How to Draw Four-Leaf Clover — Free Practice Sheets

REFERENCE / CASE 1

four-leaf clover: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

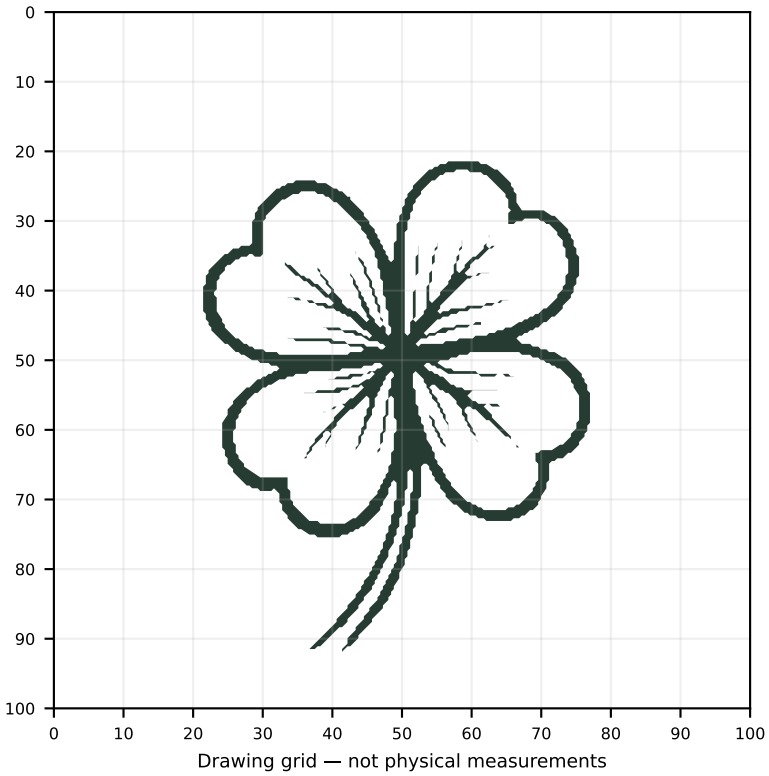

METHOD: Draw a small central point where all leaves meet. Draw four heart-shaped leaf outlines radiating outward from the center, spaced roughly evenly. Add thin vein lines from the center outward into each leaf. Draw a curved double-line stem downward from the center. Use the separate practice sheet before checking the answer.

How to Draw Four-Leaf Clover — Free Practice Sheets

REFERENCE / CASE 2

four-leaf clover: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

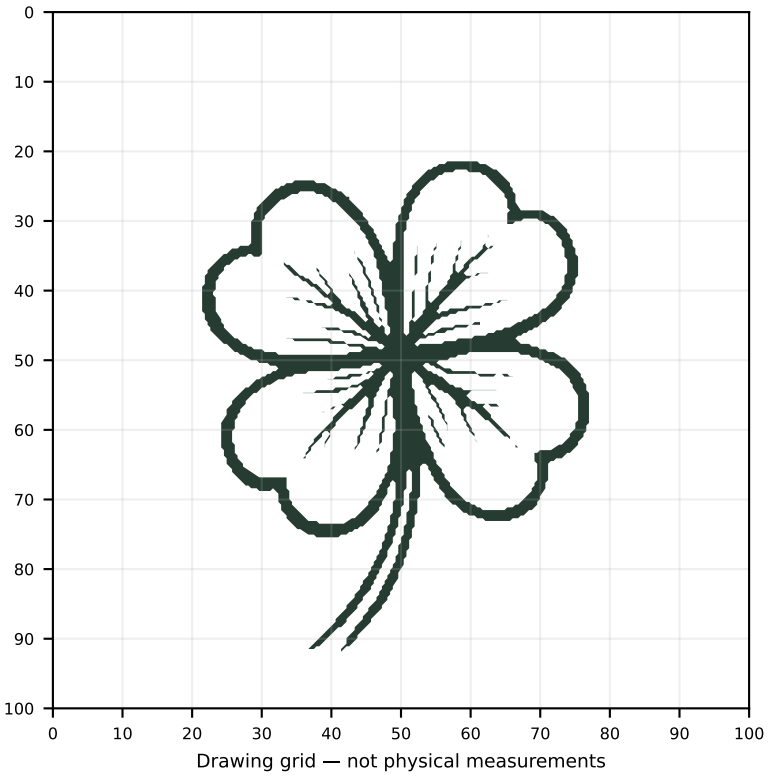

METHOD: Draw a small central point where all leaves meet. Draw four heart-shaped leaf outlines radiating outward from the center, spaced roughly evenly. Add thin vein lines from the center outward into each leaf. Draw a curved double-line stem downward from the center. Use the separate practice sheet before checking the answer.

How to Draw Four-Leaf Clover — Free Practice Sheets

REFERENCE / CASE 3

four-leaf clover: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

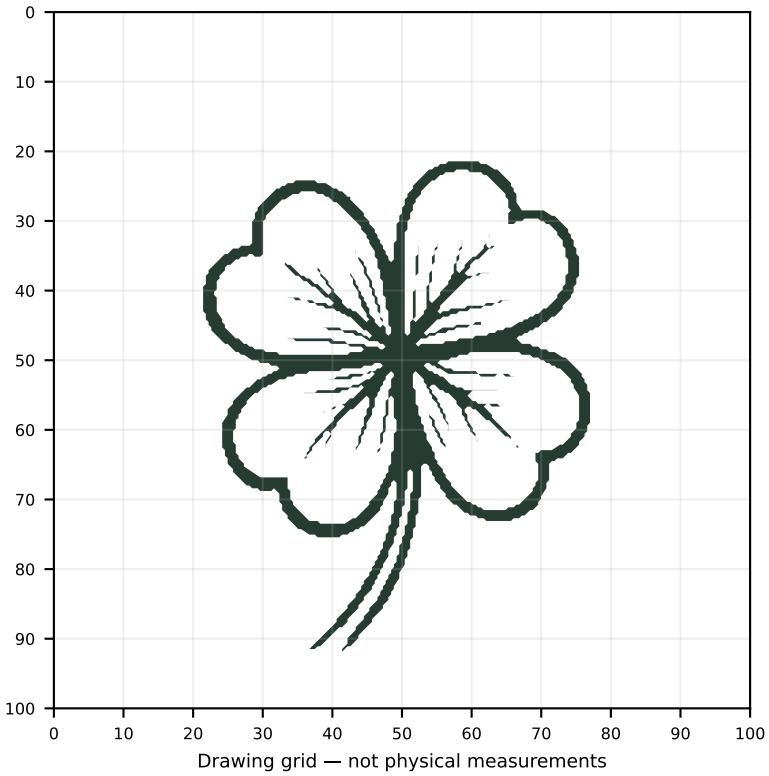

METHOD: Draw a small central point where all leaves meet. Draw four heart-shaped leaf outlines radiating outward from the center, spaced roughly evenly. Add thin vein lines from the center outward into each leaf. Draw a curved double-line stem downward from the center. Use the separate practice sheet before checking the answer.

How to Draw Four-Leaf Clover — Free Practice Sheets

REFERENCE / CASE 4

four-leaf clover: Complete the blank right-hand portion using the full reference.
Compare with the separate full reference sheet.

METHOD: Draw a small central point where all leaves meet. Draw four heart-shaped leaf outlines radiating outward from the center, spaced roughly evenly. Add thin vein lines from the center outward into each leaf. Draw a curved double-line stem downward from the center. Use the separate practice sheet before checking the answer.
