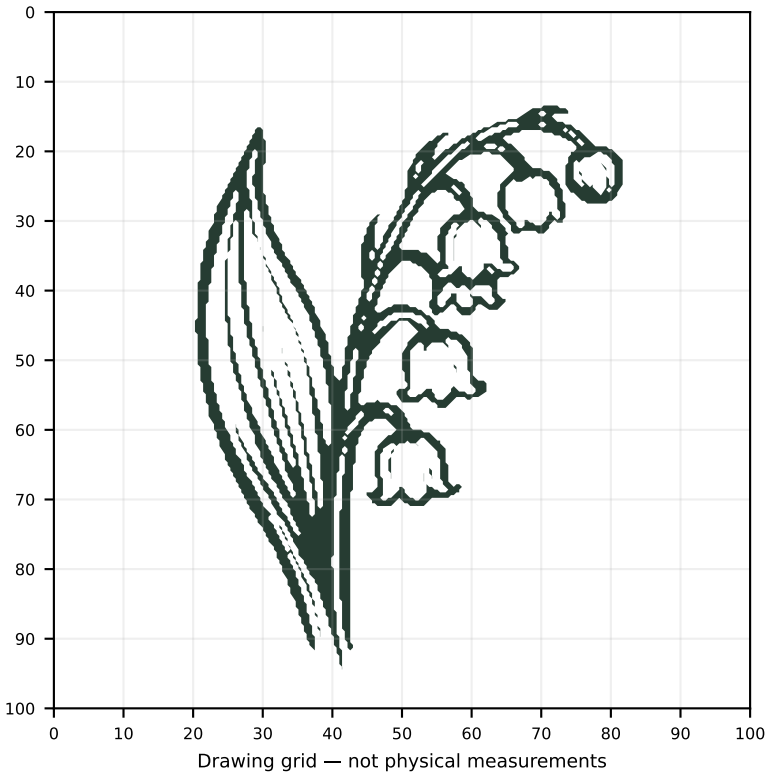

ANSWER: Example solution: preserve bell-shaped flowers hanging from short pedicels along one side of the stem, single long lance-shaped leaf with parallel veins, arching main stem with a gentle downward curve. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the long lance-shaped leaf as a tall curved outline with several parallel interior vein lines.
2. Draw the main stem rising from the base and arching to the right.
3. Add short pedicels branching downward from the upper stem.
4. Draw the bell-shaped flowers at the ends of the pedicels, with the lowest bell largest and the topmost bud smallest.

How to Draw Lily Of The Valley — Free Practice Sheets

ANSWER / CASE 4

lily of the valley: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve bell-shaped flowers hanging from short pedicels along one side of the stem, single long lance-shaped leaf with parallel veins, arching main stem with a gentle downward curve. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the long lance-shaped leaf as a tall curved outline with several parallel interior vein lines.
2. Draw the main stem rising from the base and arching to the right.
3. Add short pedicels branching downward from the upper stem.
4. Draw the bell-shaped flowers at the ends of the pedicels, with the lowest bell largest and the topmost bud smallest.
