How to Draw Lily Of The Valley — Free Practice Sheets

REFERENCE / CASE 1

lily of the valley: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

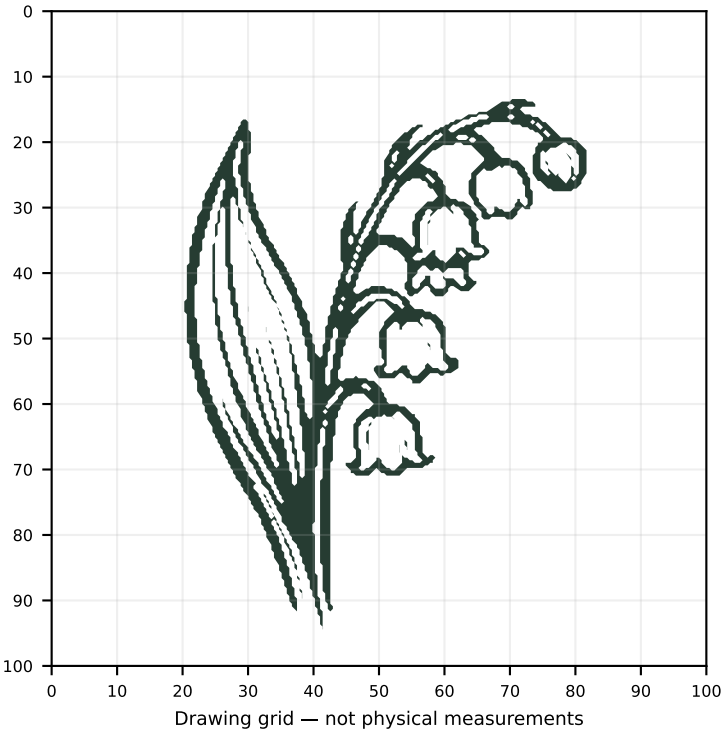

METHOD: Draw the long lance-shaped leaf as a tall curved outline with several parallel interior vein lines. Draw the main stem rising from the base and arching to the right. Add short pedicels branching downward from the upper stem. Draw the bell-shaped flowers at the ends of the pedicels, with the lowest bell largest and the topmost bud smallest.
Use the separate practice sheet before checking the answer.
